## **COUNSELING CENTER NOTES**

By R. Rask

February does not have many scholarships that are due. There are only 3. March and April are huge months for scholarships, so be prepared. Here are the scholarships that are due:

ELKS Scholarship-Legacy Award-Due 02/06/24

Foundation for Rural Service-Due 02/08/24

Society of Automotive Engineers-Due 02/28/24

### **NOTES FROM MS. WITTAK**

#### **Dishwasher in FCS Room**

A new dishwasher has appeared in the Family and Consumer Sciences Room. There has never been a dishwasher in the room – so updates are occurring to keep up with the Culinary Arts Class expectations. Eleven students in the class have just completed their ServSafe Class and Exam and are all certified as Safe Food Handlers. It will come in handy for each of them if they choose to work in the food service industry wherever they go in the future, or even working in Scobey. Congratulations to all of the students and their reward is the new dishwasher (mine too- I passed also)! Thanks to Steven Handran and assistant Tristan Lekvold for installing – going above and beyond to make it fit and work out! Ryan Halverson, Nicholas Turner and Adrian Villa remodeled the cabinet to put in a small drawer and cupboard door. The Karen Cox Memorial Grant was used to partially pay for this dishwasher.

#### **Ceramic Paints Donated to Art Class**

Marla Hinkley has donated two beautiful and fully stocked supply cabinets for ceramic paints. The students are beginning painting this 2<sup>nd</sup> semester and are utilizing the paint! It is much appreciated!

#### **Karen Cox Memorial Grant Received by Scobey Schools – Two \$500 Grants**

Mrs. Kimball wrote a grant for \$500 to use toward graphing calculators in her classroom. Ms. Wittak received \$500 for partial payment for the new dishwasher in her classroom. Karen Cox was a much-loved, dedicated Billings teacher and MFPE (Montana Federation of Public Employees) member/leader who lost her life in a car accident on her way to the 2004 Annual Conference. This grant program honors her commitment to Montana children and their education. We are grateful to be recipients of these funds. We are honored to receive funding from such a hero for teachers in our state!

#### **Feb. 3<sup>rd</sup> – North Country BB Game – Mr. Walt Reller Memorial Raffle and Bake Sale**

It is with great sadness and with honor, that we are holding a Raffle/Bake Sale for our shop teacher, Mr. Reller, who recently passed away from a brain bleed on January 10th. We are sharing our thoughts, prayers and love with the Reller Family in honor of our friend, teacher and mentor. Mr. Reller is an organ donor, in life and in passing, he has made the world a better place, his gift of life to others is a tribute to his gift of giving as a teacher. Please join us at the Raffle/Bake Sale – students are baking and contributing projects in honor of Mr. Reller and his gift of teaching. Thanks to all of the community members, former students and classes that are taking the time to contribute! It is appreciated and does not go unnoticed, as were the things that Mr. Reller did every day!

#### **Comprehensive FCS Classes**

Recently, this class went on a Field Trip to Arlene Kegley's to bring their quilt front and back's to view her long-arm quilting machine. She demonstrated the machine to the students, as well as coaching the students in design and color of thread! This group has been very fortunate to be able to quilt with the Quilting group at the Lutheran Church, along with gathering skills from Francie Hoversland and Linda Hersel in the classroom. We are blessed in our community with such gifted artists in quilting and in talent! Thanks to all for their help and guidance in the projects these students have worked on and are completing.
