Message from the President:

Lakeside Gem & Mineral Club members,

I hope this message finds you and your loved ones well. Given the current state of the corona virus pandemic, and to protect our club members, the board has decided to cancel the May Board & Club meetings and activities. The board will evaluate conditions as our June activities & meetings get closer, and I will continue to provide updates for our activities.

Please be safe and keep practicing “social distancing”.

Thanks - Bill

Volunteers are what makes our Club work.

Please consider stepping up and taking over as Treasurer, Membership Chair and Show Chair. It's fun and easy to get involved, and so very much appreciated.

Stamps -- Stamps -- Stamps

Our club donated several boxes of stamps to the stamp collection. The stamp chairman is selling some of the stamps online and doing very well. He is making money for the cancer fund. Please keep up the good work and keep collecting stamps. I asked him which stamps he wanted us to collect and he said everything. There is a market for everything. Try to keep as much paper around the stamp as you can. You can just tear off the end of the envelope if it is handier for you.

Bring your stamps to a meeting and give them to Pat Lambert.

Thank you again for taking the time to collect stamps for a good cause.
