PRESIDENT'S LETTER

With the Holiday Season at hand, many of us will be looking forward to a few weeks away from darts and to spending that time with family and friends and partaking in the holiday festivities. Others may be a bit disoriented and wishing for a league night of play rather than facing the hordes of manic shoppers all about. Whichever way you choose to spend your holidays, I hope they are safe and enjoyable. Also, on behalf of the D.D.A. Board Members, I would like to wish each and every one a prosperous New Year.

As the year 1988 draws to an end, we find ourselves at the end of the second quarter and consequently the end of the first half of league play. Although for many of us this meant some time off. It may have signified one more week of play for those lucky teams that finished first, second and/or third in their divisions. These were the playoffs for the first half (held Dec. 21 & 22), many of which were hard fought and very close matches. All those first half first place finishers guaranteed themselves a spot in the playoffs at the end of the season (if necessary). The league is structured such that the first half finishers playoff the second half finishers resulting in the divisional champion for the 1988-89 season. As you can see, with two more quarters of play, the opportunity is still there for any team to earn a berth in the playoffs at season's end and a shot at the divisional championship.

Looking back over the first half of the season it would seem we all had a good time competing, conversing and partaking a bit of the brew with our teammates and friends. However, it has been brought to my attention and that of the Board's that this is not always the case. There have been complaints raised as to the lack of sportsmanship of a few Members, thus disrupting the match and creating an uncomfortable and embarrassing atmosphere. To those Members I suggest you read the Rules For League Play and the Bylaws. If you have any questions or desire a copy of the rules and/or Bylaws, please feel free to write the D.D.A.

With the new year and the beginning of the third quarter, let's all start off on the right track and remember that while competing we should also have FUN. It is also important to remember although we all like to win each match, someone must lose. In order to be a good winner you should also be a good loser.

Again, Happy New Year and all the best for the remainder of the darting season.

***** PRESIDENT'S LETTER cont'd *****

In closing, I would like to thank PAM PATTERSON very much for all the time and energy she put in as Secretary of the Dayton Darting Association over the past three years and wish her all best with her new and growing family. THANK YOU, PAM.

Respectfully,
Mark A. Grencavage
President

***** D.D.A. BOARD OF DIRECTORS *****

The Board would like to thank Pam for all the effort, time and energy put into the D.D.A. as League Secretary and the many committees on which she served. Volunteers are few and the fine job Pam did the last three years as a volunteer to the D.D.A. cannot be put into words.

Also, Pam published and distributed the weekly standings ON TIME each week. This in itself is a full time job.

Once again, THANK YOU, Pam - you will undoubtedly be missed!

FROM HANK

BY HANK DUFF

It's the half way point in our dart league. Playoffs were very exciting. There was some discord over the notice given. Those of you who were close to winning first, second or third should have been alert to the fact that your team was in the playoffs. The deciding factor was the last game match and playoffs had to be decided the next day. Your letter was mailed Friday. Short notice, yes, but with Christmas season and mail deliveries, maybe we should have called the captains too. Next time we will. BOB SHERRY said "playing for third place was like kissing your sister". I like that description.

Columbus has been added to the Four City Challenge for the ladies. Now there are five cities. The next match will be at Indianapolis. The date has not been set.

BILL NICOLL JR. is the proud father of a baby girl. Her name is SARAH and she was born in December while Billy was in London, England. He tried to make it home in time, but alas, she would not wait. BILL SR. and TIM were also in London to cheer Billy on. He didn't win but they had a great time.

CACTUS JOHN had a great ladies tournament. I've heard nothing but raves about it. Hope he does that again.

The Newsletter has been a big job for one person so DONNA HACK, MARK FER-GUSON and myself have volunteered our services to help DENNY HAWS. So, hopefully the future Newsletters will be on time.

PAM PATTERSON resigned as Secretary from the Board. Our thanks to you Pam for giving us your time for so long. You did a great job.

MARK GRENCVAUGE appointed DONNA HACK, with the Board's approval, to take Pam's place. Donna will be a valuable

asset to our Board. She loves darts and she has already given us much of her time.

Our get well wishes go to BILL BEREDA and am glad to hear he's doing well.

Happy New Year

See you playing darts

SECOND QUARTER WRAP UP

BY DENNY HAWS

The GEM DIVISION was lead by the DART TRAIN with a 5 point lead in week 6. KATZ'S HEAVY HEAVERS catapulted into first by virtue of a 29-10 victory in week 7 as HANK'S STEVE AND THE BIG GUYS moved into second by defeating the DART TRAIN 25-14 leaving the DART TRAIN third.

The GOLD DIVISION started week 7 with the CUBBYHOLE'S BAD COMPANY leading HANK'S PENETRATORS by 3 points and HANK'S BULLIES by 7. BAD COMPANY and HANK'S BULLIES scored big by duplicate 30-9 scores as the PENETRATORS fell to third with a 16-23 loss.

The SILVER DIVISION saw HANK'S TEAM EFFORT extend a 9 point lead in the 6th week into a 16 point lead with a 28-11 score in week 7. KIRKS JERKS hung onto second place with a winning score of 21-18 in the 7th week.

The BRONZE DIVISION was handily won by KATZ'S DART GODZ after scoring no less than 25 points in their 7 matches of the second quarter. The CUBBYHOLE SOUTHSIDERS finished with a 4 point hold on second place but 53 points behind KATZ.

The BLUE DIVISION had HIPP'S HEAVY-WEIGHTS leading the SHROYER INN by 6 points in week 6. In week 7 HIPP'S notched a 21-6 win over the SHROYER INN allowing CHEER'S SPIKES to grab second place and the SHROYER third.

The RED DIVISION saw the first place team, HANK'S HITMEN, and the second place team, CLANCY'S WHO CARES, hold the same position since week 2 with CLANCY'S closing within one point during the second quarter.

The ORANGE DIVISION'S HANK'S PARTY ANIMALS won first place by 15 points over NORTON'S SALOON PLATOON after HANK'S finished third in the first quarter of play and NORTON'S first.

The GREEN DIVISION was wrapped up by two of HANK'S PUBS entries with HANK'S BULLSHOOTERS taking first place by one point over HANK'S BANDITS. The BULLSHOOTERS won their 7th week match 17-10 as the BANDITS tried to sneak into first by accumulating 21 points in their last match.

After switching positions in week 3, the YELLOW DIVISION'S CACTUS JOHN'S FU'S stretched a 6 point lead in week 6 to a 12 point first place win with a 22 - 5 victory with HANK'S PUB POUNDERS retaining second with a 7th week match of 15-12.

The WHITE DIVISION'S CHEERS' KILLER BEES moved into first place from fourth place in the 3rd week and never relinquished their hold as the SHROYER INN HOZZERS finished second.

After leading the BROWN DIVISION for three weeks, HANK'S SHOTS IN THE DARK slipped to second with a 7th week loss of 11-16 allowing the CUBBYHOLE BARGOYLES to overtake first with a 17-10 win in week 7.

The GRAY DIVISION witnessed the fiercest battle for first place as the LITTLE YORK TAVERN'S DEAD DARTMEN and CLANCY'S BANGERS had switched position three times since week 1. These two teams played at CLANCY'S week 7 with the BANGERS holding a 1 point lead over the DEAD DARTMEN after 6 weeks of play. In order to dispel any thoughts of home court advantage, LITTLE YORK prevailed 16-11 to capture first place by 4 points over CLANCY'S. This 1 - 2 finish was the same as the first quarter. Those with Weds. nights open may want to watch the 3rd quarter standings as this battle may continue!

The top three teams in the SCARLET DIVISION notched 18 - 9 victories to leave the entire Division's standings unchanged from week 6 with CACTUS JOHN'S DOMINATORS holding first over STAN'S BEASTLY BOYS.

The Gem Division led the way with 16 players zeroing in 26 180's with the Gold Division following with 15 players notching 18. The Brown Division is the only Division that has not had a player attain Ton 80 status. But there is the second half to go.

***** KING OF THE HILL *****

LOU LOVASH has informed us that he will be directing a KING OF THE HILL DART LEAGUE in Dayton.

The league is affiliated nationally with King of the Hill Darts International. These leagues are already formed in several cities throughout the U.S. and now is being formed in Dayton.

The league offers an opportunity for players to play against others near their competitive level in a singles format. As the matches are played points are accumulated and standings tabulated so that the number 1 player would next play number 2, 3 vs. 4, 59 vs. 60, etc. This will allow players to be paired according to their skill level and a most competitive match ensuing. This provides players to hone their singles game against players they should be playing. Most leagues allow a person to shoot very few singles matches and this should bring tournament players level of play up.

Matches are scheduled by the league and players arrange times and places within a predetermined time period. Two matches a month are played by each member. Players could schedule any evening or day in order to play at their convenience.

There virtually will be no competition with any established league in Dayton or any new leagues if formed in that once again players only compete in singles and can schedule matches around their other darting commitments.

Though the league is national, the local players will comprise the local league play.

You must sign-up by January 27 and matches will begin the beginning of February. Your money will be refunded after three months if you are not "completely satisfied" and a free subscription of Bulls Eye News magazine is included with membership.

Every six months a \$1,000 tournament open to members only will be played with free entry. This will be a doubles tournament with the number 1

ranked player being paired with the last ranked player, eg: #1 & #64, #2 & #63, #3 & #62, etc. This will allow a fair chance for all participating members to win.

For more information or membership contact: Lou Lovash at 253-9715.

Editor's note: The Dayton Darting Association assumes no responsibility for the King of the Hill Dart League. This is a league separate of the Dayton Darting Association and not operated by the association. This is considered of interest to our Members as well as the Dayton darting community as a whole.

***** D.D.A. MEMBERSHIP CARDS *****

The Dayton Darting Association has issued Annual Membership Cards to each Member of the 1988-89 Fall/Winter League. PETE MOUGEY and JULIE MOUGEY tackled this task. Pete and Julie sent member information sheets to each team in order to compile Member data and build a data base for future reference for the league. Most data sheets were returned and your co-operation is appreciated.

Each Member should have received their card. Your card should be carried to ALL D.D.A. sponsored/sanctioned events as well as the Annual Meeting. These cards will be used as identification when voting or playing and some sponsors and businesses offer discounts to our Members.

If you are a Member in good standing and have not received your card have your team captain contact the D.D.A. immediately. Any questions concerning the membership cards should be directed to the D.D.A. at 299-DART or write to P. O. Box 292828, Kettering, OH 45429. You may also attend any Board Meeting and review the rules and regulations of the cards use.

Thank you Pete and Julie for a job well done!

Morton Middle School's dart program is conducting a dart tournament to encourage young people to participate in the lifetime sport of darts. The tournament is an extension of dart programs offered during the Activity Period at Morton and Smith Middle Schools in Vandalia.

The Activity Period is designed to present a wide variety of activities for student participation. Each school offers approximately 30 different activities. Activities available include: sports-oriented interests such as Basketball and Table Tennis; intellectual pursuits such as Young Authors and Chess; hobby interests such as Photography and Stitchery; and clubs covering diverse interests such as Travel and Sister Cities. Clubs may be offered all year long or on a six-week basis. Students register for the activity of their choice prior to the start of a new activity session. As you can see, the dart program is just one of many exciting activities available for student participation.

Participants in the tournament will be any student in grades 1-12. The tournament will be held at Morton Fieldhouse, 231 West National Road, Vandalia, from 10:30 a.m. until approximately 4:00 p.m. The top four winners in each division will receive trophies and prizes. EDITORIAL

BY CARL STRAVINSKI

Following is an excerpt of an editorial written by CARL STRAVINSKI and published in the D.D.A. Newsletter December 1983. With complaints of un-sportsman like behavior this article was chosen to be rerun.

"Any competition involving skills, techniques, finesse agility, mobility, strength, reasoning, etc., requires a well adjusted mental attitude and a certain stability of composure. Courtesies are paramount in any living situation and, without doubt, darts is a living situation. A maladjusted mental attitude in a discourteous situation can be frustrating and embarrassing.

Your Editor has been involved in a wide variety of athletic competition for over 40 years as competitor, supervisor and coach, and is well aware of the mental and emotional stresses involved in the struggle to become a winner. The crescendo of a verbose opponent and the poor performance of a darter overtaxes the mental and emotional capacity to the breaking point. The built up stresses may result in a vocal and/or physical outburst. This is unfortunate. Isn't it strange-----, you never see or hear of a winner become the instigator of a physical confrontation.

So we deal with a person in a losing cause. Next time you shoot take notice of a loser. You will be able to classify losers as 1) good; 2) dumbfounded; 3) sulking; and 4) poor. The good loser is the guy who is always complimenting his opponent on his shot and especially after the match is over.

The dumbfounded loser is the one, usually considered a better shooter, who looks dazed, and is amazed, after losing to what is considered an inferior opponent. If there is any verbal reaction, it is a muffled congratulatory remark.

The sulker just puts his tail between his legs, does an about face to the rear of the pub, or leaves pronto without any remarks.

The poor loser---. Well, this is what this bit of verbage is all about. I don't think an explanation is required.

If you lose, BE A GOOD LOSER. It is not degrading to lose a tight match. You did your best. That's what counts. A poorly played match is the result of your poor execution and only YOU CAN TAKE THE RESPONSIBILITY. Do not take it out on your opponent.

I ask all darters to read this article again and rationalize your darting mental and emotional stability. Someone has to lose. It may be difficult but you can be a good loser."

*** ORDER OF PLAY ***

A question concerning the order of play at D.D.A. league matches was recently raised.

The response was: play shall follow the order set forth on the scoresheet with each set of games [Cricket Doubles, 301 Doubles, 501 Singles and Cricket Singles] being played two (2) at a time, one (1) game per board. However, if BOTH team captains agree, the order of play may be altered. Examples being; play a Singles game on an open board while a 301 Doubles game is still in progress, or play the last Singles game first.

The underlying fact is that BOTH team captains MUST agree to the changes. If BOTH captains do not agree, play shall follow the order set forth on the scoresheet.

***** COURTESY *****

Reports are being given to the Board that foul language is being used at matches as well as childish behavior. This cannot be tolerated in that the actions of a certain few damage the image of the league, the majority of our Members and darts as a whole.

Unsportsmanlike behavior will be dealt with accordingly. The Rules For League Play and The By Laws allow the Board to issue disciplinary action if warranted. Use of abusive language, disrupting of matches, hitting of walls, throwing your darts against wall or table, etc. are considered childish to say the least and most definitely unsportsmanlike. Reports should be filed via the grievence forms (available by request) and severe cases by the protest procedure descibed in the Rules For League Play 1988-89.

***** LUCKY SIXTEEN *****

Several Lucky 16 dart leagues operate in the Dayton area. These offer round robin play of 301, 501 or cricket. The matches encompass singles matches and definitely improve one's game, most notably out shots. Trips to major dart tournaments and/or cash awards are awarded to top point holders at timed intervals. Many players have been able to attend a tournament they normally could not attend financially through the many Lucky 16's.

The Lucky 16's known in Dayton at this time are:

LADIES

Sunday afternoons at Lanes & Fairways 5466 Brandt Pk., contact Joan Medley at the club 233-1016.

Monday nights at Hanks Pub, 2529 E. Patterson Rd., contact Hank Duff at the pub 254-7527.

Monday nights at the Cubbyhole Lounge 8011 Mc Ewen Rd., contact Tonni Brown at the lounge 435-6286.

MENS

Tuesday nights at Hanks Pub, 2529 E. Patterson Rd., contact Mike Mantia at the pub 254-7527.

***** REPORT YOUR SCORES! *****

Team captains must report your scores to the D.D.A. the night of play by calling 299-DART and scoresheets must be received at the P.O. box by the following Tuesday of each match.

This is the home team's responsibility and a five point penalty is enforced for each violation of score reporting.

CALL IT IN AND MAIL YOUR SCORSHEETS

Dayton Darting Association, P.O. Box 292828, Kettering, OH 45429, 299-DART.

***** PLAYOFFS *****

It has been brought to our attention some teams did not realize playoffs would be held at the end of the first half. Please note the dates allocated for playoffs in Important Dates on the last page of this issue so your team can be prepared to play rather than forfeit matches if they gain berths in the playoffs.

***** D.D.A. NEEDS ADDRESSES *****

IN ORDER FOR EVERY MEMBER TO RECEIVE THEIR COM-
 PLETE BENEFITS OF BEING A MEMBER OF THE DAYTON
 DARTING ASSOCIATION, WE REQUIRE THEIR COMPLETE
 AND CORRECT ADDRESS. IF YOU ARE A MEMBER OF THE
 D.D.A., AND YOU ARE NOT RECEIVING YOUR NEWS-
 LETTER, PLEASE CONTACT DONNA HACK AT 227-0574,
 10AM TO 6PM OR SEND A POSTCARD WITH THE INFOR-
 MATION TO: DAYTON DARTING ASSOCIATION, P.O. BOX
 290228, YETTERING, OH 45429.

***** D.D.A. NEWSLETTER STAFF *****

Surprise! The Newsletter is back on time with added good news.

The Newsletter has begged for volunteers the last few years and with the illness of several Board Members, it finally has become apparent that some tasks, e.g. the Newsletter, are too large and time consuming for one individual.

Over the years the Newsletter has had an issue not published on time periodically. With the last issue being delayed for whatever reasons, the Newsletter Editor now has a Committee to assist in the publication of the D.D.A.'s Newsletter.

The current staff consists of: DENNY HAWS, Editor, DONNA HACK, MARK FERGUSON and HANK DUFF. This allows for the newsletter to be assembled by more than one person so that no matter what there will be a Newsletter for our Members reasonably on time.

***** LETTERS TO THE EDITOR *****

Letters should be sent to: DAYTON DARTING ASSOCIATION, Newsletter Editor P.O. Box 292828, Kettering, OH 45429.

***** HANKS SUNDAY COUPLES LEAGUE *****

Couples may be found playing darts at Hanks Pub on Sunday nights in the Gem City. The league was such a success during the summer, Hank continued it this winter. A total of 16 couples play each Sunday night accumulating points. Two person teams are grouped according to skill level into two groups, then each team in Group A is teamed with a team from Group B so as there are four matches consisting of two couples on each team.

Following is a list of the leaders as of the tenth week of play.

D.D.A. Board of Directors' meetings are held the third Monday of each month at the Kettering Government Center, 3600 Shroyer Rd., at 7:00 pm. Members as well as Sponsors are urged to attend so that they may know first hand what is being done in the D.D.A.

The next several Board of Director's meetings will involve planning the end of the seasons activities. These involve the Divisional Play Offs, Divisional Singles and Bracket Singles Championship, the D.D.A.'s City Championship, the Newsletter and the Annual Banquet and Awards Dinner. If you have a desire to be involved in any of these activities, you may want to attend the Boards' meetings.

*** SPECIAL NOTE OF APPRECIATION ***

I would like to extend appreciation and thanks to the many dart players and Members of the Dayton Darting Association, especially those at Hanks's Pub for the kindness shown to Linda Fischer during her time of bereavement. The generous offerings of her many friends in the D.D.A. and Hank's Pub were appreciated by Linda in that even though she is not a Member of the D.D.A. she has helped in so many ways as a friend of the D.D.A. when volunteers are requested.

Sincerely,

Hank Duff
