Re: Scotia Bank South Athletic Field, Knowledge Park Drive
Scotia Bank North Athletic Field

Dear Mr. Zara,

On behalf of the City of Fredericton we would like to express our appreciation for your company's outstanding performance on the above referenced projects. As you are aware, both projects were completed on time and on budget.

Your staff of dedicated and experienced professionals performed admirably on the projects and is to be commended for the overall success of both projects. The varsity athletes, coaches, and students are very pleased with the playability and performance of the PowerBlade HP 2.5 synthetic turf fields. As you are aware, we did extensive review and research of various artificial synthetic turf products and were very impressed with the range of products and features offered by GTRTurf/ShawSportexe. We believe that the PowerBlade HP 2.5 artificial turf product was an excellent choice for our Scotia Bank South and North Athletic Fields for the City of Fredericton.

We have enjoyed our working relationship with GTRTurf Inc. and look forward to having an opportunity to work together on future projects. In the meantime, we are pleased to recommend GTRTurf Inc. /ShawSportexe for artificial synthetic turf field projects.

Sincerely,

Robert Glenwright, LHT
