

Hello, Captains & Mates!

We hope you are all healthy, staying sane, and enjoying your boats this hot summer of 2020!

Here, we have been quite busy as boating seems to be a great activity during a pandemic. We expect to be busy at haul out time but look forward to seeing you all at a social distance. Unfortunately, the first topic we have to discuss is COVID-19 safety protocol.

Please use the following courtesies at Midway:

- **Please limit visits to our office:** By calling, sending an email, or using a postal service to contact us, will help to keep everyone safe. Printable Winter Storage Contracts, as well as other forms, are available on our website **MidwayMarinaCT.COM**.
- **Staff Contact:** For the safety of our essential staff members, we kindly ask that you follow the safety guidelines that are currently in place for stores and restaurants. Please wear a mask when you are talking to our staff members, try to maintain a safe distance (6ft away if possible), and for your own safety, wash your hands and avoid touching your face. We appreciate your cooperation!

FALL CUSTOMER APPRECIATION PARTY:

We are deeply saddened to say that this year's festivities are **cancelled**. As always, we are focused on the health and safety of our customers. Due to the current pandemic, we feel it is safer to avoid large groupings, but we want you all to know **WE STILL APPRECIATE YOU!**

Next on the agenda: Updates!

BUSINESS and YARD OPERATIONS:

- **Lot Expansion:** As many of you may have already noticed, the upper lot was recently being excavated to provide more usable space for our customers. We are pleased to announce that the additional rows are finished with crushed stone and green grass. This being said, there will be no more earth moving for the foreseeable future.
- **New Docks:** The new finger piers were finished just in time as they are all rented for the season. Folks, we are all really pleased with the ease of straight drive-in docking!

WINTER STORAGE CONTRACTS:

You are our best salesmen so bring in your referrals and get your 10% credit. No limit. We have plenty of room. Winter Storage contracts are enclosed and please review our commissioning check list for anything you need serviced or fixed. It will greatly facilitate the mad Spring rush if you get your request in early.

Thank you for your cooperation and support in helping us to continue to hold true to our slogan –“Keeping the pleasure in pleasure boating!” We wish you a safe and enjoyable remainder of this year's season and look forward to seeing all of you soon! That's all for now, folks!

-The Crew at Damar
