ROE POLICIES

EQUAL EMPLOYMENT OPPORTUNITY

Henderson, Knox, Mercer, Warren Regional Office of Education #33 maintains a strong policy of equal employment opportunity. We ensure equal employment opportunity for all employees and applicants for employment. We hire, train, promote, and compensate employees on the basis of personal competence and potential for advancement without regard for race, color, religion, sex, sexual orientation, national origin, age, mental/physical impairments, pregnancy, childbirth, or related medical conditions.

Our equal employment opportunity philosophy applies to all aspects of employment including recruiting, hiring, training, transfer, promotion, job benefits, educational assistance, and social and recreational activities.

EMPLOYMENT AT WILL

It is the policy of the ROE that all employees are "employed at will," and are subject to termination or may leave on their own will at any time, for any reason, with or without notice, and with or without cause. No ROE representative is authorized to modify this policy. Any statements contained in this manual or any other policies, procedures, terms or conditions of employment, may not modify this policy.

OPEN DOOR POLICY

It is our intent to administer all benefits and conditions of employment, such as those outlined in this handbook, in a fair and consistent manner. If at any time an employee doesn't feel this is being done, or has a suggestion or complaint, he/she is encouraged to review the issue with administration. We believe it is important that employees be able to discuss their concerns, suggestions, and opinions with administration.

ADVERTISING AND DISTRIBUTING MATERIALS

No material or literature shall be posted or distributed that would: (1) disrupt the ROE service, (2) violate the rights or invade the privacy of others, (3) infringe on a trademark or copyright, or (4) be defamatory, obscene, vulgar, or indecent. No material, literature, or advertisement shall be posted or distributed without advance approval from administration.

RESPONSIBILITIES CONCERNING INTERNAL INFORMATION

Employees are responsible for maintaining: (1) the integrity and security of all internal information, and (2) the privacy of confidential records, including but not limited to: student records and personnel records. Internal information is any information, oral or recorded in electronic or paper format, maintained by the ROE or used by the ROE or its employees. The Regional Superintendent or designee shall manage procedures for safeguarding the integrity, security, and, as appropriate, confidentiality of internal information.

PREGNANCY RIGHTS POLICY

In accordance with the Illinois Human Rights Act (775 ILCS 5/1 et seq.), the ROE will provide reasonable accommodations to employees affected by pregnancy, childbirth, or medical or common conditions related to pregnancy or childbirth.

No employee or applicant will be discriminated or retaliated against because of pregnancy or because she requested, attempted to request, used, or attempted to use a reasonable accommodation as allowed by the Illinois Human Rights Act.

Effective Date: July 1, 2016

Employees affected by pregnancy, childbirth, or medical or common conditions related to pregnancy or childbirth have the following rights:

- Ask your employer for a reasonable accommodation for your pregnancy, such as more frequent bathroom breaks, assistance with heavy work, a private space for expressing milk, or time off to recover from your pregnancy.
- Reject an accommodation offered by your employer for your pregnancy that you do not desire.
- Continue working during your pregnancy if a reasonable accommodation is available which would allow you to continue performing your job.

It is the employee's responsibility to make the request for an accommodation. If the requested accommodation imposes an undue hardship on the ordinary operation of the ROE, the ROE has the right to deny the requested accommodation. As part of this review process, the ROE may ask the employee to provide the following documentation from the employee's healthcare provider:

- (i) The need or medical justification for the requested accommodation;
- (ii) A description of the reasonable accommodation medically advisable;
- (iii) The date the reasonable accommodation became medically advisable; and
- (iv) The probable duration of the reasonable accommodation.

It is the employee's responsibility to submit to the employer any documentation that is requested in accordance with this section.

If you have any questions regarding this policy, please contact your supervisor.

ALCOHOL AND DRUG ABUSE POLICY

Henderson, Knox, Mercer, Warren Regional Office of Education #33 recognizes the problem of drug and alcohol abuse in society, while also realizing that drug and alcohol dependency and abuse can be treated and controlled. Our ROE strives to provide for the safety and security of its employees. To this end, the purpose of this policy is to provide a work environment that is free of illegal drugs and alcohol abuse.

The ROE has set requirements and has established restrictions on the use, sale and possession of illegal drugs and alcohol; and has identified circumstances for substance abuse testing. These are outlined below:

USE, SALE, POSSESSION, DISTRIBUTION AND TRANSPORTATION

In keeping with the ROE's objective to provide a safe and healthful work environment:

- The use, sale, possession, distribution or transportation of drugs, controlled substances or alcohol while on ROE property is strictly prohibited and may result in discipline up to and including termination of employment.
- Drugs and alcohol may not be bought or consumed on any ROE-owned or leased property (including vehicles) and job-sites. Any employee who is using prescription or over-the-counter drugs that may impair the employee's ability to safely perform the job, or affect the safety or wellbeing of others, must notify a supervisor of such use immediately before starting or resuming work.

Effective Date: July 1, 2016

- Employees will not be permitted to work while under the influence of alcohol or with a detectable level of prohibited drugs in their systems. Prohibited drugs include both illegal substances, alcohol and prescription drugs that have not been specifically prescribed by a registered physician for specific treatment purposes for the employee. While the ROE has no intention of intruding into the private lives of its employees, we do require all employees to report to work in a condition that allows them to perform their duties and not impair the safety of fellow employees. Individuals who appear to be unfit for work may be subject to a fitness-for-duty examination at a designated medical facility, shall be subject to random drug and alcohol testing, and shall be subject to discipline up to and including discharge.
- Any employee who is involved with off-the-job illegal drug use, sale, possession, transportation, or distribution may be considered in violation of this policy. In deciding what action to take, the ROE will take into consideration the nature of the charges including arrest, conviction, plea bargains and employee's assignment and record with the ROE. In addition, the ROE will consider any adverse effect the employee's actions may have on its clients, other employees, the public, or the ROE's reputation and image.
- The ROE does not intend to authorize indiscriminate searches of lockers, desks or personal effects on the ROE's property, but we do reserve the right to authorize searches for illegal drugs, alcohol, or contraband.
- Employees in jobs designated as "safety-sensitive" who are undergoing prescribed medical treatment with a controlled substance must report this fact to their supervisor. This information will be handled on a very confidential basis, but it is important for the ROE to know treatment is occurring. A determination will be made if the employee's assignment is temporarily affected; the employee's job will not be jeopardized.

SUBSTANCE TESTING

- ◆ To support the objective of a drug and alcohol free workplace, testing for drugs & chemical substances may be required under the following circumstances:
 - (1) **PRE-EMPLOYMENT**
 - ◆ Pre-employment drug testing may be a part of the employment process. Upon an offer of employment, a test may be required for all final candidates, and no applicant-testing positive will be employed. This includes all employment and re-employment, whether for temporary, part-time or full-time positions.
 - (2) **POST ACCIDENT**
 - ◆ After a work-related accident where judgment, coordination or physical or mental ability may have been impaired. Testing is required after a personal injury resulting in medical treatment or lost time or for an employee whose behavior raises a reasonable suspicion of drug or alcohol use (Testing is also required for an employee, who causes injury to another person, and may not have caused injury to themselves). A test will also be required after a vehicle accident as defined by the ROE's administration.
 - (3) **REASONABLE CAUSE**
 - ◆ Based on reasonable suspicion for conduct or appearances that suggest the use or abuse of controlled substances.

(4) PERIODIC OR RANDOM

On an unannounced and random basis. Random tests may be more frequent for those working in a safety sensitive position, however all positions may be subject to random testing.

SUMMARY

While we hope that the ROE will never have to discuss alcohol abuse or drug problems with any employee, it is only fair that every employee understand the consequences of violating this policy. Working under the influence of illegal drugs or alcohol, as indicated by test results or other evidence, and violation of other provisions of this policy will result in disciplinary action, up to and including discharge - even for the first offense. In addition, refusal to participate in any part of the program can be considered an act of insubordination and may also lead to disciplinary action, up to and including discharge.

HARASSMENT

It is the policy of Henderson, Knox, Mercer, Warren Regional Office of Education #33 to provide an environment free from harassment of any kind (including sexual harassment) and not tolerate verbal or physical conduct by any employee or individual, which harasses, disrupts, or interferes with another's work performance or which creates an intimidating, offensive, or hostile environment. Henderson, Knox, Mercer, Warren Regional Office of Education #33 is committed to maintaining a workplace where each employee's privacy and personal dignity are respected and protected from offensive or threatening behavior.

Sexual Harassment

Sexual harassment is defined as any use of one person's power and/or authority over another person to attempt to coerce a sexual relationship, or to subject a person to unwanted sexual attention, or to punish a refusal to comply, or to create a sexually intimidating, hostile or offensive working environment.

Sexual harassment is understood to include a wide range of behaviors, including but not limited to the actual coercing of sexual relations, verbal or physical sexual advances, sexually explicit or derogatory statements, and physical aggressiveness such as touching, pinching or patting. Such behavior may offend the aggrieved party, cause discomfort or humiliation and interfere with job performance.

Complaint Procedure:

1. Any sexual harassment complaint by an employee should be communicated to the employee's supervisor. If the complaint happens to be against the employee's supervisor, the complaint should be communicated to the Regional Superintendent. At the time of notification, the employee will be asked to complete a written complaint noting the details of the alleged incident(s).
2. The Regional Superintendent and/or designee will investigate all sexual harassment complaints. This may include, but is not limited to, interviewing the complaining party, supervisors and any other personnel, as required, to obtain sufficient, factual information upon which to make a determination.
3. If, at the conclusion of the investigation, it is found that sexual harassment, in fact, has occurred, disciplinary action up to and including termination may be imposed.

VIRUS DETECTION

All material downloaded from the Internet or from computers or networks MUST be scanned for viruses and other destructive programs before being placed onto the ROE's computer system. Each employee's computer has access to a ROE approved Anti-Virus program and each ROE location employees are responsible for downloading new virus updates when they become available as a virus deterrent mechanism. If an employee finds evidence of a virus, he or she should notify the sender of the e-mail, contact his supervisor immediately, and notify the systems/applications supervisor for verification and dissemination. If an employee should receive an e-mail warning of viruses, this warning should be forwarded to administration for verification and dissemination.

ADMINISTRATION'S RIGHT TO ACCESS INFORMATION

The e-mail system has been installed by Henderson, Knox, Mercer, Warren Regional Office of Education #33 to facilitate ROE communication. Although each employee has an individual password to access this system, it belongs to the ROE and the contents of e-mail communications are accessible at all times by administration for any ROE purpose. These systems may be subject to periodic unannounced inspections without regard to content, and should be treated like other shared filing systems. EMPLOYMENT BACKGROUND SCREENING

It is the policy of Henderson, Knox, Mercer, Warren Regional Office of Education #33 to conduct pre-employment screening and credentials verification on applicants who are offered and accept an offer of employment. Employment background screens are conducted to ensure that individuals who join our ROE are qualified for the position as well as to ensure that our ROE maintains a safe and productive work environment free of any form of violence, harassment or misconduct.

An offer of employment is contingent upon the ROE's receipt of a pre-employment background screening investigation that is acceptable to our organization. Any applicant who refuses to sign the Authorization and Disclosure Form will not be eligible for employment.

All screenings are conducted in conformity with the Federal Fair Credit Reporting Act (FCRA), the Americans with Disabilities Act (ADA), and state and federal anti-discrimination and privacy laws. All reports will be kept confidential and viewed only by individuals of our ROE who have direct responsibility in the hiring process. In accordance with the Fair Credit Reporting Act, all background screens are conducted only after the applicant has received and signed an Authorization and Disclosure Form and Summary of Rights.

Our ROE reserves the right to conduct a background screen any time after the employee has been hired to determine eligibility for promotion, re-assignment, or retention in the same manner as described above.

Background checks may include verification of information provided on the application for employment, the applicant's resume, or on other forms used in the hiring process. Information to be verified includes, but is not limited to, Social Security Number, previous addresses, education, and employment background. The background check may also include a criminal record check. A criminal conviction does not automatically bar an applicant from employment. If a conviction is discovered, Henderson, Knox, Mercer, Warren Regional Office of Education #33 will review the conviction in accordance with the ROE's intent to provide a safe and profitable workplace. Before the employment decision is made, a determination will be made whether the conviction is related to the position for which the individual is applying, or would present safety or security risks, taking into account the nature and gravity of the act, the nature of the position, and age of the conviction.

In addition, a driving record and credit report check may be completed on applicants for particular job categories if appropriate and job-related.

Effective Date: July 1, 2016

Our ROE relies upon the accuracy of information contained in the employment application as well as the accuracy of other data presented throughout the hiring process and employment, including interviews. The purpose of this policy is to protect the ROE and fellow employees. Employees shall not undertake other employment in the same trade, industry, or any business activity that would interfere with their regular work. While you may do as you please outside of normal working hours to augment your income, outside employment shall not be considered an excuse for poor job performance, absenteeism, tardiness, or refusal to work overtime.

Additionally, it protects employees from often, unwanted solicitations from cousins, friends, and neighbors. The ROE forbids an employee from performing any work of the same nature as ours in our market area for any other individual ROE or for themselves. Violation of this offense shall be a reason for immediate termination of employment.

It will not be considered outside employment if the employee is working for himself personally or his immediate family (employee or spouse's mother or father, brother or sister, son or daughter) and is doing so with the knowledge and cooperation of administration.

To maintain a productive work environment, we expect employees to be reliable and to be punctual in reporting for scheduled work. Accurately recording time worked is the responsibility of every non-exempt employee (Exempt employees will complete time summaries for grant/audit purposes only). When time and events must be entered on timesheets, they are to be entered at the exact time the event occurs, and not entered at the end of the workday or the following morning. Both the supervisor and the employee can be held responsible for any of these dishonest actions and may result in criminal prosecution.

The employee shall review and sign the time sheet and then the supervisor will review and initial the time sheet before submitting it to payroll for processing. COBRA INSURANCE

The Consolidated Omnibus Budget Reconciliation Act (COBRA) gives employees and their dependents (qualified beneficiaries) the opportunity to continue health insurance coverage under our health plan when a "qualifying event" would normally result in the loss of eligibility. Some common qualifying events are resignation, termination of employment, or death of an employee; a reduction in an employee's hours or a leave of absence; an employee's divorce or legal separation; or a dependent child who no longer meets eligibility requirements.

Under COBRA, the employee or beneficiary pays the full cost of coverage of the group rates plus administration fee.

We provide each eligible employee with a written notice describing rights granted under COBRA when the employee becomes eligible for coverage under the health insurance plan. The notice contains important information about the employee's rights and obligations.

It is the employee's responsibility to inform the Plan Administrator of the following events for eligibility purposes:

The participant becomes entitlement to Medicare benefits
The participant and spouse become divorced
The participant and spouse become legally separated
A participant's child ceases to be a depend under the plan

FLEXIBLE SPENDING ACCOUNTS (SECTION 125)

Employees can save tax dollars by enrolling in this multi-option plan. This account allows employees to withhold pre-tax dollars from their paycheck to pay:

- Group Health Insurance Premiums

The benefits eligibility date must have been reached for this benefit to become effective. Elections may only be changed during the annual election period, which is from November to December of each year. Allowable expenses include only those that were incurred during the plan year. Expenses may be submitted up to 60 days following the end of the plan year. Contributions not used will be forfeited in accordance with federal law.

JURY DUTY

We recognize and encourage civic participation by employees including serving when called for jury duty. You are expected to inform your supervisor when you receive your notice for jury duty. When an employee is required to serve, we will pay the difference between jury pay and the employee's scheduled hours up to 40 hours per week at regular rate of pay, limited to two weeks maximum per year. Employees on jury duty will be expected to turn in a voucher and work as much of their regularly scheduled shift and days as their jury duty schedule permits.

LEAVE OF ABSENCE

Administration shall have discretion in deciding whether to approve all leaves of absence. A leave of absence shall be determined as any leave, which does not involve paid time off. You should give prompt, written notice of leave of absence, the dates, and expected date of return to administration for approval. If medical related, it should additionally include a doctor's notice stating the nature of the leave. The amount of leave taken must be reduced by the amount of vacation and personal time accrued. To maintain insurance coverage, make arrangements with our Regional Superintendent prior to leaving.

When you are able to return to work, you should give at least one week's notice by presenting a written request to Regional Superintendent. We will make reasonable efforts to return you to the same or similar job you held prior to your leave, subject to business requirements that may exist. Failure to report back to work at the expiration of any leave granted shall be considered a voluntary resignation.

UNIFORMED SERVICES EMPLOYMENT AND REEMPLOYMENT RIGHTS ACT (USERRA)

Any employee, other than temporary and seasonal employees, who leaves active employment for the purpose of being inducted, entering, determining physical fitness to enter, or performing training duty in the Armed Forces or Coast Guard, either by enlistment, draft or recall, will be granted a leave of absence.

Reemployment Rights: You have the right to be reemployed in your civilian job if you leave that job to perform service in the uniformed service and:

- You ensure that your employer receives advance written or verbal notice of your service;

Effective Date: July 1, 2016

- You have five years or less of cumulative service in the uniformed services while with that particular employer;
- You return to work or apply for reemployment in a timely manner after conclusion of service; and
- You have not been separated from service with a disqualifying discharge or under other than honorable conditions.

Upon the expiration of such leave of absence, each employee will be restored to his/her former job classification or to a position of like seniority, status and pay; unless, circumstances of the ROE have so changed as to make it impossible or unreasonable to do so.

MILITARY LEAVE

Any employee, other than temporary and seasonal employees, who leaves active employment for the purpose of being inducted, entering, determining physical fitness to enter, or performing training duty in the Armed Forces or Coast Guard, either by enlistment, draft or recall, will be granted a leave of absence.

Upon the expiration of such leave of absence, each employee will be restored to his/her former job classification or to a position of like seniority, status and pay; unless, circumstances of the ROE have so changed as to make it impossible or unreasonable to do so.

PERFORMANCE EVALUATION

At periodic intervals, performance reviews are conducted. Evaluation and discussion on feedback will not always be in written form as administration considers informal verbal feedback equally important as written feedback. The purpose of the evaluation is to determine the effectiveness of each employee in his/her position in terms of the applicable job description.

Factors to be considered in such evaluations include attitude, dependability, punctuality and attendance, appearance/grooming, quality of work, along with overall rating and recommendations for improvement. The results of performance reviews will be discussed with each employee in confidence.

FAMILY & MEDICAL LEAVE OF ABSENCE POLICY

General Provisions:

It is the policy of this ROE to grant up to 12 weeks of family and medical leave during a 12 month rolling year to eligible employees, in accordance with the Family and Medical Leave Act of 1993 (FMLA).

In order to qualify to take family or medical leave under this policy, the employee must meet all of the following conditions:

1. The employee must have worked for the ROE for 12 months.
2. The employee must have worked at least 1,250 hours during the twelve-month period immediately before the date when the leave is requested to commence.
3. The employee must work in an office or worksite where 50 or more employees are employed by the ROE within 75 miles of that office or worksite.

Type of the Leave Covered:

In order to qualify as FMLA leave under this policy, the employee must be taking the leave for one of the reasons listed below:

Effective Date: July 1, 2016

1. the birth of a child and in order to care for that child;
2. the placement of a child for adoption or foster care, and to care for the newly placed child;
3. to care for a spouse, child, or parent with a serious health condition;
4. the serious health condition of the employee.

Service Member Family and Medical Leave:

An eligible employee who is the spouse, son, daughter, parent, or next of kin of a covered servicemember who is recovering from a serious injury or illness sustained in the line of duty is entitled to up to a combined total of 26 weeks of leave in a single 12-month period to care for the servicemember. This leave is available during a single 12-month period during which the employee is entitled to a combined total of 26 weeks of all qualifying FMLA leaves.

Employee Status After Leave:

An employee who takes leave under this policy will normally be able to return to the same position, or an equivalent position if the previous position is no longer available.

The ROE may choose to exempt certain key employees from leave. If an employee falls within this “key employee” exception, he/she will be notified after requesting, and before taking leave.

Use of Paid and Unpaid Leave:

An employee must apply earned vacation time and personal time toward the 12-week period allowed for an approved leave of absence pursuant to this policy. There is no other compensation paid by the ROE other than the payment for earned vacation and personal time noted above during a leave of absence. During the period of any unpaid leave of absence under this policy, an employee must arrange to pay the premium contributions for continuation of his or her group health insurance coverage, if applicable.

Certification of the Serious Health Condition:

The ROE requires medical certification of serious health conditions. The employee must respond to such a request within 15 days of the request. Failure to provide certification will result in denial of leave. Medical certification is provided by using the Medical Certification Form if it is the employee’s own serious health condition.

If leave is requested to care for a family member with a serious health condition, the medical certification must include an estimate of the amount of time the employee will be needed to care for the family member.

Procedure for Requesting Leave:

When an employee plans to take leave under this policy which is foreseeable (such as the birth, adoption or placement of a child or a planned medical treatment), notice must be in writing to the employee’s supervisor. If it is not possible to give 30 days notice, the employee must give as much notice as is practicable. An employee who is to undergo planned medical treatment is

required to make a reasonable effort to schedule the treatment in order to minimize disruptions to the ROE's operations.

VICTIMS' ECONOMIC SECURITY AND SAFETY ACT

In accordance with the Victims' Economic Security and Safety Act, the ROE will provide to their employees, unpaid leave up to 12 weeks per rolling year for an employee who is a victim of domestic or sexual violence or has a family or household member who is a victim of domestic or sexual violence whose interests are not adverse to the employee as it relates to the domestic or sexual violence. This act does not create a right for an employee to take unpaid leave that exceeds the unpaid leave time allowed under, or is in addition to the unpaid leave time permitted by, the federal Family and Medical Leave Act of 1993.

Application for Leave/Notice by Employee

Any employee who desires a leave of absence pursuant to this policy must complete, sign, and submit an application for leave of absence to his or her immediate supervisor. If an employee engages in other work or employment during the leave of absence, the employee will be considered to have violated the terms of the leave of absence, and to have voluntarily terminated his or her employment with the ROE.
3. If an employee is granted a leave of absence on an intermittent basis or on a reduced schedule basis, the ROE may require the employee to temporarily transfer to an alternative position that accommodates the employee's recurring absences or part-time schedule.
4. If at the time of applying for a leave of absence or during the leave of absence the employee intends not to return to work or decides not to return to work after the completion of the leave of absence, the employee will be liable and required to reimburse the ROE for the cost of payments made to maintain the employee's benefits during the leave of absence.

Compensation and Benefits during VESSA

An employee may apply earned vacation time and personal time toward the 12-week period allowed for any approved leave of absence pursuant to this policy. There is no other compensation paid by the ROE other than the payment for earned vacation and personal time noted above during a leave of absence.
