

# WESTSIDEDOGSLA

Thank you for choosing Westside Dogs LA to be your number one dog walking and pet service business! We are honored that you chose us to treat your pup with first class care.

At Westside Dogs LA, we are a local boutique company that believes communication is the most important part of our business. After all, we take care of your children! Because of this focus, you will receive a text message after every walk that states your pup's pick up and drop off times, a brief synopsis of their walk, as well as photos. This clear communication will leave you never worried again! Plus, you will have more photos to show your grandkids! We value you as a customer and want you to have the best experience possible.

We will be your primary point of contact at the company. Please feel free to contact us with any questions, comments, suggestions and concerns. We are like a second family and are open to, as well as encourage, your feedback at any time.

We can be reached during regular business hours in the following ways:
