

Colorado Military Academy

Greetings CMA Class of 2022 parents!

Our school year is rapidly approaching, so we would like to make sure that all new freshman are aware of the uniform requirements. Returning freshman that are Civil Air Patrol (CAP) members are required to be in their CAP uniform starting the first day of class. Most days cadets will wear BDUs/ABUs. Cadets will not be required to wear blues until they receive their first promotion and a \$100 voucher from Vanguard for purchasing blues. (Note: the school PE uniform will be available from French Toast; CMA will publish those details in the near future.)

All freshman still in the process of joining CAP (i.e. "CAP Candidates") are required to wear BDU trousers, solid black t-shirt, BDU belt, black socks and solid black shoes/boots. CAP will issue one set of BDU trousers to each CAP Candidate the first day of school.

All items may be found at AAFES, local thrift/surplus stores, or you can order on-line at these and other websites:

If your cadet wishes to start CAP now, meetings are every Friday, 1600-1800 (4-6pm) at CMA.

You may try-on and pick-up BDU pants during the CAP meetings on Fridays, or anytime on August 14th.

Sincerely,

NICOLE ROBERTS, Lt Col, (Retired), USAF
CMA Commandant
