

ABOUT THE HOME

- LA Modern, custom, open-concept design by Hamilton Group deliberately brings the outdoors in.
- Designed and constructed with striking angles, floor-to-ceiling glass walls, and sizeable sliding glass doors frame the expansive views and provide light-filled spaces.
- Luxurious chef's kitchen features custom commercial laminate cabinetry, 12-foot-long waterfall edge island, and top of the line Miele appliances.
- Lavish walk-in pantry complete with substantial storage space and second refrigerator, freezer, and wall oven.
- Custom-designed floating metal and oak staircase are the perfect complement to the 2-story window setting.
- Upstairs loft-like play area opens to the large balcony and two additional en-suite bedrooms.
- Spacious backyard with custom pool, outdoor living areas, and back porch fireplace create the perfect place to relax and unwind.
- Sumptuous master suite holds a fireplace, views, and access to the backyard, generous walk-in closet, and luxe shower.
