Laughter Is The Best Medicine

The graveside service just barely finished, when there was a massive clap of thunder, followed by a tremendous bolt of lightning, accompanied by even more thunder rumbling in the distance….The little old man looked at the Pastor and calmly said, “Well, she’s there”

It’s not over yet! I hope this month of August finds you keeping cool, beating the heat, and enjoying some summer fun! Although many of you are traveling to spend time with family and friends, we still have lots of sunny day activities going on here at The Harvest Years. Please check out our activities calendar and our August lunch menu. Stop in any weekday!

Some pre-planned fall fun awaits you as well. We will once again hold our 2nd Yard Sale of the year on October 27th. Many helping hands are needed to make this a success. Another event to look forward to is our Annual Arts and Crafts Fair scheduled for Saturday, November 3rd. Please contact us if you are willing to volunteer for either of these special fundraising events.

A big “Thank You” to the Delaware Transit Corporation! We have received our new white handicapped accessible van and we will now be able to rollout our medical appointment program in August. You can look forward to more information shortly. Give us a call in August and we can discuss the details of this new program with you.

August is Volunteer Appreciation Month here at The Harvest Years. Throughout the month we will be giving away prizes for our volunteers! We will also celebrate these dedicated members and all of the time and energy that they give to us with a special luncheon in their honor. Please stop in, cool down, and enjoy a good lunch and some fun.

As always, we welcome any new project ideas, trip suggestions, member activities or comments. As we move into a new fiscal year, please feel free to utilize the suggestion box as well, that is placed by the front desk.

Enjoy the last month of the Summer - 2018!

Come in and join us for a Root Beer Float!!

Activity Notes
by Diane Amoroso

The “Dog Days of Summer” are upon us. It’s seems almost impossible that we are into the month of August. Time is certainly flying by.

Part of the reason time is going by so quickly is that we are so busy here at The Harvest Years. As they say “Time flies when you’re having fun!” We have gone on many very successful trips to date and have had so much fun and experienced so many exciting things. In August we have four trips scheduled and they are all ‘sold out’.

There is still time for you to sign-up on some of the remaining trips for 2018. The musical “Treasure Island” is showing at the Fulton Theatre with lunch at Shady Maple in Lancaster. If you enjoy the old-time type of musicals this is a show you do not want to miss. Sing along songs, dancing, beautiful costumes and a delicious Dutch Smorgasbord Luncheon. The date is: Wednesday, October 10th. Please call to sign up for this fabulous show!

Before long 2019 will be here and I’ve been working on several day trips and two overnight trips. We will be having our Annual Trip Meeting on Friday, October 26th at 1 PM. You are all invited to attend and discuss trips that you may like to see happen in 2019.

After a marathon session that started at 6 PM on June 30, the Senate and the House of Representatives completed their work on legislative and budget matters for 2018 at 8:30 AM on July 1. This year was marked by a significant rebound in state revenue from last year when we were faced with a large deficit. Here’s a roundup of some of the most significant issues.

Of major concern to senior citizens was the Grant-In-Aid bill. This is the bill through which the State supports senior centers, fire companies, veteran organizations and non-profits. Last year, because of the deficit, the General Assembly cut all those organizations by 20% across the board, creating serious budgetary problems for them. As we finished out fiscal year 2018, though, we were able to fully restore the 20% cut. Senior Centers, in particular, breathed a sigh of relief. Now, they can continue working to meet the needs of their members without this cut hanging over their heads.

In other budget matters, the State set aside nearly $50 million in cash to help ease what many think will be another bad year for state revenue next year. By not spending this money this year, we can help offset some of any shortfall that may occur. I believe this demonstrates a healthy level of fiscal restraint and responsibility that speaks well for our State.

Also of interest to seniors, the General Assembly limited the applicability of the $400 credit against school taxes to only those seniors whose income is below $50 thousand. This preserves this assistance for those most in need.

Two bills of particular importance to Kent County were the “casino bill” (Senate Substitute 1 for Senate Bill 144) and Senate Bill 90. These were both my bills. The casino bill was finally passed into law toward the end of June. It reduces the State’s “take” from the casinos, thus partially correcting the serious mistakes we have made in the past in our financial relationship with that industry. SB 144 goes a long way toward protecting the jobs of more than 2,300 people in Kent and northern Sussex Counties. I have been working on this bill or its predecessors for several years. The bill is very important to the economic health of our area.

SB 90 was also a long time coming. It finally adds a fourth year to the Inspire Scholarship at Delaware State University. The General Assembly first created the Inspire Scholarship in 2010 but limited it to only the first three years of a four year degree. Many of the Inspire Scholars were left high and dry after three successful years in the University. Now, as long as they keep their grades up, they can go to Del State tuition free for the full four years.

Another bill of interest to many was the minimum wage bill. The last time the General Assembly passed an increase in the minimum wage was 2014. This year’s bill will increase the minimum wage from $8.25 per hour to $8.75 as of October 1 of this year and then to $9.25 as of October 1 of next year. We also added two categories of sub-minimum wages: workers under the age of 18 and new workers 18 or over during their first 90 days on the job. Each will have a minimum wage $.50 below the regular.

Dover, DE - The most common method your doctor will recommend to treat your neuropathy is with prescription drugs that may temporarily reduce your symptoms. These drugs have names such as Gabapentin, Lyrica, Cymbalta and Neurontin, and are primarily antidepressant or anti-seizure drugs. These drugs may cause you to feel uncomfortable and have a variety of harmful side effects.

Peripheral neuropathy is a result of damage to the nerves often causing weakness, pain, numbness, tingling and most debilitating balance problems. This damage is commonly caused by a lack of blood flow to the nerves in the hands and feet which causes the nerves to begin to degenerate due to lack of nutrient flow.

In order to effectively treat your neuropathy three factors must be determined
• What is the underlying cause?
• How Much Nerve Damage Has Been Sustained.
   NOTE: Once you have sustained 85% nerve loss, there is likely nothing that we can do for you.
• How much treatment will your condition require?

The treatment that Dr. Steve Goldschlager, D.C. provides has three main goals
1) Increase blood flow
2) Stimulate small fiber nerves
3) Decrease brain-based pain

Dr. Steve Goldschlager, D.C. will do a neuropathy severity examination to determine the extent of the nerve damage for only $60.00 for the first 25 callers. This neuropathy severity examination will consist of a detailed sensory evaluation, and a detailed analysis of the findings of your neuropathy.

Call 302-735-5501 to make an appointment to see if Dr. Goldschlager can help you.

Note: We are located at 77 Greentree Drive in the Greentree Shopping Center.
