

Clifford Township Parks and Recreation Board Meeting Minutes 10/23/19

Present: Bob Lopatofsky, Darrin Larkin, Jennifer Long, Corey Gesford

Absent: Patti Walker, Andrea Janick, Tom Roberts

The meeting was called to order at 7:05pm.

The September meeting minutes were approved.

It was suggested that more visible signage was needed for the Children's Garden, possibly something visible from the lower parking lot.

Some of the funding from the DCNR grant for the multi-purpose court may be disqualified. The township solicitor is drafting a response to the concerns.

The township is interested in bidding on a property that is for sale. A land acquisition grant could be used to fund some of the purchase cost.

Some larger rocks have been moved to create a stream crossing area when the water levels are low.

A shower is being installed in the building to meet requirements of the Red Cross to be designated as an emergency shelter area.

The Truck or Treat event is scheduled. The weather looks like it will be very nice. Some new additions have been made to the event.

Creating a park map was discussed. Darrin Larkin mentioned that his nephew is interested in working with the park for his Eagle Scout project.

The meeting was adjourned at 7:50pm. Next meeting will be on 11/27/19 at 7pm.
