

## Topical Index August, 2016

### Attitudes

#### That Cause Trouble

##### ~Spiritual Warfare 2: Ranks & Weapons – August 1, 2016

- **God is SO HOLY** – we cannot see how sinful we are, write off what we do that offends Him, but we think nothing of it. But those sins do MUCH harm. Thinking bad thoughts/**criticizing** another literally wounds their spirit. AND you are putting lashes on Jesus, too. In effect, putting Him back on the Cross. Pushes unbelievers further away from salvation. Open doors for demons to enter and oppress you. (synopsis under: **Demons/Spiritual Warfare**)

##### ~Critical Spirit and Open Door – Spiritual Warfare 3 – August 3, 2016

- **Pride, Judgment & Critical Spirit** are absolute poison. They are a fast door-opener to demons. Jesus allows **suffering for these attitudes**. Part for your correction. Part to comfort that person/spiritual healing. Part as a fast offering for souls. (synopsis under: **Demons/Spiritual Warfare**)

### Believers

#### Carnal/Naysayers

##### ~Donald Trump Elected, Prophetic Dream – August 10, 2016

- Jesus spoke at the end: Lay down your lives and **stand beside Me now against Satan**. Calling you for next 3 years, give Me your whole hearts as an offering for this country and world. Can I count on you to back Me up? **Some are** wrapped up in their own lives – begin to walk the straight path. **Some will not listen** to this message: your lives will become increasingly difficult as I allow it. Return to Me! Stop dividing My Body! Wake up and stand on the right side. **My Faithful Brides** – I will visit you with choice blessings. Together, we shall do valiantly. (full synopsis under: **Trump, Donald/Election**)

##### ~Spiritual Warfare 2: Ranks & Weapons – August 1, 2016

- **The channel/we** are and will continue to be the target of vicious attacks for what is being taught. Do not allow the poison of the **naysayers** out of curiosity. (synopsis under: **Demons/Spiritual Warfare**)

#### True to Jesus

##### ~Donald Trump Elected, Prophetic Dream – August 10, 2016

- Jesus spoke at the end: Lay down your lives and **stand beside Me now against Satan**. Calling you for next 3 years, give Me your whole hearts as an offering for this country and world. Can I count on you to back Me up? **Some are** wrapped up in their own lives – begin to walk the straight path. **Some will not listen** to this message: your lives will become increasingly difficult as I allow it. Return to Me! Stop dividing My Body! Wake up and stand on the right side. **My Faithful Brides** – I will visit you with choice blessings. Together, we shall do valiantly. (full synopsis under: **Trump, Donald/Election**)

##### ~Secret Weapons of Satan Exposed, Used Daily on Us All – August 12, 2016

- Without being filled with the power of Holy Spirit, **a believer** can't resist being critical and selfish – they open doors, the demons rush in and they become seriously oppressed. (full synopsis under: **Demons**)

## Blasphemy

~Is Still Small Voice A Study in Blasphemy? Is Clare duBois Possessed? – August 6, 2016

### **synopsis:**

- What is **blasphemy**? definition given. Many out there saying ugly things, but don't take the time to see if true. Much is misrepresented/distorted. Before you believe the lies, search it out yourself.
- NEVER has Clare inferred ANY sexual contact with the Lord! **HE IS HOLY** and A VIRGIN. Anyone who even considers this to be true OF JESUS is **carnally minded**.
- Was **Jesus a "real man" on Earth**? Yes! Many Scriptures to follow: He ate, slept, cooked, cried, got hungry, etc. So – is He STILL a man? or a statue with no feelings? He lives INSIDE of us. Should He not also share emotions with us?
- What is the Song of Solomon in Scripture for? To show God's desire of a **relationship** with us that is tender and intimate with us – like a husband to a bride!
- We are hated and lied about on this **channel** because Satan does NOT want you to encounter God/Jesus as He is! His LOVE will convert people – and make them real dangers to the kingdom of Satan.
- Clare's transparency is to show other people that you don't have to pretend to be perfect as a Christian. WE ARE ALL able to mess up and God will still love us. People are tired of "Christians" pretending to be perfect, condemning those who fall. They want REAL JESUS – not the **Religious spirit/Pharisees** they see around them.
- Look for the fruit of this channel – any channel. Even a child can tell which is sweet, good **fruit** and which is bitter, bad fruit. Look at the fruit of anyone you hear and discern!!

## Bride of Christ

### **All Brides**

~Donald Trump Elected, Prophetic Dream – August 10, 2016

- Jesus spoke at the end: Lay down your lives and **stand beside Me now against Satan**. Calling you for next 3 years, give Me your whole hearts as an offering for this country and world. Can I count on you to back Me up? **Some are** wrapped up in their own lives – begin to walk the straight path. **Some will not listen** to this message: your lives will become increasingly difficult as I allow it. Return to Me! Stop dividing My Body! Wake up and stand on the right side. **My Faithful Brides** – I will visit you with choice blessings. Together, we shall do valiantly. (full synopsis under: **Trump, Donald/Election**)

### **Charity (Love)**

~Secret Weapons of Satan Exposed, Used Daily on Us All – August 12, 2016

- We open the doors by bad behavior – inviting demons by what we feel and think, as well as actions and words. **Heart of the whole problem**: they are held in place, held open by **sinful habits**. It would take saintly charity, and saying/thinking/feeling NOTHING not to sin. Good luck with that! We get rid of doors through a commitment to **HOLINESS** and **CHARITY**.
- JESUS is the answer. Fruit of the spirit: self-control. Once doors/**demons** are removed, we need supernatural **Charity**. ONLY place to get that is with the Lord – primarily through deep worship/intimate communion with Jesus. Our power to overcome our flesh IS from HS. The Trinity fills us with Their love, strength, wisdom and anointing during intimate prayer/worship time. We emerge so full of brotherly love, it doesn't occur to be angry, judge – we overlook the things of the flesh, loving our brother more than ourselves (full synopsis under: **Demons**)

## Clare Stories/Explains a point

### ~Critical Spirit and Open Door – Spiritual Warfare 3 – August 3, 2016

- **Clare explains:** she & Ezekiel praying Binding Prayer when she realized - what good is it if in the next moment become Critical/judging/etc. **Clare story:** when living on the mountain, suspected possibly innocent people of being Satanists, because real ones WERE there. Don't assume! **Clare:** many times finds herself critical over the way spouse does things, others do them, wasting her time. The cure? **Brotherly love.** Think back to when YOU did that. Call to mind their wonderful virtues/faithfulness to you. Humble yourself! (synopsis under: **Demons/Spiritual Warfare**)

### ~More Powerful Than Fasting, Spiritual Warfare – August 13, 2016

- **Clare:** whatever size your “vessel” is, that is what is filled. Thimble, gallon, barrel – all will be filled to capacity in **Heaven.** (full synopsis under: **Love of God**)

### ~Secret Weapons of Satan Exposed, Used Daily on Us All – August 12, 2016

- **Clare story:** battle over the “open window” with her and Ezekiel. Root of it: Pride. Opens multiple doors for demons to enter in BOTH of them. Solution: repent, ask forgiveness, pray demons into the abyss, apology to Ezekiel. And then are STILL open doors!! This is not easy! Demons affecting Ezekiel now, too. Same process. (full synopsis under: **Demons**)

## Clare Visions/Dreams

### ~Donald Trump Elected, Prophetic Dream – August 10, 2016

- **Clare dreamt about Trump.** Had signature of Holy Spirit, discerned it to be.
- Dream, Scene One: People at the polls, simple people, not the wealthy. 7 booths set up with monitors. Man comes, “Let’s check these first.” ALL the booths are corrupt – last one will even let you vote 3 times! Everyone waiting takes out paper and pen, writes the name of Trump and puts the papers in a collection box.
- Dream, Scene Two: Polls closed, votes to count. One girl tries to begin before monitor sits with her. Chided for it. Then she tries to throw out a misspelling of “Trump”. Chided again. Lots of stress and tension in this voting station.
- Dream, Scene Three: Obama sitting at table in fancy dining hall. Michelle: It’s good! Ahead in the polls 2 -1! Official comes in, gives the correct winner – it’s Trump. Jaws drop in astonishment. (btw, there are rumors of Obama running for a third term, but the Lord never verified that with Clare. This is the first indication of that.)
- Dream, Scene Four: small town airport – Clare in line waiting for new president. He arrived in a large jet, but came to a small place no-one would have expected for acceptance speech. Trump a **HUMBLED man**, deeply HUMBLED by it all. End of dream. (full synopsis under: **Trump, Donald/Election**)

## Conditional Promises from the Lord

### ~Jesus Gives Us 3 More Years, Conditionally – August 5, 2016

#### **synopsis:**

- His people have been faithful to pray – and God is moving His Merciful Hand once again. Jesus: we now have three years – providing **prayer**, repentance and fast offerings continue. He wants to see conversion of hearts and attitudes.
- If His people are faithful, He will hold off the worst of **WWIII**. There will be time for works for the Kingdom.

- **Russia** – mighty praying force. They do not want war.
- Bottom line: there are those who have not been working for the Kingdom, serving Him with their hearts, just biding their time **waiting for the Rapture**. He is giving them another chance.
- Those who **HAVE** been faithful – this is a blessing. He will open doors that weren't open before. Message to give peace that there is time yet to finish what they were assigned to do. At end of three years – He will take another look, see how much has been changed back to His ways, how many hearts have turned back.
- It is **CONDITIONAL to prayer/fasting/repenting**. At this point, there already has been a substantial change in hearts.
- His **MERCY** is great. His love for souls is great – that's why the delay.
- Clare: Jesus is giving us 3 more years to prove our love for Him, to serve and live for Him. Let's rejoice, be faithful and take advantage of this extra time for Him.

### Demons:

#### **Demon Attacks/Doors/Corrals**

##### **~Healing & Walking in Victory/Spiritual Warfare 6 – August 29, 2016**

- **A soul must be ready for healing.** The circumstance that allowed the sickness must run its course, then the sickness can be healed. Soul must walk in what the Lord has done, in faith – or repeated attacks will steal the healings. Lying symptoms will try to remove it. **Open doors** from sin will allow the sickness back in. A **critical/judgmental attitude** is a major cause for allowing in sickness. In order to maintain healing, you must be walking in a sufficient level of holiness – or you allow the demons to return through sin. (full synopsis under **Healing**)

##### **~How We Develop Blind Spots – August 4, 2016**

#### **synopsis:**

- Clare: the Lord used a **song** from my worship to **speak to** me about a situation today.
- Jesus: **Never be afraid to be wrong.** ALWAYS care about the Truth. If Truth comes first, the demons have no leverage on you. Nothing wrong with being wrong. Everything wrong with being in denial that you are.
- Souls convinced of their own rightness allow an **Obtuse Spirit**. Makes you blind to the Truth. Narrows and limits your world/life.
- Jesus leads us through many paths to break and reform us. All for our good, all for the Body. He is purifying His vessels now, so don't be surprised to find blind spots in life. **Always be concerned about missing Truth.**

##### **~I Am Leading You Into Your Dreams; Trust Me – August 28, 2016**

- New levels, **new devils**. As we advance, the enemy assigns new, more crafty demons. Now we are in a position to steal more from the kingdom of darkness, we are a bigger threat.
- He knows us, better than we know ourselves. We must trust that He is doing what is best for and in us. Even when it seems the **WRONG** direction. We cannot just go from point A to point B – first **we must be cleansed** of many faults, so that we **stop opening doors** for the demons to flood through. (full synopsis under **Kingdom of God**)

##### **~Secret Weapons of Satan Exposed, Used Daily on Us All – August 12, 2016**

- Four kinds of sources for **oppression**:
  - Doors that open because of sin

- Demons, who open the doors and then flood in
- Energy-vampire demons that suck energy from you
- Corralis – energy fields that isolate you from feelings, others, work, **esp. spouse.**  
**They will also get in the way of healing.** Also Blocks, blocking your way from what you want to do FOR the Lord.
- **Do NOT judge others!** The demons are just waiting for that door to open. Then, we draw others into our criticalness/judgment and THEY get open doors. LOVE MUST RULE THE DAY! Criticism/judging literally **makes a soul bloody, wounded, even crucified in the spirit.** Even when you do something in your head, it sends wounds to that person. Or they wound you and healing is needed. Be wise as serpents, gentle as doves! (full synopsis under: **Demons**)

**~Taking Ground From the Enemy/New Wave of Demonic Assign.– August 30, 2016**

**synopsis:**

- **New demonic assignment** to twist words and distort meanings and intentions. Communication breakdowns. Understand you are in a war – we need to be ever so careful in what we think or say, the Lord is holding us to a higher standard than ever before. Don't try to be "right" – just love.
- Clare and Ezekiel got crosswise. **Ezekiel in evening prayers** – the Lord rose up within him and sternly rebuked the Devil for all the havoc of all the years!!!
- **Vana Lawser** word: Hammer coming down on intense situations – Divine Clincher. People rising up against the enemy. Encounters with Jesus to come will be Profound and Glorious!
- Jesus: **My people – be authentic.** Do not try to copy other's ministries – you each have your own unique place. When you fulfill that place, you bring others to Me in a profound way.
- **Take ground from the devils!** You have My Name for your authority. When will you get your fill and say, "Enough!"
- **There is virtue in suffering, but no room for cowards.** Arise and do not let the enemy walk over you.
- A new standard is being raised for all Christians. Contend with the enemy for new ground, healing, justice. Go on the offensive against the enemy now!
- Clare – normally passive, but needs to learn to rise up now. We are doing all we can in our lifestyle now to live at the minimum, so that the **channel's gifts can be used for the benefit of the poor and suffering around them.**

**~When Giving Up is NOT an Option/Part 3/Ezekiel interview – August 25, 2016**

- Clare explains how we **open doors** for the enemy through sin like self-pity, etc. And then you need to go to the Lord to repent and deal with it. (full synopsis under **Ezekiel Stories/messages**)

**Demons/Spiritual Warfare/Protection From**

**~Do Not Be Satisfied With Past Accomplishments – August 16, 2016**

- Daily learning more and more of the **enemy's tactics.** Please share any results you are having with what we have shared. New to us. One thing essential: Baptism of Holy Spirit and **tongues.** Don't be embarrassed to yield your tongue to Holy Spirit. Don't allow embarrassment to keep you from receiving power gifts from the Lord.
- Satan knows what gifts accompany tongues/Baptism. So he will do everything he can to discourage it. If it were not vital to **spiritual warfare,** he would not work so hard to discredit

it! You may not know what Holy Spirit is praying – but the demons get it. Nothing he does will stand against tongues. (full synopsis under: **Holy Spirit/Gifts/Talents from HS**)

~**Healing Tools in the Hands of Love – August 18, 2016**

- Clare: we are learning new things about **spiritual warfare**. New: we are composed of layers – aligned perfectly, one on top of the other. Trauma “mixes up” the arrangement, opening space for a demon to enter in. If they are not healed and properly re-aligned, the person is open to further twisting and distortion, opening more doors for demons to enter. She had problem with Perfectionism from childhood. The “spiritual surgery” to remove and heal is exhausting! (full synopsis under: **SSV/ To the Heartdwellers**)

~**Secret Weapons of Satan Exposed, Used Daily on Us All – August 12, 2016**

**synopsis:**

- Address 2 things: **Spiritual Warfare** and **Healthy Marriage**
- **Clare story:** battle over the “open window” with her and Ezekiel. Root of it: Pride. Opens multiple doors for demons to enter in BOTH of them. Solution: repent, ask forgiveness, pray demons into the abyss, apology to Ezekiel. And then are STILL open doors!! This is not easy! Demons affecting Ezekiel now, too. Same process.
- Four kinds of sources for **oppression:**
  - Doors that open because of sin
  - Demons, who open the doors and then flood in
  - Energy-vampire demons that suck energy from you
  - Corrals – energy fields that isolate you from feelings, others, work, **esp. spouse**. **They will also get in the way of healing.** Also Blocks, blocking your way from what you want to do FOR the Lord.
- Clare: even the **cats and dog** had oppression that was separating them from us and each other.
- We open the doors by bad behavior – inviting demons by what we feel and think, as well as actions and words. **Heart of the whole problem:** they are held in place, held open by **sinful habits**. It would take saintly charity, and saying/thinking/feeling NOTHING not to sin. Good luck with that! We get rid of doors through a commitment to **HOLINESS** and **CHARITY**.
- JESUS is the answer. Fruit of the spirit: self-control. Once doors/**demons** are removed, we need supernatural **Charity**. ONLY place to get that is with the Lord – primarily through deep worship/intimate communion with Jesus. Our power to overcome our flesh IS from HS. The Trinity fills us with Their love, strength, wisdom and anointing during intimate prayer/worship time. We emerge so full of brotherly love, it doesn't occur to be angry, judge – we overlook the things of the flesh, loving our brother more than ourselves.
- Examples of intimate Jesus lovers: Kari Jobe and songs, Heidi Baker and Africa orphanages. **Channel is under attack** because this is EXACTLY what we teach here: personal, intimate relationship with Jesus, who empowers us with the Holy Spirit. Who helps us to Love others, which keeps the doors SHUT.
- Without being filled with the power of Holy Spirit, **a believer** can't resist being critical and selfish – they open doors, the demons rush in and they become seriously oppressed.
- Instructions on **how to bind/send demons to abyss**.
- **Do NOT judge others!** The demons are just waiting for that door to open. Then, we draw others into our criticalness/judgment and THEY get open doors. LOVE MUST RULE THE DAY! Criticism/judging literally **makes a soul bloody, wounded, even crucified in the spirit**. Even

when you do something in your head, it sends wounds to that person. Or they wound you and healing is needed. Be wise as serpents, gentle as doves!

### ~Spiritual Warfare 2: Ranks & Weapons – August 1, 2016

#### synopsis:

- Clare/Ezekiel came under attack. Kept coming back day after day. Why? Jesus: there are more than you can number. **Demons** – work through open doors. They are very little and must work in groups – often very large ones. Specific ranks, divisions, leaders. Heads are Principalities. This one will attack wide areas of people all at the same time. Disease could have hundreds working together. Never be able to name each one – BUT with a blanket of genuine, heart-felt love, you pray and **Jesus will heal**. Dr. friend learning demons for EVERYTHING. One disease could have dozens of demons assigned to it.
- **God is SO HOLY** – we cannot see how sinful we are, write off what we do that offends Him, but we think nothing of it. But those sins do MUCH harm. Thinking bad thoughts/**criticizing** another literally wounds their spirit. AND you are putting lashes on Jesus, too. In effect, putting Him back on the Cross. Pushes unbelievers further away from salvation. Open doors for demons to enter and oppress you.
- Jesus: He is more powerful than all demons put together. He allows them to sift us, get our attention. We have no idea how complicated the spiritual world is. ALL “worth” is in **Jesus’ shed Blood**. We have no worth in this.
- Those who already have been rejected/wounded are more vulnerable to attack. You can’t help but respond to them with Pride – but you can prevent it if very careful. Charity, brotherly love and humility **MOST IMPORTANT VIRTUES**. We MUST make progress in these every day to stay out of demonic attack. THE most important & sophisticated weapon of spiritual warfare: Genuine Love and **Prayer**.
- **Gifts** are allowed in direct proportion to **humility and genuine love for brother**. Always expect to be humbled before a gift is given. What is humility? The certainty that YOU are least of all, at the bottom of the ladder. Holy angels rush to help the humble – not so much the proud.
- **The channel**/we are and will continue to be the target of vicious attacks for what is being taught. Do not allow the poison of the **naysayers** out of curiosity.

### ~Spiritual Warfare 3/ Critical Spirit and Open Door — August 3, 2016

#### synopsis:

- **Pride, Judgment & Critical Spirit** are absolute poison. They are a fast door-opener to demons.
- **Clare explains:** she & Ezekiel praying Binding Prayer when she realized - what good is it if in the next moment become Critical/judging/etc.
- Jesus allows **suffering for these attitudes**. Part for your correction. Part to comfort that person/spiritual healing. Part as a fast offering for souls.
- Jesus: even holding a critical spirit in your heart/thoughts without speaking them opens a door. You must repent – and then pray for that person to be healed. This is a **spiritual law**. Say NOTHING evil about another!
- **Clare story:** when living on the mountain, suspected possibly innocent people of being Satanists, because real ones WERE there. Don’t assume! **Clare:** many times finds herself critical over the way spouse does things, others do them, wasting her time. The cure?

- Brotherly love.** Think back to when YOU did that. Call to mind their wonderful virtues/faithfulness to you. Humble yourself!
- Again: stay OUT of the **news!** You become complicit in the lies told/arguments/judgments. Perhaps safe to get news from a missionary source, but NOT the politically controlled media. Jesus will send you what is important for you to know. Watch, also, over your phone conversations/correspondence, etc.
  - Jesus: bitterness/critical hearts in many – has **opened doors in marriage** and families. We pass on our examples to our children. We tie Jesus' hands as far as protecting us against attacks when we keep opening the doors to the demons. Keep very strict vigilance over our thoughts and words. Anything negative – immediately renounce it. If you entertain it – repent asap and pray for those you injured.

### Elderly/Old Age

#### ~Golden Grace-Filled Years, Elderly, Best Wine Last – August 19, 2016

##### **synopsis:**

- Jesus: praying for others has a price tag. (Clare was experiencing increased Fibro pain.) She is one of a group chosen to carry a **cross for Trump. Intercession brings suffering.**
- Jesus: these voluntary sufferings are averting the mountain of threats against Trump. Do not get discouraged by the **crosses** that come – big or small. There are rewards for them all.
- Jesus: I have engineered that the **older** you get, the closer you get to Heaven. Daily busywork is lifted, and you are freed to come deeper into a relationship with Me than ever before. So few understand the beauty of this – they get caught up in what they think are failures of the past.
- At **old age** we can pray for family and others, have wisdom at how fickle the lust for things is. Use the wisdom Heaven has given the old for the sake of the younger. This can be the richest time in life! Now is the time to take on assignments of Heaven. These are the years when wisdom is at its height!
- However, many have accepted the world's thinking: old age is worthless. **Satan** has relegated these last years to being a waste of time and money for the more productive. No longer a plus to society. Tragedy that our culture does not treasure old age for what it is.
- Now is the time to learn to use the **Internet**, to give wisdom and encouragement. Those with arthritis can make use of speech to text operations on the computer. There are many ways to be useful to the Kingdom, even with physical difficulties/crosses to bear.

#### ~The Best Wine for Last, Jesus is Calling All Seniors to Pray – August 20, 2016

##### **synopsis:**

- Clare: the Lord was bringing up all the songs in worship that she and Ezekiel have written – a sweet reminder that **works in older age** are still valid. And that you can touch one soul with a letter – but potentially thousands with a song.
- Clare vision: **dancing with Jesus**, wearing her Prom dress from when she was 16. Jesus did that intentionally to show that even those with many years – 60 and above – are still fresh and fully equipped to go into the world and be a force for good. NOT shriveled up in nursing homes, but full of spiritual vitality and the ability to guide and pray.
- Jesus showed the prom dress to show **Older Brides that we ARE young to Him**, and still able to greatly help the younger generations. Now we have not a physical vigor, but a Holy Vigor – holy Virtue, a heart beating for Him.

- Jesus: **We are but 33 in Heaven** – everyone is. He will restore the years the “locust has devoured.” We will be eternally beautiful to Him, forever at the peak of creation, its crowning glory. Glorious riches wait for us in Heaven.
- Jesus: look at My beginnings. Humble, lowly – a gentle voice calling out in Love to His Creation. Look at the Sermon on the Mount. The healing of the woman 12 years ill. This **power of prayer of the elderly** is in our hands – it can change the course of history for one soul, and perhaps beyond.
- Even in old age, you are as beautiful and powerful now as the day of your Prom. Adorned with priceless jewels of wisdom only years of experience and suffering can endow you with. And Jesus has given you this **SSV audience** to minister to! Even those in their 80’s can still carry that spark of Love for Him to the world. Speaking to a young person can ignite a fire that sets his feet on the right course.
- **Satan has used technology/Internet** for evil. Now see how Jesus uses it: to convert the lost, comfort the hurting, direct the young and inexperienced.
- Many are languishing, ill and immobile. These lives are in a precious place of service! Prayer of the sick and suffering is POWERFUL. **Simon’s Cross** can be wielded from that bed, that wheelchair. We must convince the elderly of their potential. There is a great, dormant army awaiting to be awakened!

### Ezekiel Stories/messages

#### ~Healing & Walking in Victory/Spiritual Warfare 6 – August 29, 2016

- Clare explains what happened with **Ezekiel and his breakthrough in healing**. Jesus had called the question, “Will you or will you not carry this cross?” He agreed. An attack from Satanists who have been against the channel – death assignments were put on them both. The Lord allowed it to bring to the surface things that still needed to be emptied from them in order to receive new from the Lord. (full synopsis under **Healing**)

#### ~When Giving Up is NOT an Option/Part 1/Ezekiel interview – August 23, 2016

##### **synopsis:**

- Ezekiel tells us of the Lord’s latest dealings with him and his abdominal seizure trials. After 5 ½ weeks of almost non-stop seizures, he was left completely drained and virtually at the point of death. Readings from the Bible Promises were telling him that this was a possibility...and then Laziness came up. What?!
- The Lord told Ezekiel: *"You have a choice. You can get up and walk out of this bed. Or...I love you, but I'm gonna have to bring you Home. I can't use you, I can't use you like this."*
- This was a shock to Ezekiel – thinking here I am at the point of death, Lord - Where is Your mercy?? and the Lord answered again: *"This IS My mercy. This is My mercy. I won't breach your will, I won't cross your will. But I love you enough, and I love souls enough that I'll bend your will. I'll push your will. I might even "scare" your will. But I WILL have My way in your life, if you'll let Me."*
- The Lord gave him strength to get up! And go to the kitchen to take a drink of protein mix Clare had made...end of part one.

#### ~When Giving Up is NOT an Option/Part 2/Ezekiel interview – August 24, 2016

##### **synopsis:**

- Ezekiel was stepping from the kitchen to his work/music room, and with every step he could see into the spirit – he was surrounded by masses of rhinoceros-looking demons with armor on...almost like a cartoon character. As he watched, a HUGE curling-ball with spikes would

- come out of nowhere behind him, and hit these demons, knock them apart and obliterate them. This happened over and over – every time he'd take another step.
- At the very bottom dregs of his faith – **thanks the channel for lifting him up**, like the men who tore a hole in Peter's roof and let down the man before Jesus. He had been suffering from so much defeat because of the pain and the almost constant demon voices that taunt him – he'd just wanted to give it up. Stop working on music, just give in to the pain, lay down and give up.
  - They are finding out just what a righteous God we serve! God is revealing hidden sins, more and more. Opening up new ways and understanding of spiritual warfare. Revealing how BIG a sin is to God, sometimes we don't even realize it IS a sin. Calling us to a MUCH higher standard of holiness! If we attain to this higher standard, the curses sent against us won't land. **Jesus DOES allow suffering** for the sake of the lost – so it's a bit of a mixed bag...but the more holy we become, the higher standard we keep our feet to...the less demonic can stick to us.
  - In addition, we love the Lord! And we want to be more holy so we don't hurt Him, or grieve Holy Spirit.
  - It wasn't angels hurling these weapon balls – it was **God the Father Himself**. He has such tender love for us! Ezekiel only lately finding these things out – he had no example from his earthly father of tender love.
  - **Ezekiel story:** Lori Beth Jones of Jesus coming out of the tomb – “TaDa!”
  - Ezekiel pulls the cover off the keyboard, and gets hit with...”I'm TIRED, Lord!” He's been awake for over 29 hours at this point. Feeling lazy! The demons are trying to get him to give up again...
  - Now he hears Jesus CLEARLY – like He's talking in the flesh: “Let's keep going.” EZ sees Jesus on His throne, bent forward, almost in a grandstand at the Olympics or Coliseum, watching a Spartan match. He sees Him crouching over in a pose of cheering it on – and then also in the Coliseum basin, fighting these demons.
  - The Psalms start pouring from his mouth. Things he knew from Scripture, but never memorized. Looks up to see a rhema sheet he had made long ago that says “Come PLAY with Me.” Sees it as a type of memorial stone – at first meaning...play in Heaven with Jesus. Horseback ride, ski, etc.
  - But now Jesus is saying, “No – come PLAY with Me – let's keep going!” Every time he'd start to pick up his guitar, this vision would come. Jesus would repeat “Let's keep going!” Keep seeing Jesus just mowing down these masses of demons.
  - At one point, Ezekiel had been up after getting out of the bed for nearly 12 hours. Been awake for 40 hours altogether by now... Cried out to the Lord, “Lord! I'm only flesh, human! You're going to have to expand my head, my body to keep goin...” And He looked at me, with a very...very intentional, loving, excited, passionate smile...and He said - both fists clenched - and He said, "We're gonna TAKE these guys! We're gonna take 'em down, every single one of them. We're gonna give 'em back every, single thing that they deserve and we're gonna TAKE BACK everything they've stolen. And I'm gonna multiply it. Now, let's keep going!"
  - So, on they went. Ezekiel picked up his guitar now, and songs started coming – old songs, new songs, Psalms... like 12 different channels going on in his head all at the same time. Now a new melody comes to him... He'll get it to us eventually... Last thing he heard: "Look on, you scoffers, and be amazed! I'm doing a new thing."

### ~When Giving Up is NOT an Option/Part 3/Ezekiel interview – August 25, 2016

#### synopsis:

- Ezekiel describes how, even though he's long ago lost his "guitar callouses", he was able to play a steel stringed guitar with no pain! And the melody just flowed – beautiful melody the quality of a professional.
- There had been a distance between he and the Lord. He said, *"I've wanted to talk to you as much as you've wanted to hear from Me. **There's so many things I wanted to tell you and show you, but you just weren't ready.** I had to open you up and clean you out to the bottom of the bottom of the shell of the bare minimum."* I saw a tree cut down, just like in the Scriptures, to the trunk. And then a shoot coming up, a fresh shoot.
- Another story: I remember at one point, this was hours ago, I'm saying once again, "Lord, can You make my head bigger...this is a LOT to keep up with!" 'Cause He seemed almost more talkative than what I'm used to. And when I asked Him that, He kinda put His hands together in front of Him, He kinda stepped back...it's like *"It's okay. It's all right... I can't do it!"* lol!! And He takes two steps forward and He's right back, just right there with me, ya know. He's like... *"I'm overflowing like YOU are! **I have LONGED for this moment. I've WAITED for this moment! I HAD to do this.** I had to allow that kind of what seemed to be harsh - love. Tough love."*
- What it all was, was a breakthrough from self-pity and laziness. Point: "So it hurts? So keep going. So it's hard - keep going. So you're tired? Keep going."
- Clare explains how we **open doors** for the enemy through sin like self-pity, etc. And then you need to go to the Lord to repent and deal with it.
- Main point of this experience: You've got to purpose in your heart, you're NOT going to lay down and give up. You're not going to do it - it's not an option! You're got to purpose that in your heart and get to that rock bottom place where you're just convicted that there's no way you're going to give up! And somehow th

(full synopsis under **Kingdom of God**)

## Healing

### ~Healing & Walking in Victory/Spiritual Warfare 6 – August 29, 2016

#### **synopsis:**

- Clare explains what happened with **Ezekiel and his breakthrough in healing**. Jesus had called the question, “Will you or will you not carry this cross?” He agreed. An attack from Satanists who have been against the channel – death assignments were put on them both. The Lord allowed it to bring to the surface things that still needed to be emptied from them in order to receive new from the Lord.
- Although Ezekiel **received healing, attacks came back**. The Lord made clear that He was not going to allow Ezekiel to die from any attack – but that He was leaving a small vestige of suffering to be used as a fast offering/Simon's Cross when needed. At the same time, a Heartdweller was in ICU in critical condition. Ezekiel had committed to a 9 day cycle of prayer for this woman – and the attack came to Ezekiel on the 7<sup>th</sup> day of the cycle – which is common.
- Even so, Ezekiel DID receive healing. The lie from the devils was that the attacks were proof that it came back. This IS a lie! Sometimes we need to **hang on to a healing**, to refute and rebuke the demons from lying to us that it never happened, or that it returned. Satan doesn't give up easily, but will come back against you to steal your healing – trying to make your faith fail and fall into serious unbelief.
- Other times, it IS a symptom, or temporary return of something – to be used by the Lord as a **Simon's Cross**. Jesus emphasized that this is VERY real – and that this offering profoundly pleases Him. It is sorely misunderstood in modern Christianity.

- Sickness is in three places: body, spirit and soul. Injury bursts through these layers, jumbling them up. When the Lord heals, He must put back all 3 in the proper place, smooth and orderly. Jesus gave example of a healing that took HIM two times of prayer – this was to show us that we need to **persevere in prayer**. It is one thing for Him to heal – as perfection. It’s another for His creation to do so, who are imperfect.
- **A soul must be ready for healing.** The circumstance that allowed the sickness must run its course, then the sickness can be healed. Soul must walk in what the Lord has done, in faith – or repeated attacks will steal the healings. Lying symptoms will try to remove it. **Open doors** from sin will allow the sickness back in. A **critical/judgmental attitude** is a major cause for allowing in sickness. In order to maintain healing, you must be walking in a sufficient level of holiness – or you allow the demons to return through sin.
- **The subject of healing is deep and wide.** If you walk in good health – rejoice! If you are bed/wheelchair bound – rejoice! All can be used to heal – cry out “Oh God! Heal them!” You may not see the healing or ever know the outcome, but these heart-felt prayers are powerful. To those who walk in health, do not waste what you have been given. Devote yourselves to the building up of His Kingdom.
- We will recognize if we are **walking in His will** when we are deeply satisfied with something you have done. Peace is present. Not His will? Unrest in your soul.

## Heaven

### ~The Best Wine for Last, Jesus is Calling All Seniors to Pray – August 20, 2016

Many living in painful bodies and hard circumstances, wondering how to cope with it all. But Clare sees that this is the beginning of another “climb up the mountain” for us all. And more time to make our gowns more spotless, to live **pleasing to the Lord in holiness**.
- In this next season we will see more discernment. Not so much of the enemy, but discernment that makes us truly holy. This is NOT for the faint hearted or nominal. This is for the Laid-down Lovers of Jesus. (synopsis under: **Rapture/Delayed**)

### ~Secret Weapons of Satan Exposed, Used Daily on Us All – August 12, 2016

- We open the doors by bad behavior – inviting demons by what we feel and think, as well as actions and words. **Heart of the whole problem:** they are held in place, held open by **sinful habits**. It would take saintly charity, and saying/thinking/feeling NOTHING not to sin. Good luck with that! We get rid of doors through a commitment to **HOLINESS** and **CHARITY**. (full synopsis under: **Demons**)

## Holy Spirit

**~Do Not Be Satisfied With Past Accomplishments – August 16, 2016**

**synopsis:**

- Clare: If we continue on with prayer/fasting/repenting she believes that whatever God DOES allow, it will not result in **Martial Law** for this country. Not to interfere with the elections. Lots of prophecies again about September and world-wide destruction – but He has promised us more time, so let's stick with Him.
- Daily learning more and more of the **enemy's tactics**. Please share any results you are having with what we have shared. New to us. One thing essential: Baptism of Holy Spirit and **tongues**. Don't be embarrassed to yield your tongue to Holy Spirit. Don't allow embarrassment to keep you from receiving power gifts from the Lord. (full synopsis under: **Holy Spirit/Gifts/Talents from HS**)
- Satan knows what gifts accompany tongues/Baptism. So he will do everything he can to discourage it. If it were not vital to **spiritual warfare**, he would not work so hard to discredit it! You may not know what Holy Spirit is praying – but the demons get it. Nothing he does will stand against tongues.
- The Lord is taking us up a mountain, and it starts with a thorough housecleaning. The **power gifts** will bring healing and restoration to the sick and broken souls around us. This is a season of preparation.
- Jesus: These are times of great darkness, like never before. **He is preparing** those who hunger and thirst for the Kingdom. But a vessel must be cleansed before using it. Their orders are to destroy us – we can't run and hide from it. We **MUST** stand and fight!
- As we press in and are called up higher, we will be fully equipped and protected to do what must be done. **Rely on Holy Spirit**, not your own experience/prowess. Don't let the past hold you back – press into NOW. If I've put it in your heart to do – I will equip you to do it.

**~Healing Tools in the Hands of Love – August 18, 2016**

- The church has gotten caught up in showmanship and impressed with itself. Jesus showed meekness instead. Those who are now willing to look foolish for Him will be given the greater **gifts**. **~This is a New Day, We Have 3 Years Before the Rapture – August 8, 2016**

out of a motive of Love. We are moving into a New Day with a bright and glorious future!  
(synopsis under: **Rapture/Delayed**)

**~Spiritual Warfare 2: Ranks & Weapons – August 1, 2016**

- **Gifts** are allowed in direct proportion to **humility and genuine love for brother**. Always expect to be humbled before a gift is given. What is humility? The certainty that YOU are least of all, at the bottom of the ladder. Holy angels rush to help the humble – not so much the proud. (synopsis under: **Demons/Spiritual Warfare**)

**Humility**

**~Healing Tools in the Hands of Love – August 18, 2016**

- **No room for rancor, slander, harsh judgment**. Calls for an uncommon detachment of soul for self, and love for others. You have but one Teacher (Jesus). **Jesus**

**Blood of Jesus**

**~Spiritual Warfare 2: Ranks & Weapons – August 1, 2016**

**Bride(s)**

**~Healing Tools in the Hands of Love – August 18, 2016**

- Jesus to Clare: I am healing deep wounds, but you are not alone. I will never abandon you. ~**This is a New Day, We Have 3 Years Before the Rapture – August 8, 2016**

- Jesus: this IS a suffering – but we are literally “**catching fish**” constantly. More and more are coming into the Kingdom. **ISIS** is driving the Muslims into our “pond” in droves because of their cruelty. Heaven is filling up instead of Hell! Cooperate with Me and we will see MUCH fruit. Many, many **Muslims** are coming – many more devout and grateful than Western peoples. (synopsis under: **Rapture/Delayed**)

~**Is Still Small Voice A Study in Blasphemy? Is Clare duBois Possessed? – August 6, 2016**

### Corrects Us

~**More Powerful Than Fasting, Spiritual Warfare – August 13, 2016**

### His Healing Over Us

~**Spiritual Warfare 2: Ranks & Weapons – August 1, 2016**

- Clare/Ezekiel came under attack. Kept coming back day after day. Why? Jesus: there are more than you can number. **Demons** – work through open doors. They are very little and must work in groups – often very large ones. Specific ranks, divisions, leaders. Heads are Principalities. This one will attack wide areas of people all at the same time. Disease could

have hundreds working together. Never be able to name each one – BUT with a blanket of genuine, heart-felt love, you pray and **Jesus will heal**. Dr. friend learning demons for EVERYTHING. One disease could have dozens of demons assigned to it. (synopsis under: **Demons/Spiritual Warfare**)

#### **~When Giving Up is NOT an Option/Part 3/Ezekiel interview – August 25, 2016**

#### **Intimacy With Him/Dancing**

##### **~The Best Wine for Last, Jesus is Calling All Seniors to Pray – August 20, 2016**

- Clare vision: **dancing with Jesus**, wearing her Prom dress from when she was 16. Jesus did that intentionally to show that even those with many years – 60 and above – are still fresh and fully equipped to go into the world and be a force for good. NOT shriveled up in nursing homes, but full of spiritual vitality and the ability to guide and pray. (full synopsis under **Elderly/Old Age**)

#### **Our Love for Him**

##### **~More Powerful Than Fasting, Spiritual Warfare – August 13, 2016**

- Jesus: quoting Therese – all to be done out of **Love for Jesus**. This is what we need to strive for: doing all and everything we can out of the motive of Love. **THIS** is the most important thing. When you fail to love, you fail Jesus. Those who love are like Jesus. (full synopsis under: **Love of God**)

#### **Relationship with Him, Not Religion**

##### **~Are You Called? – August 20, 2016**

**synopsis:**

- Jesus to Clare: it is needful to press in, be consistent. Souls are starving to death for a word of encouragement, devastated by churches and church people. They stay in the background

of **SSV observing** – seeing how others are treated. Then gain the courage to come forward. Jesus: those who are serious with Me on SSV need to move forward, not back. Press in – there is a steep, upward climb for those who will come. Many are aching for the gifts of healing and others to bring relief to the suffering. He is preparing those willing for these gifts.

- **Faithfulness** in bringing the messages gaining fruit for Heaven. We have no idea of the riches there for those who are faithful – but it is best that way for now.
- Clare and Ezekiel have **suffered** much for many years to come to the place they are. If you are to follow Me, you must die to your flesh. Suffering is a large part of it all. Are you willing to leave behind all? Father/Mother/spouse/children? Do not make rash decisions, but know there are some who will be asked to make the hard choice.
- This is not for everyone. Count the cost! If you are longing for the life of the first Apostles, reflect on what THEY gave up and suffered. How do you know if I am calling you? You will have no satisfaction in this world, but will be drawn to more and more of Me.
- Where is the **joy**? It is an interior joy, way below the surface where squalls and storms toss you to and fro. DEEP joy, shown in your peace and calm attitudes even in the strife of life.
- Jesus: you may have missed a first invitation to this deep life. See if you desire a second chance – but don't wait too long. Many give Me only the dregs of life and regret it.
- Are you looking to work as the world does? Even in a church? No – follow Me as the disciples did, giving up all and not being concerned with worldly/monetary rewards. Examples of Peter, Matthew and Luke. Are you going to college, feeling that you're wasting your time? You must learn to follow Me, follow your heart which I am speaking to/leading. Go where the Spirit is moving. This is an invitation to **STRIP yourselves of the world, and follow ME.**

#### ~Is Still Small Voice A Study in Blasphemy? Is Clare duBois Possessed? – August 6, 2016

- What is the Song of Solomon in Scripture for? To show God's desire of a **relationship** with us that is tender and intimate with us – like a husband to a bride! (synopsis under: **Blasphemy**)

#### Warnings from Jesus

##### ~How We Develop Blind Spots – August 4, 2016

- Jesus: **Never be afraid to be wrong.** ALWAYS care about the Truth. If Truth comes first, the demons have no leverage on you. Nothing wrong with being wrong. Everything wrong with being in denial that you are. Jesus leads us through many paths to break and reform us. All for our good, all for the Body. He is purifying His vessels now, so don't be surprised to find blind spots in life. **Always be concerned about missing Truth.** (synopsis under: **Demons/Demon Attacks**)

##### ~Spiritual Warfare 2: Ranks & Weapons – August 1, 2016

## Kingdom of God

#### ~I Am Leading You Into Your Dreams; Trust Me – August 28, 2016

##### synopsis:

- Jesus: longs to heal, comfort and forgive the **Heartdwellers** – so many swept away by sins from the past. Habits not recognized that seem innocent, but are grievous to Him. They may be invisible to us, but the demons see them – and constantly uses it against us.
- As we draw near to Him, He gives the necessary **graces to overcome** these things. This is a war! We must get adequate rest, so as not to be drawn into sin. We must not resist Him when He is pointing out these sins that need revision. He is not being a hard or critical taskmaster – but a loving Spouse guiding us out of the path of the effects of sin.
- **We have come far drawing close, listening and hearing Him** – and He is well pleased. He wants to increase our territory and grant new graces so that we may more effectively tend to the sick members of the Body.
- First, we must finished being cleansed, strengthened and renovated inside. We need a **foundation of heartfelt, brotherly Love, walls of Obedience and a roof of Humility.** Without this structure, gifts can be washed away, doors opened to the enemy.
- New levels, **new devils.** As we advance, the enemy assigns new, more crafty demons. Now we are in a position to steal more from the kingdom of darkness, we are a bigger threat.
- The **further into the Kingdom** we go, the more meticulous our behavior must be: what we see, what we listen to, how we manage our lives. We need to walk in sufficient **Virtue** to maintain and keep the gifts and graces He gives us.
- He knows us, better than we know ourselves. We must trust that He is doing what is best for and in us. Even when it seems the **WRONG** direction. We cannot just go from point A to point B – first **we must be cleansed** of many faults, so that we **stop opening doors** for the demons to flood through.
- Do not resist! Do not fight against Him. Rather shoulder the cross and run the Race well. It is not a sin to be weak – declare “Lord, make me willing to be made willing.” Fear nothing but sin. We fear change, the letting go of worldly wisdom – but He asks that **we abandon any wisdom but His.** Then it will not be in the way of future blessings. When fear grips you, reflect on all the ways He has been faithful in the past – and press on. He will never take, without replacing with much better. Nothing is fruitless or senseless. This is the season for New Beginnings!

### Love of God

#### ~More Powerful Than Fasting, Spiritual Warfare – August 13, 2016

##### synopsis:

- Clare feeling **condemnation** – perhaps from the Internet. Words thrown against you still “hit” in the spirit like knives, doing damage, causing her to have a distance between her and Jesus. Knowing this was NOT the proper response, she offered it to Him as a fast offering, praying that it would be used to covert souls. The condemnation came over her resistance to give up something she felt the Lord was asking of her... Was creating self-hatred.
- The Lord was there – played Kari Jobe’s “Beautiful” song twice...broke through the condemnation she was feeling. Next she knew, they were in her Garden. **Corrected** her: hate the critical, life-stealing, judgmental bent in your life, NOT yourself.
- Jesus: **Fasting** is a wonderful virtue – but abandoning **judgment** FAR surpasses it! Dwelling on your faults and flaws, putting yourself down only focused on YOU – taking eyes off ME. You shall have My fullness to the degree that you can hold.
- Clare: whatever size your “vessel” is, that is what is filled. Thimble, gallon, barrel – all will be filled to capacity in **Heaven**.
- Jesus: quoting Therese – all to be done out of **Love for Jesus**. This is what we need to strive for: doing all and everything we can out of the motive of Love. **THIS** is the most important thing. When you fail to love, you fail Jesus. Those who love are like Jesus.

### To the Heartdwellers

#### ~Are You Called? – August 20, 2016

- Jesus to Clare: it is needful to press in, be consistent. Souls are starving to death for a word of encouragement, devastated by churches and church people. They stay in the background of **SSV observing** – seeing how others are treated. Then gain the courage to come forward. Jesus: those who are serious with Me on SSV need to move forward, not back. Press in – there is a steep, upward climb for those who will come. Many are aching for the gifts of healing and others to bring relief to the suffering. He is preparing those willing for these gifts. (full synopsis under **Jesus/Relationship w/Him**)

#### ~I Am Leading You Into Your Dreams; Trust Me – August 28, 2016

They may be invisible to us, but the demons see them – and constantly uses it against us. (full synopsis under **Kingdom of God**)

#### ~Healing Tools in the Hands of Love – August 18, 2016

##### synopsis:

- Clare: we are learning new things about **spiritual warfare**. New: we are composed of layers – aligned perfectly, one of top of the other. Trauma “mixes up” the arrangement, opening space for a demon to enter in. If they are not healed and properly re-aligned, the person is open to further twisting and distortion, opening more doors for demons to enter. She had problem with Perfectionism from childhood. The “spiritual surgery” to remove and heal is exhausting!
- Jesus to Clare: I am healing deep wounds, but you are not alone. I will never abandon you. Breakthrough won’t be long now. **For the Bride**: Breakthrough is coming for all faithful Brides who long to serve Me. As they continue to weather the storms, I will increase gifts, giving the ones that are longed for. Much need for healing and deliverance gifts. Seeing these in action will be proof to the people that He is a God of miracles, and DO have authority over body and soul.
- He has been preparing Heartdwellers for last 15 months, they are continuing their commitment to Him. He can increase the anointing. But first, the vessel and soul must be cleaned of ulterior motives. **LOVE must be the only motive**.
- The church has gotten caught up in showmanship and impressed with itself. Jesus showed meekness instead. Those who are now willing to look foolish for Him will be given the

greater **gifts**. You must have a care-less attitude of what others think to walk in them. Seek ONLY My approval, not man's.

- **No room for rancor, slander, harsh judgment.** Calls for an uncommon detachment of soul for self, and love for others. You have but one Teacher (Jesus). With **humility**, you can walk in these gifts. But if you need to defend and justify yourself...you are not ready. All I require is that you love...and in the end, I will have My way.
- A friend's writing: she is seeing **miraculous healings** in visions. BIG healings: paralysis gone, ostomy falling off. Jesus has kept many in obscurity for decades, and are even now there. They have suffered much for the Kingdom, borne the heaviest of burdens. These will be rewarded! Teaching has begun around the world in miraculous healing. When souls are fully prepared, it will come. **Heartdwellers are being prepared to move in these things.** When all is ready – it will come!

#### ~The Best Wine for Last, Jesus is Calling All Seniors to Pray – August 20, 2016

- Even in old age, you are as beautiful and powerful now as the day of your Prom. Adorned with priceless jewels of wisdom only years of experience and suffering can endow you with. And Jesus has given you this **SSV audience** to minister to! Even those in their 80's can still carry that spark of Love for Him to the world. Speaking to a young person can ignite a fire that sets his feet on the right course. (full synopsis under **Elderly/Old Age**)

#### ~When Giving Up is NOT an Option/Part 2/Ezekiel interview – August 24, 2016

- At the very bottom dregs of his faith – **thanks the channel for lifting him up**, like the men who tore a hole in Peter's roof and let down the man before Jesus. He had been suffering from so much defeat because of the pain and the almost constant demon voices that taunt him – he'd just wanted to give it up. Stop working on music, just give in to the pain, lay down and give up. (full synopsis under **Ezekiel Stories/messages**)

## Suffering

### For the Sake of Souls/Simon's Cross

#### ~Are You Called? – August 20, 2016

- Clare and Ezekiel have **suffered** much for many years to come to the place they are. If you are to follow Me, you must die to your flesh. Suffering is a large part of it all. Are you willing to leave behind all? Father/Mother/spouse/children? Do not make rash decisions, but know there are some who will be asked to make the hard choice.
- This is not for everyone. Count the cost! If you are longing for the life of the first Apostles, reflect on what THEY gave up and suffered. How do you know if I am calling you? You will have no satisfaction in this world, but will be drawn to more and more of Me. (full synopsis under **Jesus/Relationship w/Him**)

#### ~Critical Spirit and Open Door – Spiritual Warfare 3 – August 3, 2016

- Jesus allows **suffering for these attitudes**. Part for your correction. Part to comfort that person/spiritual healing. Part as a fast offering for souls. (synopsis under: **Demons/Spiritual Warfare**)

#### ~Donald Trump Elected, Prophetic Dream – August 10, 2016

- We need to continue to fast and pray, repent for the nation. Clare laid out in **suffering/prayer** for him for an entire day. The will of the people spoken! (full synopsis under: **Trump, Donald/Election**)

**~Golden Grace-Filled Years, Elderly, Best Wine Last – August 19, 2016**

**~Healing & Walking in Victory/Spiritual Warfare 6 – August 29, 2016**

- Other times, it IS a symptom, or temporary return of something – to be used by the Lord as a **Simon’s Cross**. Jesus emphasized that this is VERY real – and that this offering profoundly pleases Him. It is sorely misunderstood in modern Christianity. (full synopsis under **Healing**)

**~The Best Wine for Last, Jesus is Calling All Seniors to Pray – August 20, 2016**

- Many are languishing, ill and immobile. These lives are in a precious place of service! Prayer of the sick and suffering is POWERFUL. **Simon’s Cross** can be wielded from that bed, that wheelchair. We must convince the elderly of their potential. There is a great, dormant army awaiting to be awakened! (full synopsis under **Elderly/Old Age**)

**~When Giving Up is NOT an Option/Part 2/Ezekiel interview – August 24, 2016**

- They are finding out just what a righteous God we serve! God is revealing hidden sins, more and more. Opening up new ways and understanding of spiritual warfare. Revealing how BIG a sin is to God, sometimes we don’t even realize it IS a sin. Calling us to a MUCH higher standard of holiness! If we attain to this higher standard, the curses sent against us won’t land. **Jesus DOES allow suffering** for the sake of the lost – so it’s a bit of a mixed bag...but the more holy we become, the higher standard we keep our feet to...the less demonic can stick to us. (full synopsis under **Ezekiel Stories/messages**)

**Trump, Donald**

**Character**

**~Donald Trump Elected, Prophetic Dream – August 10, 2016**

- After dream, had a picture of **Trump** re-instating prayer in schools. First thing **Obama** did was approve partial-birth abortion. This tells the heart of each man. (full synopsis under: **Trump, Donald/Election**)

**Election**

**~Donald Trump Elected, Prophetic Dream – August 10, 2016**

**synopsis:**

- **Clare dreamt about Trump**. Had signature of Holy Spirit, discerned it to be.
- Dream, Scene One: People at the polls, simple people, not the wealthy. 7 booths set up with monitors. Man comes, “Let’s check these first.” ALL the booths are corrupt – last one will even let you vote 3 times! Everyone waiting takes out paper and pen, writes the name of Trump and puts the papers in a collection box.
- Dream, Scene Two: Polls closed, votes to count. One girl tries to begin before monitor sits with her. Chided for it. Then she tries to throw out a misspelling of “Trump”. Chided again. Lots of stress and tension in this voting station.

- Dream, Scene Three: Obama sitting at table in fancy dining hall. Michelle: It's good! Ahead in the polls 2 -1! Official comes in, gives the correct winner – it's Trump. Jaws drop in astonishment. (btw, there are rumors of Obama running for a third term, but the Lord never verified that with Clare. This is the first indication of that.)
- Dream, Scene Four: small town airport – Clare in line waiting for new president. He arrived in a large jet, but came to a small place no-one would have expected for acceptance speech. Trump a **HUMBLED man**, deeply HUMBLED by it all. End of dream.
- We need to continue to fast and pray, repent for the nation. Clare laid out in **suffering/prayer** for him for an entire day. The will of the people spoken!
- After dream, had a picture of **Trump** re-instating prayer in schools. First thing **Obama** did was approve partial-birth abortion. This tells the heart of each man.
- God has had mercy on us – for multiple reasons. Doesn't want to leave America in current condition to face Tribulation. Wants Trump in office. Wants more souls reached, esp. Middle Eastern.
- Jesus spoke at the end: Lay down your lives and **stand beside Me now against Satan**. Calling you for next 3 years, give Me your whole hearts as an offering for this country and world. Can I count on you to back Me up? **Some are** wrapped up in their own lives – begin to walk the straight path. **Some will not listen** to this message: your lives will become increasingly difficult as I allow it. Return to Me! Stop dividing My Body! Wake up and stand on the right side. **My Faithful Brides** – I will visit you with choice blessings. Together, we shall do valiantly.

### Wisdom

#### ~I Am Leading You Into Your Dreams; Trust Me – August 28, 2016

- Do not resist! Do not fight against Him. Rather shoulder the cross and run the Race well. It is not a sin to be weak – declare “Lord, make me willing to be made willing.” Fear nothing but sin. We fear change, the letting go of worldly wisdom – but He asks that **we abandon any wisdom but His**. Then it will not be in the way of future blessings. When fear grips you, reflect on all the ways He has been faithful in the past – and press on. He will never take, without replacing with much better. Nothing is fruitless or senseless. This is the season for New Beginnings! (full synopsis under **Kingdom of God**)
