Dear Fellow Pool Member,

With summer right around the corner, it is time to start thinking about our upcoming pool season. There have been many changes during the off season; including seven (7) new Board members. We would like to thank the previous Board for all of the time and dedication they gave to make the pool a better place for everyone.

As we begin a new year, some physical updates have been made to the pool area. Plumbing issues have been addressed and fixed. The filter had parts replaced. And, the biggest improvement is that the pool will be sand blasted and painted. We are also looking to add other activities for pool members to use while at the pool such as, an outdoor ping pong table and a corn hole game.

We would like to introduce to everyone our new website, **ClearviewSwimAndHealthClub.com** where you can down load pool applications, pavilion rental forms and swim team sign up forms; find updates on events to be held at the pool; and contact the Board. This year, we also added a Face Book page. You can look us up at "Clearview Pool and Health Club" and "Like" our page to follow us throughout the summer to stay up to date on what's happening at the pool.

Josh Klingensmith will be the Pool Manager again this year. Please contact him if you have any issues that need to be resolved. You can call, stop by or email the pool at: **info@Clearviewswimandhealthclub**. Just as all members do, the Board also likes to go and enjoy the pool. If you have something that you would like to be addressed by the Pool Board, please bring it to the Board's attention by attending the monthly meetings, which will be held twice a month at the pool during the summer season. Please check the website for the dates and times of the meetings.

When sending in your pool applications, please **print clearly** and **include your email address**. We do a lot of notifications via email, such as reminders, updates and evites to parties that are held at the pool.

All memberships will be reviewed by the Board this year, and babysitters will need to be verified. We will keep the non-member fee at \$4 per visit with a maximum of 6 visits per person for the season. This will be kept track of very closely.

Lastly and most regrettably, the pool board has unanimously agreed to increase dues by \$25 for the 2015 season. The increase is very minimal and will keep the pool in a good position to continue to do the improvements needed for years to come. Even with the increase, Clearview dues are still the lowest in our area. We will be having our general meeting on 3/4/2015 Hopewell Fire Dept. Station #2 1401 Gringo Rd. at 6:00 PM.

Thank you and we are looking forward to seeing everyone this summer.
