Permission has been granted by the ABdFC Carting Committee for the holding of this event under the ABdFC Carting Test Regulations.

American Bouvier des Flandres Club Carting Test Purpose

The Carting Tests of the American Bouvier des Flandres Club (ABdFC) are a series of exercises designed to develop and demonstrate the natural abilities of the Bouvier des Flandres in a cart-pulling environment with a handler. While working in a capacity involving hauling, the dog and handler must demonstrate teamwork skills. The Bouvier des Flandres has historically functioned as a carting dog in various capacities and the performance of these exercises is intended to demonstrate skills resulting both from natural ability and training that are applicable to realistic work situations.

Dogs must be willing to work with their handlers and the exercises must be accomplished efficiently. The goal of each handler is to maintain control while encouraging his/her dog's natural independence; together, they demonstrate teamwork. Since a dog can perform carting work only in cooperation with a person, each handler must demonstrate an understanding of carting work with the dog's ability, training, and equipment.

Levels Offered

Novice Draft Dog—NDD
Novice Draft Dog-Veteran—NDD-V

Dogs that have earned the NDD but are not ready to advance to DD may continue carting at the novice level and earn the title Advanced Novice Draft Dog, ANDD. This would also include Advanced Novice Brace Draft Dog ANBDD – To earn the ANDD, the dog would have to qualify in 3 NDD tests with at least 2 of them being ABdFC NDD.

Draft Dog—DD
Draft Dog-Veteran—DD-V

Novice Brace Draft Dog—NBDD
Novice Brace Draft Dog-Veterans—NBDD-V

Brace Draft Dog—BDD
Brace Draft Dog-Veterans—BDD-V

Note: The AKC Parent Club Performance Program only accepts ABdFC NDD, NBDD, DD, and BDD titles earned by AKC registered Bouviers for AKC title recording.

North American Working Bouvier Association Carting Trial Purpose

The NAWBA carting trial is a set of exercises designed to demonstrate the abilities of the Bouvier des Flandres to work as a team with its handler. The dog should show enjoyment and willingness to maneuver a cart through obstacles and haul freight for a distance.
