PHOENIX C.A.R.E.S

It's been about three years now since the City of Phoenix implemented the Phoenix C.A.R.E.S. program. Let's take a closer look at the program, what it means, and evaluate how it works, so the community can better utilize the program.

A little background on the program, starts with what it means. C.A.R.E.S. stands for Community Action Response Engagement Services. The idea is, if a citizen or city employee observes an active homeless camp (more than one person utilizing an area to sleep or live) they make a report either via phone call or email, to notify the City of Phoenix. Keep in mind that being homeless is not a crime and this system is not a crime reporting system; rather a community resource to assist homeless as well as the citizens.

This reporting system is also useful if a citizen is concerned about a large area of blight. Once the report is made, it goes into a database and is assigned a case number. The person who made the initial report will get notified of this case number, if they opted to be. Once in the database, a representative with community outreach is notified and will respond to the area to determine if the people in the camp need of any type of services. Some of the services available are shelter, rehab, food stamps, obtaining an ID, Veteran services, etc.

The city works closely with Phoenix Human Services as well as Community Bridges and sometimes other services such as South West Behavioral Health, to determine available resources. The goal of the outreach teams is to respond within 3-5 days of the initial report. Once they have attempted outreach, the database is updated and, the issue then proceeds to the next step.

Next, Phoenix Police will often follow up on the report, unless a call for service comes in sooner than the C.A.R.E.S. report does. Phoenix Police head out to determine if there is a crime or any activity that requires police intervention. Trespassing, littering, public urination, and warrants are all possible issues that may arise when police make contact. Officer's (Community Action Officers and Patrol) will look at the situation and determine if there is something more that can be done to help find a resolution.

Sometimes the property owners may not know this is occurring on their property. They are notified of ways to possibly improve their property and prevent reoccurring concerns. Property owners are also notified about the Authority to Arrest, which gives the police permission to arrest people who are trespassing on their property. Police

can only do that with the property owner's permission. Once the Authority to Arrest is received from the property owner, the database is updated, and the issue moves to the next stage, which often involves various city departments.

During one of the last stages of a C.A.R.E.S report, the issue is sent to another department to ensure the area is cleaned up and is not a blight issue. This step involves NSD (Neighborhood Services Division). NSD will contact either the property owner to discuss cleaning this up or notify the correct city department (or outside department), to ensure that anything left behind is cleaned up. Other departments that may get involved at this stage include, the Library, Public Works, Solid Waste, Streets, Parks, and sometimes even State Trust Land or Arizona Department of Transportation.

Once the area is cleaned, the individual that made the initial report is notified of the completion of the project. Community Action Officers will often continue to follow up in the area, to ensure that this will not become an issue again.

This program is designed to address the issue of homelessness, and offer resources, while ensuring the community stays clean and blight free. This helps our Phoenix neighborhoods maintain property values and clean access to public spaces.

If you see an issue with an encampment and would like to report it, please call 602-262-6251, or go online to <https://www.phoenix.gov> and look for the Phoenix CARES link, about halfway down the page.

As always, if you need immediate assistance, please call 911.

WHEN YOU CALL 911 - KNOW THE 10 W'S

"Call if you can. Text if you can't." was the key message rolled out during a press conference on April 2nd as text to 9-1-1 service capability becomes available for the first time in the greater Phoenix region. If you are in imminent danger and unable to talk to a 9-1-1 operator, you now have the ability to text to 9-1-1. The service goes live following months of collaboration between numerous public agencies and advocates for the disability community.

- **What** - is your location? GIVE EXACT LOCATION
- **What** - happened? WHAT TYPE OF CRIME?
- **When** - did this happen?

These questions will determine if it is a priority call. Give as much of this necessary information as you can.

- **Was** - anyone hurt?
- **Weapons** - are there weapons involved?
- **What** - manner did they leave or arrive – foot, vehicle, bicycle...?
- **Who** - did it? –Suspect description
- **Where** - did the suspect go? – What direction
- **What** - did the suspect obtain? – type and amount
- **Who** - is calling? – Give your name location and phone number (You can remain anonymous. If you do give your name, the info is redacted from the public record access.)

DON'T GIVE TO INDIVIDUALS GIVE TO SHELTERS

To end panhandling, we have to end directly giving to people panhandling. Phoenix is full of compassionate and charitable citizens. They want to help those in need. However, giving money to people panhandling doesn't fix problems. In order to truly help those in need, stop giving money to panhandlers and instead support organizations and services that provide long-

lasting care. – Central Arizona Shelter Services – Andre House – Salvation Army – St. Joseph The Worker – UMOM New Day Centers – The Phoenix Rescue Mission – St. Mary's Food Bank For more organizations and information that can provide housing, or other services, please visit the Homeless Shelter Directory at: <https://www.homelessshelterdirectory.org/cgi-bin/id/city.cgi?city=Phoenix&state=AZ>

**Next First Friday's Art Walk PNP Patrol
FRIDAY, FEBRUARY 7th - 7:30 PM to 10:00 PM**

PNP Member Rick Sain is coordinating this event please make sure you let him know if you plan on working it. Also make sure he has your cell phone number, so he has a way to contact you if there are any last-minute changes. We meet at 7:30 pm and start our patrol at 8:00 pm, and we get done around 9:45 – 10:00 pm. We have a new meeting place the address is 1202 N. 3rd St. next to the Phoenix Center for the Arts. It is a big parking lot, but it fills up fast. **PLEASE LET RICK KNOW IF YOU CAN MAKE IT.** This way he can try and block off some parking spots for PNP Members. If you have questions about this event or to sign up contact Rick Sain at ussyorktown25@hotmail.com or on his cell phone at 602-799-0143. If you have trouble finding the location that night call Rick's cell phone.

This is a walking patrol...
PLEASE CALL IF YOU CAN MAKE IT! Contact:
Rick Sain at ussyorktown25@hotmail.com or
at 602-799-0143

If you have a PNP/BW Pro Comm radio please bring it as there will be few extras on hand to pass out.

These group patrols are a great way to get patrol training and practice with the portable radios or for the newer PNP members to get some patrol time with experienced members.

See you at the Double Tree Hotel Phoenix North at Metrocenter.

**ORDINANCE ADOPTION –
SHORT-TERM RENTAL**

Jan. 8, City Council voted and passed 8-1, to adopt an ordinance pertaining to Short-Term Rental Registry. In 2017, Arizona State Legislature enacted Arizona Revised Statutes (A.R.S.) §9- 500.39 which eliminates the ability for local cities and towns, including the City of Phoenix to regulate these types of rentals based solely on their classification or use. Consequently, these rentals are allowed by State law, in the City of Phoenix. The City of Phoenix adopted an ordinance that requires owners of short-term or vacation rentals to register, provide emergency and complaint contact information. The ordinance outlines vacation rental violations, prohibited types of uses and introduces an enhanced penalty structure. (Adding section 10-193, 10-194, 10-195, 10 -196 and 10-197 to Chapter 10, Section Article XVI) Owners and operators of short-term rentals are subject to the following:

The owner of a short-term vacation rental must register their information and designated emergency contact person (name, address, contact information) with the City of Phoenix on a form or platform specified by the City of Phoenix.

The online lodging operator must display the phone number and email address of the emergency contact person. □ Failure to post the following notice in a conspicuous place in the vacation rental: NOTICE: Using this property for following purposes are prohibited: Any nonresidential use; Holding a special event that requires a permit or license pursuant to a city or town ordinance or state law or rule; Operating a retail business, restaurant, event center, banquet hall or similar use; Housing sex offenders; Operating or maintaining a sober living home; Selling liquor, illegal drugs or pornography; Operating a nude or topless dancing; Obscenity; Adult-oriented business; or Other uses prohibited by A.R.S. 9-500.39.

When requested by a police officer, the owner or owner's agent whose name appears on the vacation rental registration must be on the vacation rental premise, or be available over the phone or text, within 60 minutes after receiving the request. Failure for the owner or owner's agent to be on the vacation rental premise, or be available on the phone or text, within 60 minutes after receiving the request by the police officer is a violation.

Any vacation rental owner, agent, renter, facilitates, aides, or abets any violation of any provision of this Article or who fails to perform any act or duty required by this Article is subject to a civil sanction as follows: First offense, \$500; Second offense on the property within 12- month period, \$1,000 per offense; Third and subsequent offense within 12-month period, \$1,500 per offense. Within 30 days after a verified violation, and if required by law, the City will notify the Arizona Department of Revenues and the owner of the vacation rental of the verified violation.

CRIME TIP:

TECH SUPPORT SCAMMERS ARE STILL CALLING!

Technology is constantly changing, and with each new platform or device comes a new worry about security. Tech support scammers aim to exploit this fear, claiming your computer or mobile device is dangerously ill and needs an immediate, costly cure. These fake technicians are out to steal your money or your identity, not save your machine.

HOW IT WORKS:

You get an unsolicited phone call or email from a big tech company like Microsoft or Apple, or you see a pop-up message on your screen warning that a virus or other malicious program has infected your device, and you need to call the number on the screen right away.

A “technician” asks for remote access to your device, and once in, shows you some files that “prove” you have a major problem.

The “technician” says they can fix your problem for a fee, and then may offer you a monthly subscription to keep your device safe.

WHAT YOU SHOULD KNOW:

Big tech companies like Microsoft or Apple say they don’t call customers out of the blue to warn them of problems on their devices.

The concerning files the “technician” may show you on your device are completely benign.

The scammer may ask you to pay by purchasing a gift card and providing the account number and PIN — a sure sign that it’s a scam, as is a request for payment by wire transfer.

The scammer may call back months later and offer you a refund for some phony reason, asking for your bank account information to deposit the money; this is a ruse.

[Here’s audio of a tech support scam call](#) as recorded by the Federal Trade Commission.

WHAT YOU SHOULD DO:

Screen incoming calls with an answering machine or voice mail, and once you listen to the message, decide if it warrants a call back.

If the caller claims you have a problem with your computer or the software on your computer, it is a scam, so don’t engage or return the call.

If you get a pop-up that freezes your screen, shut down your computer and restart it.

Keep your security software, browser and operating system up to date.

If you think your device is infected, get it checked out by a reputable source; most big box electronics retailers offer

tech support services.

If you realize you’ve fallen victim to this scam, and you’ve paid by credit card, contact your financial institution to dispute the charge and to cancel any monthly fees you may have agreed to.

Report scams to the Federal Trade Commission at [ftc.gov/complaint](https://www.ftc.gov/complaint).

When it comes to fraud, vigilance is our number one weapon. You have the power to protect yourself and your loved ones from scams. Please share this alert with friends and family and visit the [Fraud Watch Network](#) for more information.

Online Payment Portal Available for “Bad-Check” Restitution Payments

Each day, thousands of checks are written to pay for goods or services - yet many are not honored when presented at the bank, usually due to insufficient funds. Hard-working merchants and others go unpaid.

The Maricopa County Attorney’s Office (MCAO) has had a long-standing program to pursue these “bad-check writers” and have them pay restitution - even if it means taking them to court. The program is partially funded by fees paid by the bad-check writers, making this a completely free service to victims, individual and merchants alike.

Until recently, a “bad-check writer” could submit restitution payments in-person or mail in the payments by money order or cashier’s check. However, as of Monday, November 18, 2019, an online payment portal became available. The online payment portal allows the offender to make a

restitution payment from a computer or phone device using their credit card.

This new portal will make it easier and more convenient for the check writer to pay the restitution and will eliminate inefficient practices such as: daily cash accounting tasks, continuous surveillance of cash transactions with the public, and contracting with cash security pick-up services.

Writing a bad check may result in criminal charges filed, a summons to court, warrant for your arrest and having a permanent record of being a bad check writer. The program offers the check writer the opportunity to divert the matter from going to court. If the balance is paid in full before criminal charges are filed, then the offense will not go on your permanent record.

In early 2020, MCAO will eliminate in-person payments in favor of the online portal, however mail-in payments will continue to be accepted. This new service was envisioned and created through the hard work of employees from the Diversion Program Bureau, Finance and Information Technology.

The Check Enforcement Payment Portal can be found at: MaricopaCountyAttorney.org/CEP-Payment

Learn More About Criminal Justice at the MCAO Citizens Academy

If you’ve ever wondered what it’s like to be a prosecutor, or how a criminal case gets to trial, our Citizens Academy is for you. Applications are now being accepted for winter and spring sessions.

The Citizens Academy takes you behind the scenes to show how a case progresses from the initial investigation through final sentencing. You’ll sit in on courtroom proceedings, take a tour of the jail, and learn about trial exhibits, cold case investigations and more.

Classes last one full day, and upcoming dates are listed below. Classes fill up fast, so apply early.

MVD helps you get ready for tax time

2019 vehicle fee and tax information now available

The dawn of a new year also means tax season is bearing down and the Arizona Department of Transportation Motor Vehicle Division is ready to help customers with 2019 fee and tax information.

Vehicle owners can go to www.servicearizona.com and quickly get their vehicle fee and tax information by clicking on the "Vehicle Fees/Taxes Paid 2019" link listed on the home page. The service is free.

"MVD is happy to provide this service to help make the tax season a little bit easier," said MVD Stakeholder Relations Manager Jennifer Bowser Richards. "Getting the information in one place that's easy to print out or copy electronically is a lot easier than going out to the garage and then making copies of your registration papers."

All vehicles, including autos, trucks, ATVs, trailers, street-legal golf carts, among others will have the information available.

INFO OF THE MONTH

Share a tip, recipe, info or some humor, e-mail it to info@bmcainfo.com

Every five years, the city of Phoenix partners with the community to develop a strategic Consolidated Plan.

The plan defines strategies to address housing, community development needs, and current market conditions in order for the city of Phoenix to make informed decisions on an estimated \$130 million in HUD grant funding. Grants include the Community Development Block Grant, Home Investment Partnership, Housing Opportunities for Persons with AIDS and Emergency Solutions Grant programs.

This plan outlines how the city will invest these federal funds to strengthen communities and enhance neighborhoods!

BLIGHT AND ZONING LAWS

STRUCTURES: The maintenance of a home is the responsibility of the property owner. Any wood, siding, shingles, roof covering, railings, fences, walls, ceilings, porches, doors, windows, screens and other exterior parts of any structure on the property must be maintained in weather tight, sound condition and in good repair. The property owner is responsible for making sure there are no doors or windows left open and not secure to the outside. *FOR HELP call the Preservation Division of the Neighborhood Services Dept. at 602-495-0700 to see if you qualify for a free Grant!*

OUTDOOR STORAGE: All outside storage that can be seen from the street should be inside sheds or cabinets. Items should not be set in car ports in view of the street. Please use enclosed areas or backyards.

JUNK, TRASH & DEBRIS: Junk, trash and debris cannot be left in the yard or car port and must be properly disposed of. This includes junk auto parts, appliances, furniture, building and/or landscaping material, trash such as discarded papers, cardboard, plastics, etc. including tree trimmings and fallen limbs or any other items that appear to have been discarded. The only exception is during the Bulk Trash Collection weeks four times a year.

PARKING: Parking is only permitted for passenger cars and motorcycles on residential streets, on driveways or in garages. A driveway or parking area must be constructed with an approved dust free parking surface. The stone must be 1/4 - 3/4 in size with a permanent border holding it in. 1/4 minus size stone is not allowed for parking. There are limits to the amount of front yard area that can be used for parking. Only 35% of the front yard may be converted to driveway or dust free parking.

GRASS AND WEEDS: Grass and weeds must not be allowed to grow over 6 inches high due to fire hazard, allowing the weeds to go to seed and spreading throughout the neighborhood and insect infestation.

ELIMINATE GRAFFITI: Keeping the neighborhood graffiti free is something we can all do. If there is graffiti on your property, please remove it as soon as possible. The Graffiti Busters Program provides paint, supplies and training to assist groups with eliminating graffiti. The City will also remove the graffiti from private property with written permission from the property owner. Call 602-495-7014.

Neighborhood College is a one-of-a-kind collaboration of workshops and hands-on learning experiences brought to you by multiple city departments. The intent of the program is to provide each participant with knowledge about the city's programs, services and resources; the tools to access those resources; and the skills and ideas with which to build positive, sustainable communities. Everyone is welcome! Regardless of whether you're a seasoned community leader or a new resident just looking to get to know your new home better, Neighborhood College is flexible enough to meet the needs of all Phoenix residents! We hope to see you at one of our many free workshops – and encourage your neighbors to do the same. **To sign up, call us at 602-534-4444.** **Online registration:** We've partnered with the Parks and Recreation Department to use their online enrollment process. You will be taken to "Parks and Recreation Online" where you will need to sign up for a free account. This is a one-time process that will only take a few moments. You will then be able to use the site in the future to sign up for any additional workshops.

AN INVITATION TO ALL BLACK MOUNTAIN COMMUNITY ALLIANCE MEMBERS and ASSOCIATES TO TOUR THE CITY OF PHOENIX LABORATORY SERVICES BUREAU

Every Tuesday and Thursday at 10 am and 1 pm, we hold tours of our building at 621 W. Washington Street for those who are interested in Science, Biology, Crime Scene, Evidence Processing, etc., or what it is we actually do. It has become a very sought after event for many citizens of Phoenix and visitors to our state. I want to go a step further and extend an invitation to other stakeholders throughout the City of Phoenix, community groups and organizations, but most importantly your organizations – Black Mountain Community Alliance and the East Black Mountain Partnership.

I feel it is very important for not only our citizens to understand what it is we do behind our walls. This will give you all a great opportunity to understand what happens on the back side of the crime we hear about daily and helps you all understand the need for our services to the community.

I am opening our doors to you and would love to have as many of your organization attend a short tour of our building at your convenience and pleasure.

BLOCK WATCH IMPROVES THE QUALITY OF LIFE WITHIN NEIGHBORHOODS

Block Watches come in all sizes. They can be a few houses in a cul-de-sac to a whole square mile neighborhood. They help to develop a "sense of community" and strengthen and sustain neighborhoods by bringing residents/neighbors together with a common interest.

Every Block Watch starts with one person and their concern for the safety and well-being of themselves and their families. Their motivation may be to meet or get to know their neighbors to protect the children, to keep property values up by eliminating blight and graffiti, to stop speeding on the streets by installing speed humps to protect the children, to have peace of mind by discouraging barking dogs and loud parties, and to be safe from crimes like burglary, theft and assault.

We all want to live in a safe and secure environment. Our homes should be safe havens. By rights there should be several layers of protection from the national level to our own neighborhoods. National and state governments provide control of our borders; state and city governments provide police and fire protection, education, and other resources, community member groups provide Phoenix Neighborhood Patrollers and the posting of PNP signs on neighborhood streets; Block Watch provides neighbors watching out for neighbors; and we provide our own home security alarms, lighting and burglary prevention measures.
