Welcome back... I hope everyone had a great Christmas and a Happy Holiday, however you were able to celebrate it. I think all of us are excited and ready for a brand new year! Things have been very busy in the Infant room, and things are changing all the time! New additions, new accomplishments, new first's .... The Infant room is a great place to be!

We said "goodbye" to two friends and have gained two more. Maverick and Hayes have graduated and moved on to the toddler room... We will miss them both so much. Our two new friends are Anna and Don.

**Anna** is our little one and only girl at the moment. She just turned 4 months old on Christmas Eve :) Anna loves our daily stroller rides in the gym. Anna also Loves "her" swing. We have several swings in our room, but there is one that I call "her" swing. As soon as her head touches the soft fur, she smiles and starts to coo....it's a comfy place to be!

**Don** will be turning 6 months old on January 17th. Don is a happy little fellow who likes to see new things. He likes to lay under the musical jungle gym and watch the colorful lights. He enjoys our stroller rides in the gym and loves to talk & laugh when he's getting his diaper changed.

**Zachariah** has taken over the spot of oldest "baby" in the room...he will be 6 months old on January 10th. A whopping 7 days older than his friend Don! :) Zachariah loves to roll. It's his way of getting to where he wants to be. Ohhh, I almost forgot! Zachariah got his 1st tooth, with another one not far behind... Yay... Can you say baby food?!

We will also be welcoming some new friends this month so we can't wait to tell you all about them!!

**Important Dates To Remember:**

- **Monday January 18th NO SCHOOL Martin Luther King Jr. Day**

Sincerely,

Ms. Carrie K. :
