Jupiter, the Planet of the Messiah

The purpose of this study is to note that the Revelation 12 Sign is not done quite yet. The Astronomical Array that occurred back in 2017 was the 'Rapture' Sign, one is convinced that woke-up a Sleeping Church or Body of Christ. This was the case, especially in the West and particularly in the USA. However, as one postulates that the 'Sign is not the Event', the Rapture was not to have taken place there and then.

Then in 2024, the Revelation 12 Sign reached its 7-Year Anniversary. And? The Number 7, in the Bible is Prophetically Significant in how it is a Segment of a Time Completed. It is based on the 7 Days of Creation and many other Biblical Motifs, such as the 7 Churches of Asia, the Week Day and the Bases for a Jubilee Count, etc. Thus, when this Time Marker came-and-went, those within the Rapture and End Times Community figured the Revelation 12 Sign, was once again 'Done'.

As one who 1st observed this Astronomical Array since around 2008, Virgo was and is the only Constellation that is Female and is portrayed to 'Birth' Planets. This is the case in how the Sun, Moon and the Planets traverse the Ecliptic and such Heavenly Bodies can be seen as being 'Birthed' as they travel through Virgo and 'Exist' the Womb area, accounting for the Constellation Layout as seen from Earth, etc. Contrary to popular Misunderstanding and Misinformation, the Revelation 12 Sign is approximated every Year. The Key or Particularity about the Sign has to do with Jupiter, the King Planet.

What was different back in 2017 was how the King Planet, Jupiter was in Retrograde in the Womb Area of Virgo. Jupiter is in each of the 12 Constellation for nearly 9 Months. And there is where the Revelation 12 Sign is 'Not Done', just yet. How so? In the 12-Year Cycle, Jupiter is next to be in Virgo, precisely and in similar Retrograde for 9 Months in the Year 2029. And? This is the Year that one postulates could very well be the Mid-Point of the 7-Year Tribulation Period.

Realize that the Revelation 12 Sign was only depicted Astronomically back in 2017. It is yet to be fully realized and Prophetically Played-Out in Real Time. The Sign is Multilayered as studied for over a Decade now. It can allude to Mary, who birthed Jesus, the King and was ushered to Heaven where He is seated in Majesty. The Motif can also be referring to Ruth as the Motif holds the Branch, a Title for the Messiah. The Virgin also holds a Basket of Wheat that signifies an End to a Summer Harvest, etc. Thus, it can apply to a Typology of Ruth and then Esther, etc. Lastly, the Motif can be corresponding to the Bride of Christ, the Church. Because one is convinced that the Revelation 12 Sign was and is the Rapture Sign for the Church.

Jupiter's Personification

It is a Sign at least on this Side of the 7-Year Tribulation Period, this Event is what is next to occur on Earth. This will be Earth-Shattering and why the World is preparing for the 'Great Disappearance'. Already, the Luciferians that run the World have been busy in preparing and conditioning the World for the Great Deception that will explain-away the Rapture Event. This Event will then usher in the Transference of Daniel's Last Sabbath Week that Israel still owes YHVH for their Disobedience. This is why the Tribulation Period will be the Conclusion of Israel's Discipline, and their Redemption.

So, Jupiter in Virgo in 2029 could be the Correspondence that will then literally fulfill the Prophetic Event on Earth. And that is how the Women, i.e., the Remnant of Israel flees to the Wilderness for the 2nd Half of the Tribulation Period. It will be as an Exodus 2.0. Now, the next Segment will focus on the Planet of Jupiter in how it is considered the Planet of the Messiah, and how it is associated with Majesty, etc. The Hebrew word for Jupiter is 'Tzedek' or 'Tsedeq'. The Planet corresponds with Strong's 6664H, which means the following.

- Justice, Rightness, Righteousness
- What is Right, Just or Normal, Rightness, Justness (Weights and Measures)
- Righteousness (Government)
- Law, Judges, Rulers, Kings
- Davidic King, Messiah
- Jerusalem as Seat of Just Government

As one can read and comprehend, the delineating-out the Definition and Meaning of the Word Zedek and its Prophetic Attribution concerning Jupiter's inference with the Messiah is what Jesus fulfills. It is also how Jesus is described in terms of His Priesthood, being a King-of-Righteousness, i.e., Melchi-Zedek. It is also based on that Mysterious Personage that met-up with Abraham, who pledged a Tithe to this Righteous King of Salem, etc. It is also the Type of Priesthood the Body of Christ has been commissioned with also, which is amazing.

'One [Jesus] who has become a Priest not by a Law of Succession, but by the Power of an Indestructible Life. For it is testified: You are a Priest forever in the Order of Melchi-Zedek. 1So the Former Commandment is set aside because it was Weak and Useless'. -Hebrews 7:16-18

As that is why the Planet Jupiter is called and associated by the Jews as the King Planet. Astronomically, it is just at the Right Place in the Alignment from the Sun that protects the Earth from being bombarded by Rogue Asteroids. And being in the Position that it is in the Orbits, it balances the entire Solar System. Read what was said of it pertaining to the Event of the Comet Shoemaker–Levy 9, back in 1994.

'The events of Comet Shoemaker–Levy 9's (SL9) interaction with Jupiter greatly highlighted Jupiter's Role in protecting the Inner Planets from both Interstellar and in-System Debris by acting as a 'Cosmic Vacuum Cleaner' for the Solar System (Jupiter Barrier). The Planet's Strong Gravitational Influence attracts Small Comets and Asteroids and the Rate of Cometary Impacts on Jupiter is thought to be between 2,000 and 8,000 Times higher than the Rate on Earth'.

A Prophetic Planet

This Asteroid Collision in Jupiter was captured in how the Comet Shoemaker–Levy 9 broke apart in July 1992 and collided with Jupiter in July 1994. This is what also Stan noted in a few Posts ago, occurring on the 9th of Av. For example, if just 1 of those sized-Asteroids would have flown by Jupiter towards Earth, it would have destroyed the entire Planet. Here is an Excerpt from Wikipedia.

'21 distinct Impacts were observed, with the largest coming on July 18 at 07:33 UTC when Fragment G struck Jupiter. This Impact created a Giant Dark Spot over 12,000 KM or 7,500 Miles (almost 1 Earth Diameter) across, and was estimated to have released an Energy equivalent to 6,000,000 Megatons of TNT (600 Times the World's Nuclear Arsenal). Two impacts 12 Hours apart on July 19 created Impact Marks of similar size to that caused by Fragment G, and Impacts continued until July 22, when fragment W struck the Planet'.

Instead, these Fragments collided with Jupiter's Southern Hemisphere between July 16-22, 1994. Notice how that was the Eve of July 23, (723). That is also why Jupiter has that swirling Giant 'Red Dot' that is likened to the Piercing of Jesus. It is for this Reason that the King Planet is associated with the Messiah, the King, the Lion of Judah, etc.

Consider how Jupiter had conjoined with the King Sign of Leo and at the King Star of Regulus in -4 BC to -3 BC. These Conjunctions are what alerted the Wise Men of Persia that the King of Heaven was going to be born, in the Flesh, on Earth. And that Date was Astronomically identified to have been on September 11, -3 BC. This Calculation, by the way, is what one also has pegged the 32 AD Crucifixion Year, as that is the Age Jesus had to be, in His 33rd Year of Life, in 32 AD.

So, the Comet that slammed into Jupiter broke-up into 21 Fragments (7-7-7). And it occurred during the Period of the 9th of Av. Coincidence? No. This is also why the Revelation 12 Sign that Astronomical configured back in 2017 was and is incredibly Prophetic and Significant, in one's Estimation. It has to do with how Jupiter is connected also with the Number 888. That is the Numerical Value of the Name of 'Jesus'. See Chart Link below that one has shared before.

And since 32 AD, the 2017 Cycle that occurred in Virgo was the 24th Time, being then an $8 \times 3 = 24$ Cycle, etc. But then the 25th Jupiter Retrograde Cycle in Virgo will occur in 2029. This is when Jupiter will be once again in Virgo and will approximate the Revelation 12 Sign that Year in 2029. And again, one is surmising that it could very well be the Mid-Point of the 7-Year Tribulation, if the Fall 2025 to Fall 2032 Timeline turns-out to be accurate. Also consider that in terms of the Solar System, counting from the Outside, excluding Pluto, Jupiter is the Center Planet when superimposed to correspond to the Jewish Menorah Motif.

Star Gates

The Planets also follow the Color Spectrum of the Visible Light, i.e., the 'Rainbow', which is Amazing because every Planet then has a specific Resonance or Frequency based on its Size, Composition, Color and Orbit. If one wants to follow another Rabbit Trail, one has postulated that the 7 Planets correspond to the 7 Chakras of a Human Body. This Phenomena pertaining to the Human Body, likewise, corresponds to the Color Spectrum and Resonance of Frequency the Planets are arranged in their Order within the Solar System. Truly Amazing what Jesus has created. And how one is made in the Image and Likeness of YHVH, who is Light, Sound (the Word) and Spirit. Thank You Jesus.

Now, it is one's Theory that Heaven, the Cosmos, the Solar System, the Temple of YHVH are patterned with a 'Front Door' and a Back Door'. These can be defined as Portals or Star-Gates, in the case of the Cosmos, and Heaven itself. One is also suggesting that the Human Form, i.e., the Body is replicated in such a Way. This has to do with the 2 similar or corresponding Doors. And they are? The 'Front Door' to the Human Body, is naturally the Mouth. Then the 'Back Door' would correspond to the Anus, etc.

These 2 Portals is how the Universe is delineated within the Mazzaroth or Zodiac by the Intersections of the Ecliptic Line where the Sun traverses through the 12 Signs, and the Galactic Equator that defines the Plain of the Milky Way Galaxy. Or in other words, one can see the Gates, Portals or Doors as the Front Door and Back Door of the Cosmos. One postulates that it is a Mirror Reflection of how Heaven is also defined as. This same Heavenly and Cosmic Pattern is replicated on Earth.

Jerusalem is one such Example as the Old City is patterned after Orion and also with the Golden Gate to the East facing the Mount of Olives. Then there is the Jaffa Gate, that corresponds to the Silver Gate, thus the 'Front Door and Back Door' of Jerusalem. And as Jerusalem is patterned after the Heavenly One, such is the Temple. This goes for the USA and Europe as well. In the USA, the Golden Gate, San Francisco juxtaposed with the Brooklyn Bridge for example. And the ones from Portugal in Lisbon to the one in Istanbul, etc.

The Golden Gate is where Jesus entered Jerusalem, through the 'Front Door' on the Sabbath Triumphant Entry. And He left through the Damascus Gate, still being Silver in Color, corresponding to the Silver Gate or 'Back Door'. At Jesus' Return, it is from the Mount of Olives that Jesus will again enter Jerusalem through the Golden Gate. What is also unique about these 2 Gates is that they also correspond to Time. It is because the Sun is at each Gate on the Summer and Winter Solstices. They essentially delineate 'Time'. Thus, when a Planet enters the Golden Gate, it is a 'New Beginning' or Episode.

THE SILVER GATE

PORTALS OF HEAVEN - A STUDY OF THEIR COSMIC AND PROPHETIC SIGNIFICANCE

As far as the celestial Gates are concerned the Luciferians have also incorporated masculine and feminine attributes to the Gates and the constellation attributed to them. For example regarding the Silver Gate of Man, it is Orion the masculine that is paired with Taurus the feminine, in one masculine aspect, it is the Virgin and the Sun in feminine aspect that depicts the celestial battle between good and evil, wickedness and righteousness. More than that, the ruling planet of the Silver Gate is Venus found in Taurus. In ancient Egypt, this is why Isis, another version of Venus, is often depicted with the horns of a bull. In Taurus and the Sun in feminine aspect, the 2 Gates are a perfect mirror of each other. They represent the cosmic order reaching a "balance" during the 2 Equinoxes of a given year. As noted, the Silver Gate has Orion as the "Sentinel Guardian". What is unique about Orion is that on the Fall Equinox, usually on September 22/23, the Sun exactly intersects this Gate. Only twice per year (on the Equinox) will the day and night be approximately 12 hours. Orion is south of the Silver Gate and has one of his arms extended up to this intersection. It makes for an amazing depiction of a right-angled triangle. Orion's depiction thus has a thrust on his hand corresponding to the Sun literally intersects this Silver Gate of Man. In Biblical interpretations, Orion is a depiction of Jesus Christ at His 2nd Coming. This will be the time where the Queen comes in the bright radiance of His light that will destroy His enemies at His Appearance.

THE COMING OPENING OF PORTALS
This concept states would state that there are not "miracles" to get to heaven as we commonly think it is. Gate is an entrance. The Luciferians believe that they can go to Heaven Gate of the Luciferians. This is what CERN is really all about. Lucifer will attempt to scale the Gate of Heaven one last time before he is thrust down to the Earth. They seek to receive the "Bliss" that has existed since before time by his leader in his same appearance. This is a return into Heaven, and at the 2nd Coming of Jesus.

CERN is dedicated to the LORD of the Dance, I.e. Lucifer. He is the Destroyer, LORD Shiva also is known by other names as Mercury. Position with the Trident, Leviathan and Apollyon that is the King over the demon Titans of the Pit.

Whenever there is a sacred Gematria configuration of double tetrahedron, it is an instrument/key to opening a portal.

A HEXAGRAM
Whenever there is a sacred Gematria configuration of double tetrahedron, it is an instrument/key to opening a portal.

THE VESSELS
In terms of the cosmic coordinates, the Silver Gate of Man corresponds with the constellations of the Milky Way plane of the Galactic plane which it is also called. As noted, what is amazing to ascertain is that in order for us to travel through these Gates, it takes a certain amount of energy. In recent observations from the Hubble Telescope, there have been unusual anomalies that appear to be energy coming out and in of the Sun. Cosmic rays have gone out and in of the Sun. These anomalies suggest a solar storm and/or other dimensional beings. There are those that believe that the UFO space crafts are used by Aliens to traverse such portals. The ancient Egyptians typified this assertion of traversing the Cosmos by a barge of boat.

Other genetic manipulation of humans by these Fallen Angels has produced various types of "Clones" that added human and other DNA experiments. These Clones are the ones that visit us or UFO "ships" for travel as they are interdimensional beings. Many in the ending would call these vessels the Hebraic area of the "Gates of the gods in another sense. Pertaining to the human temple, the body can be trained to be a Merkavah to travel to and from in this mortal dimension. There is a concept of a Merkavah and it is a real recorded space vehicle and time at least on the side of the Gates.

Some studies have even suggested that the body is constituted by a so-called "transformation" of constitution that can be transformed into matter and space. If one only knows how to harness energy, it is not hard to "travel" and "called" or portals at certain places and times. However, who purport to do this, it is that the energy must be able to operate that process in order for the "Bliss" to be reached. In fact, some doctors of prophecies have indicated that in so much as they possess body, auto-teleportation contact with the spiritual realm, it can be done through direct for one the history in another way. On the other hand it can be done, not exclude all the past practices of the Merkavah. The Bible is not without repeats in instances where such a transportation and transformation occurs with the energy provided by the LORD Himself. The difference and signature is seen in the purpose for such an endeavor. The LORD's purpose will always be holy.

4 CELESTIAL COORDINATES OF YHVH

The purpose of this illustration is to show in the Cosmos the approximate Reflection of the 4 Cosmic Coordinates that emanate from the Throne Room of YHVH. It is the celestial "blueprint" of how the Creation and the Universe is expanded to include the Dimensions of Space and Time. The Cosmic Coordinates are a Divine Template that is seen in other Biblical Patterns such as the Merkavah of YHVH as revealed to Ezekiel. The expanse of this Divine Celestial Coordinates have 4 Corners that correspond to various "Beast" Motifs. These are ascribed to the Dimensions and Attributes of YHVH's Ministry and the 4 Gospels. These 4 Motifs are as "seinfelds" that correspond to a particular Cosmic Quadrant and corresponding Sign and Star. Other patterns involve the 4 directions of Earth and Structures such as the Tabernacle of Moses and the Temples.

REVELATION 12 SIGN - 2029 **In the Midst of the Tribulation**

What happened to the Sign of Revelation 12? Is it still a Prophetic Warning? What if it is a 7-Year Countdown to the Rapture? What if it Marks the Mid-Point of the Tribulation Period? The Book is a Critical Review of the Status of the Revelation 12 Sign Encrypted Celestially and suggesting a Timeline alluding to the Rapture Event and the Mid-Point Marker of the Tribulation. When? One will argue that the Revelation 12 Sign is the Midst or Mid-Point Sign of the 7-Year Tribulation Period.

ORION STAR GATES

Sacred Patterns of Heaven on Earth

What is Heaven like? Many have had Out of Body Death Experiences and Describe Heaven with the Most Pleasant of Sights, Smells, Animals, Scenery, etc. But in terms of its Structure, how is it Configured? What Measurement Standard is being used? Now one realizes that this will not be possible to Ascertain. But are there Clues as to how it is Configured and what are its Dimensions, perhaps? Yes. Biblically Speaking, the Bible do provide a Patchwork of Data Points that this Book will seek to Investigate and Present as Evidence.

PLANET X DEATH STAR DESTROYER

Return of the Red Dragon

The purpose of this Book is to present various Insights, for-and-against the Planet X Phenomena. The study will try to ascertain a comprehensive array of Subject Matter surrounding this Notion of an allusive Extra Solar System 2nd Sun. The Book will introduce such a Topic to the Novice and gather the Main Tenets of the Phenomena of Planet X in a single reading. The aim is to better inform and educate the reader as to the various Arguments for-and-against the Hypothesis. This Book is not a Scientific Based Exposé of Nemesis and/or Nibiru.

COSMOLOGY OF JESUS CHRIST

War of the Seeds

This Book seeks to unlock the Secrets of the Celestial Blueprint of the Last Days based on the 'Image and Likeness' of Jesus Christ; that is His Pattern of the Body Form and its Dimensions that occur on a Prophetic Scale. Such Patterns are seen in the literal Lifespan of Jesus' Life Timeline, the Ark of the Covenant, the Solar System and the Human Form to name of few that this Book will examine and present. These Alignments and Eclipse Patterns could lend some Clues, as to the Timing of Christ's actual Birth and Return.
