

The **BackPack Program** is designed to meet the needs of hungry children when other resources are not available to them. The program provides bags filled with food that is child friendly, shelf stable and easy to prepare. We receive our food from the Regional Food Bank of North Eastern New York.

The backpacks are packed each week by different groups of volunteers and are discretely distributed to participating children on Friday afternoons.

If you would like to make a donation to the BackPack Program, please make checks payable to **Moriah Central School**. Checks can be mailed directly to the following address:

**Moriah Central School
