

# HAWKI FUTURITY

Lancaster Event Center  
Lincoln, Nebraska  
October 9-11, 2015

*The first round, all 3 of my futurity horses had decent runs. BHR Speedy Frost ended up 5th and Wantastreakerrebate was 7th so I had two qualified for the championship round and one in the consolation. Even though 'Speedy' had a good run, she stepped off the 3rd quite a bit, so I went to the practice pen before the championship round on Sunday and that proved to be a good thing. She worked like a dream. She is always a pleaser so I knew it wouldn't take much to correct her.*

*Hats off to Renae and her crew--their events are always so professional and the ground is always groomed to perfection.*

*Rose*
