Why choose us?

In a modern work environment, office furniture needs to be durable, comfortable, and most importantly, modular for ever-changing needs. At Goldsit, with more than 33 years of experience, we develop new designs that meet these goals.

Who we are?

Established in 1993, GOLDSIT OFFICE FURNITURE is headquartered in Bursa, Türkiye. We manufacture office chairs, furniture, and seating groups, utilizing modern techniques and innovations. Our product range constantly evolves through customer-focused R&D and eco-friendly production.

Over 33 years, we have grown to be a leading brand in Turkey's office furniture sector, providing life-oriented solutions for the changing work environment. With a warehouse in Nanuet, New York, we aim to create enjoyable and peaceful workspaces with our high-quality, aesthetically pleasing products.
