

Moon memories: Celebrating 50th anniversary of Apollo 11 landing

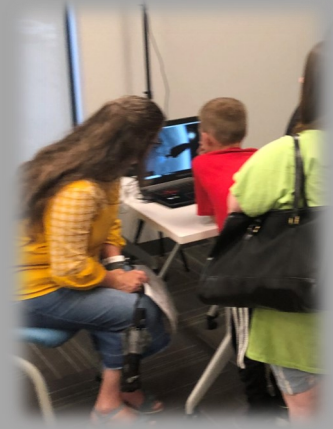

BEDFORD — StoneGate Arts & Education Center was the backdrop for Bedford Public Library’s July 15 presentation marking the 50th anniversary of the moon landing.

Attendees revisited the historic events of July 20, 1969 through the eyes of the astronauts and NASA support staff who made it possible.

Those present were able to take part in a virtual

reality simulation of the launch and landing of the lunar spacecraft and watched an official webcast of the Apollo 11 mission.

Participants dined on period-style hors d’oeuvres and astronaut ice cream.

Become a SOAR adult literacy tutor

Success and Opportunity At Reading (SOAR!) Adult Literacy is in need of students and volunteer tutors.

Volunteers can have a profound effect on students who are eager to learn to read.

Any adult who would like to

volunteer to tutor, or would like to learn to read or to improve his or her current reading skills may contact SOAR! Executive Director Adele Bowden-Purlee at (812) 279-8126 or by email at soardirector@gmail.com.

Students will be matched with volunteer tutors who will

meet with them at their convenience, approximately once a week.

SOAR! conducts regular tutor volunteer training sessions as required throughout the year.
