October Open Meet Results

Our swimmers did a great job at our very CHILLY first open meet of the season! We are still waiting for official results and will have them on the website as soon as they are available. Thank you to all our parents who stepped up to time, and a very BIG thank you to those parents who shadowed as officials. We did have one shaky moment where Coach Sharon had to fill a timing chair, leaving the Thunder kids without a coach on deck. Many thanks to the parent who stepped up to relieve her.

The cold never bothered us anyway ..

It is EXTREMELY important that swimmers are on time for warm-ups at the meets. Please leave ample time to arrive for your session! Swimmers who are late risk being scratched from their events.

Parent seating at practice: we have received word from THS administration that the Fire Marshall prohibits us from setting up bleachers in the hallway. Moreover, parents may not in any way block access to the double doors at the pool. Parents may bring folding chairs to sit in the hallway. For your safety please stay off the deck – it's slippery! -- and away from the crow's nest. We appreciate your cooperation.
