DESCRIPTION: Great looking and performing vintage recurve target bow. African Rosewood and Phenolic riser. It has no delamination; limbs are straight. Overlays and tips are in great condition. Two small barely visible professionally repaired sight holes (see pic on last page). No chips or dings. One short repaired superficial stress crack that extended from the grip 1" into the lower facing limb. A few minor scratches, blemishes and scuffs here and there. Decal is in great shape. Overall, this is a really nice bow in excellent condition for its age.
