### *Use of Lethal Force against Domestic 'Terrorists'*

In a Nuclear War against Russia, a lot more People, in the Millions would survive in Russia than they would in the USA. The Russians have extensive Underground Bunkers provided for the People. The USA does not, except for the Ruling Class. Largely, due to recurring Invasions over the Millenia's, entire Russian Populations within Towns and Cities can potentially survive a Nuclear War. In the USA? You are on your own. It is believed that many Russian Nuclear Bunkers are hidden deep in the Ural Mountains. This will be a long and compressive study so, be warned.

Now, in the USA, there are similar Underground Bases in the Rocky Mountains. One such famous Site is NORAD Command. It is said that it can withstand a Direct Nuclear Strike. Also realize that since 2010, the CIA moved its Domestic Arm Headquarters to Denver. One bets you all did not know that the CIA, the 'Agency' has a Domestic Operation in place. And did you are hear and read about how the Deputy Secretary of the Department of Defense, Kathleen Hicks drafted the DoD Directive 5240.01?

She formulated the Department of Defense DoD Protocols to allow the U.S. Military to gather 'Intelligence' on People it deems a Threat to the Federal Government. And that it can work with Local and State Policing Agencies to use 'Lethal or Deadly Force' on U.S. Citizens if such Citizens refuse Arrest, Interrogation or seek to Flee.

This means that Christians, Patriots, Anti-Abortionists, Anti-Trans and Anti-Porn in Public Schools and Libraries that are deemed 'Enemies of the State and Domestic Terrorists will have the Military to contend with. Who is Kathleen Hicks? She was appointed to the Job, really because of, not so much 'White Privilege', but Class Privilege. Her Father was an Admiral and worked at the highest Nuclear Facilities, that is the only reason why and to promote D.E.I. Leftist Ideology, Diversity, Equality and Inclusion, etc.

#### *Executive Order*

#### *DoD Directive 5240.01*

#### *3.3 (c)*

*Defense Intelligence and CI will be the all-source intelligence collection, analysis, sharing, and dissemination capability derived from intelligence and CI activities, operations, and campaign plans, provided to U.S. Government and DoD decision makers and warfighters for military planning and operations.*

## **Dangerous Directives**

This is very Dangerous and just another Step to a World of '1984' Big Brother where the State is 'God' and any Dissension will not be tolerated. The Issue is that due to the Protections within the U.S. Constitution, the U.S. Military cannot be quartered, nor used as a Domestic Policing Force. And there is no recourse to redress any Grievances against being detained or arrested by the Military. And one cannot sue them as one can, presently of the Local and State Police Agencies through the Court Systems, etc.

But thanks to 9-11, an Inside Job, the Patriot Act has set-up the Apparatus to really be against the Patriots. And really, if one peels back the Layer in the Onion, it is against the Christian Witness. It is as the Bible describes, a Spiritual War going on. But in the USA, such 'Luxuries' of having the Government provide Bomb Shelter for its Citizens are reserved for on the 'Continuity of Government' Club. And 'You Ain't in it'. They would rather give those, if any to the Illegal Migrants instead. It is understandable that the vast majority of the USA does not have nor provide Bomb Shelters as the need has not arisen.

The 2 vast Oceans served as the Protecting Barriers 'Enemies' would have to cross. But with Modern Warfare such as Supersonic Missiles, Submarines and Satellites, the USA is just as much a Sitting-Duck, as they say, as every other Nation now. NORAD does not have the Defense Shield like Israel does. It has a Defensive Shield, to a limited capability but when Nuclear Warheads have MIRV's, (Multiple Independently Targetable Reentry Vehicles) to track and shoot down, a Nuclear Attack will be overwhelming. And consider that Russia has the most Stockpile of Nuclear Warheads.

It is estimated that Russia currently has about ~5,500 Nuclear Bombs. And consider that this is half of what it used to possess before the Nuclear Treaties were signed. It will only take about 50 Nuclear Detonations to kill-off 90% of the U.S. Population in the Continental States. This means that Russian can launch a 'Scorched-Earth' Attack against the USA, 100 Times over. It would truly be a Terraforming Effect. However, Russia and China, who will Tag-Team to invade the USA, at some Point in Time, only want the Major Cities destroyed.

And most of the U.S. Population are on the Coastlines, 80% in comparison to about 20% that inhabit in what are called the 'Fly-Over States. But that is the Key. With 80% of the U.S. Population killed-off and/or Raptured by that Time and Place, the Bread-Basket of the Mid-West will be intact, needed to feed the Russians and Chinese back Home. But in comparison, at least the Russians, since the Ukraine Revolution of 2014 have attended to upgrading or refurbishing their Bomb Shelters. It is reported that all of the People of Moscow can be taken care of and accommodated in such Facilities.

Or for example, other Countries, like in Finland, there are than 5,000 Bomb Shelters in Helsinki alone. That is enough to shelter more than the City's entire Population. And there are more than 50,000 Bunkers across the Country, according to Helsinki's Civil Defense Department. Can one say that of New York City? Atlanta? Los Angeles? San Francisco? Seattle? Dallas? St. Louis? No. Good Luck Citizens.

## **Every 'Ordinary' Man, Woman and Child for Themselves**

So, in the inevitable cause of a World War Nuclear Strick against the USA, the 'Average', Uninformed, Drugged-Up, Partying and Protesting Americans are on your own. All the while, the Governing Elites all get evacuated to their DUMB's, (Deep Underground Military Bases).

Remember, the Luciferians who are the Elites, that run the World, for now are also Darwinian Socialists. Their Doctrine is based on the Theory of Evolution. It is about the Survival of the Fittest Races. This aspect is what is not taught or made known in the Public Schools and Universities. Why not? It is because the Theory is purely Racist and based on Racism. Below is what the entire Title of Darwin's Thesis was and is and the 2nd Part is conveniently left out.

*'On the Origin of Species by Means of Natural Selection, or the Preservation of Favored Races in the Struggle for Life'.*

So, when 'All World War 3' breaks-out, it will be about the Survival of the 'Fittest Races'. Good Luck. So, as to the DoD Directive to allow for the U.S. Military to use Lethal Force against U.S. Citizen? It is a Great Conversation to have, especially after November 5, 2024, pertaining to the USA Elections, when Violence breaks-out on the Side of the Left mostly. November 5 is the 310th Day of the Year. If Trumps wins, the Left will lose their mind and will Riot like it is 1999. ...No, one means like 2020. Yes, Habeas Corpus was suspended during the U.S. 1st Civil War. In fact, the whole Constitution was suspended. As noted, Habeas Corpus can be suspended for the following Reasons.

*'Only in Specific Circumstances such as Cases of Rebellion or Invasion when Public Safety may require it. This is outlined in Article I, Section 9, Clause 2 of the U.S. Constitution'.*

### **HABEAS CORPUS**

*Noun*

*1. A Writ that a Person may seek from a Court to obtain immediate Release from an Unlawful Confinement, as when the Confinement has occurred through a means that violated the Person's Constitutional Rights.*

*2. The Right of a Person to obtain such a Writ.*

*3. A Writ to bring a Person before a Court or a Judge, most frequently used to ensure that a Person's Imprisonment, Detention, or Commitment is Legal.*

The USA was under Martial Law during the Civil War. But what came out of the Civil War was the Posse Comitatus Act. So, this is your Political Science Lesson for the Day. Here below is the Definition of the Act and the Scope of its Reason. This Provision mainly came about because after the Civil War, the Federal Army of the North, i.e., the United States occupied the Confederate States of America, of the South. And in so doing, the U.S. Army functioned as the Police. And there was much Abuse. There was no U.S. Federal Constitution being adhered to, and that is what is coming again.

### *POSSE COMITATUS ACT*

*The Posse Comitatus Act is a United States federal law signed on June 18, 1878, by President Rutherford B. Hayes that limits the powers of the federal government in the use of federal military personnel to enforce domestic policies within the United States.*

But here is what is going on with this DoD Department of Defense Directive, drafted by a former Obama Appointee. It is just that, a Directive. It is not 'Law'. But one is convinced that it is Unconstitutional. One is expecting the Law Suits to ensue, if at all. It is because in the case of the U.S. Constitution being totally suspended, there was an All-Out War, the 1st Civil War, in one's Estimation. And the Decision was made by the U.S. Acting President. At that Time and Place, it was Abraham Lincoln, etc.

But he conferred with his Cabinet and Leaders of both the House of Representatives, the People's House, and the Senate Leaders. This, at least had some Semblance of a Representative Republic. And to this, since they are all Elected Officials, they are thus Accountable to the People, could be or would be. In the case of the DoD Directive, the Deputy Secretary, Hicks of the Department of Defense is not an Elected Official nor is accountable to the People. This is the Problem.

She is a Bureaucrat that has been used to forge this Document to further expand the Powers of the U.S. Military against U.S. Citizens in U.S. Soil. Now, there has been in place, since 9-11, due to the Patriot Act, already the Provision to have the Federal Government and the Executive Branch, i.e., the U.S. President order a Suspension of Habeas Corpus, for any and all types of 'Insurrections'. But realize who has the Power, the Military and how the Directive is being interpreted.

For example, the January 6 Event was deemed an 'Insurrection' by the 'Patriots' and 'Nationalist Christians', etc. Because of this, those apprehended and deemed the Leaders have been detained without Legal Representation and are being held, presently, to this day in Military Jails. Did you all realize this? Think about that. Next Time one just demonstrates or protests an Event the Federal Government deems an 'Insurrection', they will send the U.S. Military against you, detain you for any amount of Time, indefinitely with no legal right to Representation or Habeas Corpus Protection.

And now if you attempt to flee, the U.S. Military can shoot you down. One just sees this Action as part of the Slippery Slope of Tyranny that is being Written, Codified, and then to be eventually Implemented. This same Approach occurred with how COVID was rolled-out and there were 'Directives' from the CDC on how to Federal and State Agencies are to Quarantine People.

They can now force People the Government deems a 'Threat to Public Safety' to be detained. Here is the Issue. Will Americans in the U.S. Military fire upon fellow U.S. Citizens? Probably not, unless they are Leftists. So, the Federal Agencies have a Problem. Solution? Americans may have a hard Time killing American in the U.S. Military, but not Migrants or U.N. 'Peace-Keepers'. And that is what one surmises will happens. After the Rapture Event, whomever is President of the USA will gladly call for the U.N. to assist in keeping Law and Order.

## **Battlefield USA**

Hello Chinese, Muslim and Russian Soldiers, a lot who have already cross the U.S. Southern Border. These Types will murder Americans without a Blink of an Eye. For a lot of these People Groups, it will be 'Pay-Back' for how their People suffered Invasions under the 'American Empire', etc. Remember Jade Helm back in 2010? See Article on that Trial Run. It will be about a Battlefield USA 'Full Spectrum Dominance' Operation against the Conservatives, Christians, Patriots, and the like.

### **#64: JADE HELM**

#### **BATTLEFIELD AMERICA**

*Precursor to the New World Order Protocols*

<https://www.postscripts.org/ps-news-64.html>

This is where the COVID Camps and the separation of Families would be implemented. Back in 1992, during the Los Angeles Riots, due to the Rodney King Incident, the U.S. President suspended the Habeas Corpus in Los Angeles, specifically and only. And the Authorization by the U.S. Army that patrolled the Streets was given the Legal Cover to use 'Lethal Force', if necessary to spot the Riots and Looting, etc. The Decision was made by an Elected Official.

This Directive on the Lethality Use was made by some Under-Secretary of the Department of Defense that has no mechanism of Accountability to the Citizenry. That is one's Point. There is nothing more desirable than for the Federal Government to have those on the 'Right', deemed Patriots, 'Christian Natalists', Anti-Abortionist, pick-up Arms and start shooting at Federal Agents. The Federal Agencies cannot wait for that Day to come so they can then blame the 'Domestic Terrorists' and have their long-awaited Excuse to confiscate Arms and round-up such Insurrectionists.

Never Mind the BLM that burnt down the Major Inner Cities along with Businesses and were allowed a Free Hand. Had you all noticed how since Biden took Office, nothing but how they described Conservative Christians as being 'Nationalists' and Extremists. They intentionally make it sound like the Nazi National Socialist Party. Precisely. Or how during Hurricane Helene, the Media blamed the White Supremacist Militias for threatening and not allowing the poor Federal Aid Workers to come and help the People in the Region.

The Feds were so eager for those just wanting to protect their Property from Looters, to have them start Shooting at the Federal Agents. And come to find-out, it was reported by Local Sheriff's that about 70% of those Looting were from outside the County and Migrants. It is all by Design. This is all a 9-11 in Slow Motion. And all this is sooner or later, coming to a Suburban Neighborhood near you. It already has started.

One often wonders how, for example when the Soviet Union fell apart and the Power transferred from Gorbachev to Yeltsin, it was Putin who Yeltsin literally gave the Keys of the Kremlin to a Young Putin on National TV. And what did Putin then ask the then U.S. President Clinton? Can we join NATO? Imagine that! Of course Clinton was 'Told' to say 'No'. More so, there would have been no need for NATO.

## Preparation for Riots?

But the Powers-That-Be needed to keep that Military Industrial Complex making money at the expense of Young Men and Women's Blood on their Chessboard Battlefield. Only in their minds and in reality, the Chess-Pieces are really live Humans that are being slaughtered by the 1000. Then one also wonders how during all those World Economic Forum Meetings, the Former Director of the Agency would boast about their Young Leaders Institute of how many Graduates they have had placed in World Cabinets. And the List included the 'Usual Suspects', Trudeau, Macron, Merkel, but then he mentioned Putin of all People. What?

Putin a Graduate of the '666' World Economic Forum? It is as Cory mentioned, it is pure 'Theatre'. And is it no wonder why in War, the various Campaigns are called 'Theaters'? One is well aware of the Washington Prophecies. They are very intriguing and if True, wow. There is going to be a 2nd Civil War for sure, at some Point in Time. Perhaps the USA is brushing-up against it now. But then one also has thought about how it started with Clinton in how he 'shared' ICBM Technology with the Communist Chinese back in the 1990s. And to buy all of the U.S. Debt through Treasury Bonds, the Chinese did so. And what did the USA or Clinton put-up as Collateral?

All of the Federal Reserve Lands across the USA. In other words, if the USA would Default, the Chinese will have a Legal Right to all the Land. And they will need such Acreage to feed their People. This is why, in one's Estimation, on the Major Cities will be Nuked. It will minimize the Radiation Fallout, kill a High Yield of People and the Surviving one will tend to the Farming and be enclosed in what is left of the Metropolitan Cities that will be fenced-off as Ghettos.

This is why Bill Gates has bought-up major Acreage also and is pushing for People to be quarantined into 15-Mintute Cities and to eat Bugs, etc. As the Year 2025 comes into view, it is a Quarter Century already into the Time-Span. Imagine that 'How Time Flies', as they say. This is not to scare but prepare. If the U.S. Federal Government is training for Evacuations of the Elites during a Nuclear War, and Russia is too on a National Level, do you no think it would be a good Idea for the 'Average Joe' to be doing so as well? Here is the Article one wrote about, a while back on the George Washington Prophecy, as a refresher or a Read for those new to the Conversation.

**#389: GEORGE WASHINGTON PROPHECIES**

**FALL OF THE REPUBLIC**

*Coming 3rd Peril of the United States of America*

<https://www.postscripts.org/ps-news-389.html>

Not giving advise but during this Weekend, when going on one's Weekly Grocery Shopping, one is just going to go over one's Food Budget. One will be buying a little bit more or 'Extra' in case any Election Riots do break-out and access to the Grocery Store or Gas Station are sectioned-off or become Dangerous. This will be especially True of the Major or Large Cities. Yes, sadly in many parts of the USA, it has turned already into a 3rd World Nation and Conditions. Mission Accomplished. One is buying extra cans of Beans, mainly Food that can last a few Weeks.

## **Controlled Demolition**

A few jugs of Water, filling-up the Tank on the Vehicles and Extra Gas Container, etc. Have Matches, Candles, etc. If all this will be a 'Nothing Burger', then one will not have to go Grocery Shopping for 2 Weeks and it is then just 'Good Practice' to have for all those Man-Made Weather Weapons and Earthquakes, eh?

But above all, Pray-Up and Rest on Jesus. He know where we are at. He has our GPS. No doubt, all these 'Signs' and Calamities are having a Spiritual Impact on People's Lives, especially those being directly affected. And as a result, there is Individualized Revival, one would hope, as that is where it needs to start for a whole Nation to turn back to Christ Jesus.

But in general, it seems the USA, as a whole is increasingly taking-up the Mindset of Pharaoh of the Bible, as it is hardening its Heart one would say. And that was despite the 10 Plagues that ravaged his Kingdom. It is being no different for the Response of the USA, collectively? If one can draw some Prophetic Parallels of the USA being as an 'Egypt', and YHVH sending Judgments upon the Land, Animals and People, then it is also about a 'Delivery', an Exodus from that World as it was then.

As one could deduce, along with others have made the Inference of how the Rapture Event will precisely be that 'Delivery' and Exodus, etc. But presently in the USA? On 1 Hand you see the Church Body step-up and fill-in the Void that the Federal Government lacked in terms of Rescue and Relief, concerning Hurricane Helene, in particular. It also brings the Best out of People. But then on the other Hand, one can daily see and read the total Disintegration of the Nation in more ways than one. Now, many People will say, 'The USA and its People are no different than any others in the World'.

That is a True Statement as the Human Condition is Universal and every Human is born with the Sin Nature, etc. But one does believe in 'American Exceptionalism'. As a Political Scientist, one can see why the USA was and is 'Different', at least it was. If one know U.S. History, it is about the 'Good, the Bad and the Ugly'.

But America was Great because she was Godly, enough to have a Spiritual Threshold of a Hedge of Protection and Blessing, despite the Degree of Deceit and Wickedness all around. What the Luciferians have done, is make the USA, now just like the Nations, a 3rd World Nation, precisely because that Spiritual Threshold is gone. And that is on the Church Witness, in one's Estimation. And that is what has happened during the Biden Administration.

Of course, those knowing Bible Prophecy realize that it is all part of the Plan. It is really a 3-2-1 'Boom' Demolition of the USA in a Reset. It started with Obama, then Biden and now finishing-off with Harris. Trump was an 'Interruption' and will not be allowed to 'Win'. But in one's Estimation, it is really a 'Choice' between, as the saying goes, the 'Lesser of 2 Evils'. Now Skeptics have said, are saying and will, that such a State of Affairs in the USA and the World have come-and-gone.

They do appear to come in Cycles do they not? So, they ask, what is so different about this 'Next Alarmist' Time-Frame? There have been Amazing Celestial Signs in the Past, as they are now, and surely many Destabilizing Geo-Political Events to occur still in the Future. Well, below is a Link to a Video of a Pastor, Ex-Marine that one has shared before. He goes over the series of Dreams he had for the past 7 Years. The Catch is that he was convinced that 'GOD' told him not to share them, until now. And yes, it is about War, but a War that is surely coming to the USA.

It does corroborate with the many other Brethren who have had similar Dreams of the same Circumstances. Now the issue is, will all 'This' be going down or start to occur before the American National 'Selections', I mean Elections? Or will it occur leading-up to or just right after the Rapture Event? One is not sure of the Pastor's Rapture Scenario Stance, but what he does share about his Dreams is intriguing and frightful. So, have Discernment about it.

## Books

### **72 TO MONKEY**

ZERO HOUR U.S.A.

The purpose of this Book is to chronicle the Collapse of the USA. The various chapters will be based on one's Political Science background but incorporated and interpreted through a Biblical Lense and Prophetic Filter. What does '72 To Monkey' means? It is that in a period of 72 Hours, 'All Hell will Break Lose'. It is, that after a Period of 72 Hours from a given Time Marker, an unavoidable and certain aftermath is to occur. And that is why one chose that Title for the Information one is providing pertaining to the coming 'Zero Hour' USA.

### **RUMORS OF WAR**

End Times Apocalypses

The purpose of this Book is to present Evidence of how what Jesus warned about in the Last Days, is upon this World now. It is about 'Wars and Rumors of War'. Granted, Wars and their Rumors have plagued Humanity since Cain and Abel in Eden. But what this Book wishes to stress is that the Synchronization of World Events are now wholly in Tandem with what Jesus warned would be the Signs of a pending Nuclear Holocausts due to multiple World Wars to come.

### **3 GREAT AMERICAN ECLIPSES**

Celestial Omens of Judgment

The purpose of this Book is to present over a Decade-Worth of Research since 2015, into the 3 Great American Eclipses that Crisscrossed the United States of America. They started in 2017 and culminated in 2024. One will present a Compilation of Articles suggesting that these Eclipses were Celestial Omens of Pending Judgment upon a Nation, that much like Nineveh of the Old Testament was given an allotted Time to Repent of her Sins, etc.

### **WORLD WAR RESET**

In the Shadow of the Tribulation

Not if, but when will World War 3 start? It has already. At least by some who Argue that Point, that World War 3 has already begun. The purpose of this Book is to Chronicle various Geo-Political and Astronomical Factors, that would suggest this. Or, if at least, the Prelude is In-Play, that many End Time Students of Prophecy, have deemed, the Great Reset.

Thus, the World War Reset. One will take a Biblical Point of View and Interpretation to help Explain what is really going on in the World Gone Mad. It is essentially a Spiritual World War, and from Ancient Times.

### **SUDDEN DESTRUCTION**

To End the Church Age

The Bible describes that when the Rapture Event happens, it will coincide with a 'Sudden Destruction'. What is that? Will it be a Nuclear Exchange? Will it be World War 3 or a Regional Conflict? The purpose of this Book is to investigate and present possible Scenarios of the Signs that have occurred Above and Below. What are those Signs about? The Signs Above pertain to the Signs in the Sun, Moon and the Stars. The Signs Below pertain to the Geo-Political Events that center around Israel in particular. Why Israel?
