Recommended Use: As a dietary supplement, mix 36 grams (approx. one scoop) in ten ounces of water per day, or as directed by your health care practitioner. Best if consumed within 15 minutes.

Vegan Meal DF: A truly superior functional food powder designed to support healthy weight loss and management.†† Formulated to help promote an optimal intake of protein, vitamins, minerals, and fiber, Vegan Meal DF is a great choice to help you maintain muscle as you lose fat.†† This easy-to-digest protein comes from non-GMO, North American grown yellow peas, providing an excellent array of amino acids including healthy levels of the important BCAAs (branched chain amino acids). The additional fiber and glucomannan in this formula help control appetite, making Vegan Meal DF ideal for patients needing support with weight control, muscle gain, and GI health.††

††These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Vegan Meal DF has a pleasant berry flavor, a wonderful, smooth texture, and mixes easily in water. It is free of dairy, gluten, and lactose, and is sweetened with the natural herb stevia.
