

CCWS is starting a DVD Library for Members

April, 2018

To get our library started, we are asking members for DVD donations. As the library grows, we should be able to purchase a few DVDs each year. We would want to add DVDs from our workshop artists each year at the very least.

A DVD List – will reside on the website in the form of a PDF so you can view, download/print it out for easy reference. New DVD additions will be announced in the newsletter and highlighted on the list.

To use the library, members will need to register just like using the public library.

A short registration form will be available at the meeting. We need your **current** address, phone number, and email address, so we can contact you in case the DVD is not returned.

Library Joining Fee – Donation of one or more DVDs waives your joining fee.

Members will be required to pay \$20 in cash or check as a one-time library joining fee. This fee will be good as long as your membership in CCWS stays current. If you don't return the DVD, you will forfeit the \$20 and have to pay \$20 again to continue to use the library. If your membership in CCWS lapses, you will also forfeit the \$20 and lose library privileges.

Failure to return a DVD, to the library will suspend your borrowing privilege until the library material is returned or replaced.

Members can borrow one DVD at a time for one month until the next meeting. Members must come to the meeting to take advantage of the library.

Library Hours

The library will be available at each monthly meeting from 6:30 to 7:00 for perusing, borrowing and returning DVDs.

We hope you will take advantage of this new member benefit. In researching other watercolor societies that do this for their members, everyone said their library was very popular and well liked by the members.

Dail Schroeder, Librarian
Judi Sanders, Assistant Librarian
