---

The Hagedorn Little Village School *Jack Joel Center for Special Children* is regarded as one of the region's finest educational and therapeutic facilities for children with developmental disabilities

Established in 1969, The Hagedorn Little Village School provides educational and supportive services for families and an ongoing educational/therapeutic program for their children. The Hagedorn Little Village's school-based program and ancillary services provide support and services to over 500 families annually throughout Long Island.
