By PCC Olin Newby, Board Chairman

It is a pleasure for me to announce that Ron Worley has been hired to be the Program Director for the Camp Starting February 1,2019. Ron completed his master's degree in Blind Rehabilitation in 1993. He accepted his first job with the Department of Vocational Rehabilitation Services in Mobile, Alabama. In 1996, He started 22 years of his career working for the Veteran's Administration in Augusta, Georgia. In those 24 years He has developed Peer support groups, various sports teams for blinded athletes, created non-profit organizations for blind consumers, served on national committees that had addressed specific needs of the visually impaired population and currently serves as Secretary to the Augusta branch of the Georgia Counsel of the Blind civic organization .Ron will be in charge of the camping program beginning February 1.

In addition to this announcement, Mike Williams will retain his former job title “Buildings and Grounds” now named Facilities Director for the camp. The board has dropped the name camp director and acting camp director to the name of Executive Director.

Since the camp does not have an Executive Director at this time the board has agreed on the following. Mike will act as the Acting Executive Director. The Program Director, and Office Manager will report to acting Executive Director Mike Williams who reports to the Chairman of the Board and the Program Director has a dotted line reporting relationship to the Chairman of the Board. (This explanation is for clarification of responsibilities)
