

The Morrill County Assessor's Office has an opening for an experienced, qualified clerical person. This position requires experience in modern office equipment and practices, self-motivation, ability to work as a team and independently, multi-task under pressure, and have a valid driver's license. The person accepted for this position must be able to work outdoors in extreme weather conditions to measure properties and efficiently work with the property owners, as well as complete clerical duties. This is a full-time position with an excellent benefit package. For application and full job description please contact the Morrill County Assessor's Office at 606 L Street, Bridgeport or call 308-262-1534. Submit cover letter, resume, and county application in person at the Morrill County Assessor's Office.
