Championships Summary

BIKO held the National Championships on Sunday 25th June at Lings Forum, Northampton. There were over 100 competitors, with just under 200 competitor entries. Clubs were represented not only from across England, but also from Wales.

Ipswich put in a very strong performance across the field with Kirkburton maintaining a competitive position. Medals were taken by all clubs represented.

This was, as usual, a very friendly championships and gave our young competitors experience of competition karate.

The KickMaster event proved to be a very welcome addition to the programme and will definitely be included as a standard category in future years.

Many thanks to all competitors, coaches, officials, volunteers, First Aid, Mums & Dads, without whom the completion could not be run.
