'The 2nd Beast was permitted to give breath to the Image of the 1st Beast, so that the Image could speak and cause all who refused to worship it to be killed. And the 2nd Beast required all people small and great, rich and poor, free and slave, to receive a Mark on their right hand or on their forehead, so that no one could buy or sell unless he had the Mark—the Name of the Beast or the Number of its Name, is 666.' – Revelation 13:15-17

The purpose of this study is to consider if the coming forced COVID-19 vaccination will be the Mark of the Beast as some claim and thus, as a Follower of Jesus Christ can lose one's salvation. First, a geo-political backdrop of the current world events will be addressed as they factor into the conditions that will lead to the implementation of a forced COVID-19 vaccine. The topic comes in light of many questions asked about the timing of the Rapture in how many believe and/or are hoping it will occur or has to occur before a scenario of such a vaccine is forced upon the Followers of Christ as well as for the world. And that specifically for this current year, if such a timeline will coincide with the last possible timeframe of the Astronomical end of the Summer Wheat Harvest, that being on the Fall Equinox of September 22nd.

One can only give what is only understand, and it may not be totally what is to be the case, but that goes without saying for those that are trying to 'figure it out'. As one can only look through a dim glass/window, things are coming more into focus as the years have gone by, the pieces seem to be falling into place though. What is presently occurring geo-politically is unprecedented with the latest 'wars and rumors of war' for example. While some nations are eagerly wanting to rush into war, other nations are seeking peace. But consider that such incidents have happened and happen all the time. The Superpowers rub elbows and flex their military muscle or settle for a pseudo peace status quo. Others point to prophetic implication as with the Red Heifer situation.

It is amazing as it now has been deemed that at least one is still qualifying. It means that there is now a 2-year window of time for a Red Heifer to then be sacrificed to secure its ashes. Why? This factor will be key and utilized to sanctify the Temple Mount for ALL of Israel so that the Tithes and Sacrifices/Offerings of the People can be 'kosher', etc. As it pertains to Israel, which each passing year, the Sanhedrin is flexing its muscle also as it is working its way back to the Temple. With the petition to blow the Shofar on Rosh HaShanah, that is expected but given the current desire for peace with the United Arab Emeritus, it will most likely not be granted. It might be denied inappropriate at this time so as to appear more sensitive to the Muslims. Realize that most Muslims of the world are against this fraternizing with Israel by the Arabs as it is.

COVID Coverup

As to the COVID plandemic, it is a coverup, no pun intended, and it is being exploited to initiate their New World Order protocols. Consider that it was an initial 14-day quarantine and now 'the pandemic is going to be perpetual'. New symptoms are constantly being conjured up to sustain the appearance of a pandemic and perpetual lockdown, etc. The 'pandemic' does involve a pathogen but that it was released and genetically modified. It is in a series of those released for decades now with the, Bird Flu, Swine Flu, MARS, Zika, Ebola, etc. Despite this, there is ample evidence and published medical reports that say it is no different than just a severe flu. And for sure the older people would have been the ones to have only quarantined and looked after.

More people have died of Influenza and other ailments, but one should not have shut down the whole world to implode economies and ruin people's livelihood. But this is exactly what needs to occur for the coming world economic, political, and religious 'Reset' to occur. The padded numbers being used to justify the continued state of emergency can only last so long as most are now 'virus fatigued'. Thus, an 'event' will no doubt be in the works to watch for this Fall season then, by September and/or October. As the COVID-19 virus has naturally fizzled-out, they will find a crisis to even double-down with or as Gates allude to. As stated by him, the next round of viruses will make people take the lockdown and mandatory wearing of masks seriously. And that the USA response to the plandemic was dismal and blamed it on American's cherished Civil Liberties that are just too much for them to have to deal with.

By contrast, Sweden is reporting that 'nothing really happened' as they reached a herd immunity now. Even so, the countries Gates praised as models of their medical tyranny response, Australia and New Zealand did not have any cases for over 100 days, yet they are the ones with the most draconian measures now implemented against their own citizens. They now have force road check points and mandatory blood samples along with any type of quarantine to be at certain 'facilitates' and not one's home even. Mind you, such were the nations that due to their orchestrated false flag mass shootings, the guns were then all confiscated and outlawed. One wonders why? Such nations are a test run of how it will be rolled-out worldwide eventually. The point is that at this level, time, and scope of such a worldwide effect, it is the set-up for transitioning into the New World Order. As stated before, such a crisis will not be let go to waste.

And as questions then about what event in September and or October will occur? Many are saying it might well be the Rapture, or the Ezekiel 38 War that will then usher in the AntiChrist. The coming event(s) that will be the catalyst will be the Rapture. However, the timing remains elusive to determine and one is of the opinion and understanding that there will be a 3-stage war scenario. The Gog-Magog War 1 will not be the 1st war but the 3rd war in a series. The 1st war will be like what happened in Beirut. It will first occur with the Isaiah 17 destruction of Damascus. Realize that most of the Muslim world is against the UAE and Israel peace deal. Iran and Turkey will muster-up the radicalized paramilitary factions like Hezbollah, Hamas, ISIS, and other Islamists that seek the total destruction of Israel. Such are on Israel's borders and will attack Israel. Thus, Israel will counterattack and destroy Damascus as a warning. It will be nuclear this time.

A War Footing

Many believe, that around this time is when the Rapture will take place, as many have had dreams; 'as the bombs do down, we go up'. This event will then galvanize the 2nd wave of wars, which one calls the Inner-Ring of Muslim nations bordering Israel. The USA will not be in a place of strength as at least 1/3 of its population will have vanished due to the Rapture and to include many more from around the world. But the USA will be then relegated to a 2nd rate world power as chaos and anarchy will ensue. It will no longer be in a position to help and defend Israel. This timing will also coincide also with the set-up in how the Luciferians, will have to implode the USA. They consider the USA as the Old World Order 'Phoenix' that out of its ashes, the New World Order is to rise.

The pendulum will swing back to Europe from where the Antichrists will arise, most likely out of what was known as the Eastern Roman Empire. It is now mainly under Islamic control. This will be the Psalm 83 War. Israel will miraculously win and even expand its borders. This will usher in the AntiChrist that will then broker a deal that will have the Many/Europe's AntiChrist secure Israel's borders and thus live in a false sense of peace. Why? It is because at that time, Israel will accept this 'Man' as the Prince of Peace, their Messiah. The 3rd facet of the wars to come will then be the Ezekiel War led by Russia, Turkey, and Iran. These will be the Outer-Ring of Muslims nations that will attack Israel due to its prosperity and perceived lack of defense as Israel will have relaxed due to thinking that their Messiah will divinely protect them from that point on.

So, this war might occur sometime during the Tribulation Period. Suffice to say that all this cannot take place in 2 months' time if a 2020-27 timeline is espoused. Yes, things are occurring at lighting speed and that is how the Damascus destruction is painted even in the Bible; one morning the world will wake up and it will be all gone. This will be a time coming, which will be all inclusive of their new human DNA mark-up, new currency, new religion, new Superpowers, New World Leader, New Temple for the 'Nations' centered in Jerusalem, etc. As to any possible Star or astronomical alignments that could be Signs of a pending Rapture or message for the Fall Feasts of YHVH to occur before 2022? Well, yes. There will be 2 primary Signs or planetary conjunctions that are or might be very significant as to their meaning and possible confirmation of an end of Summer Wheat Harvest Rapture timing.

The 1st conjunction occurs at the conclusion of Yom Teruah or the Feast of Trumpets on September 20. At this time, the planet Mercury, the Messenger conjoins with the Star of Spica in Virgo. This conjunction on the Fall Equinox will take place in the area where there is a myriad of galaxies surrounding Spica, as it were Virgo carrying a Basket of Wheat. Thus, a possible fulfillment is that at this time, the Wheat Harvest is to be gathered in. Many believe that the Summer Wheat Harvest will conclude astronomically thus by September 22 date as that is the demarcation made by the Fall Equinox, etc. So, does this mean that the Rapture is to take place at such a time? That will remain to be seen but the rehearsal is striking as the Holy Spirit, a type of the Messenger and also of Christ is to come and 'harvest' the Church Age Bride of Christ that Virgo represents. She has been in the 'Wheat Fields' of the world during this Church Age as a type of Ruth gleaming in the field of Boaz, her Kinsman Redeemer and whom she will marry.

Celestial Sign Bookends

Then Astronomical Signs will continue to occur, or planetary conjunctions are to be found. These conjunctions are loaded with meaning on many levels. Those that study the Biblical significance of Astronomy realize that, for example Leo represents Jesus, the King and is the last constellation to finish the storyline of the Redeemer and the Redeemed placed in the Stars. The Star Regulus is the primary Star that denotes royalty and sits right on the Ecliptic line. Venus, on such a level has a double meaning. Venus is one of the euphemisms for Jesus but also for the Bride. This was the case observed in the triple conjunction that occurred prior to Jesus's birth with Jupiter-Venus conjunctions.

This alluded to the male-female attributes, and the conceiving of the Man-Child of which the Magi sought and followed its Star, Jupiter. It led them to Jesus, etc. The times would then correlate to the end of the Fall Feasts of YHVH as Sukkot of a given year. What is also noted is that the Sun is in Virgo during both bookend Astronomical Signs that span the exact duration of the Fall Feasts of YHVH. Interestingly, the 2 conjunctions are in approximate phi ratio to Yom Kippur. This date falls on the 7th month and 11th day or a 7-11 code, for example. There are actually other astronomical conjunctions that are noteworthy. There was the convergence of Jupiter with Saturn and Pluto that will compose the Grand Conjunction on the Winter Solstice of December 21, 2020.

This is very ominous in that after the Fall Feasts of YHVH, such a Sign is signaling what many believe to be the astronomical transferring into the New Age of Aquarius. Many believe that this is heralding the coming New World Order and has been in tandem with such a worldwide lockdown. It does appear that it has been a parallel transitional process to then not only birth the 'Man-Child as in the Rapture Bride of Christ, but the New Age and also their New Age Man, or AntiChrist. Realize that the plans of Christ and the AntiChrist are as a 'dichotomy', running in parallel. Then, Mars is currently in the bands of the Fish, Pisces. This is an ominous Sign as it denotes warfare being waged against the Church, the Bride of Christ presently. And is this not the case that as the years, months, weeks and days, pass, the persecution of the Last Day's Saints is intensifying and will not let up until the Rapture?

If such an array of Astronomical Signs and planetary alignments are to parallel a prophetic convergence and finally of an eventual rendezvous of Jesus, the King, coming for His Bride by way of the Rapture event, that would be wonderful. If not, then one can take comfort that such Astronomical Signs and messages are to encourage the Bride. Know that Jesus has His affection and purpose and time set upon His Bride. He too is longing to be united with His Bride as an expectant Groom would of his own Bride. As to the questions about Jesus leaving His People to take the COVID-19 vaccine and change one's DNA? This is a very good and pertinent question and Pastors need to address this with their Flocks. Yes, the coming vaccine will change the DNA of a person as an alternative way to produce the Antibodies. It is the first time this type of vaccine is being rolled-out and used. However, the vaccine will be linked to an RFID frequency and later on with an option to a Block Chain banking account eventually. Amazing. This COVID-19 plandemic for sure is the foundation for the Mark of the Beast System.

Sky Net

Yes, there is an agenda by the Luciferians to eventually force vaccinate everyone because everyone needs to be on their grid to totally control everyone. But here are the Biblical concerns. The coming COVID-19 vaccine, although as daunting as it will be, will not be the actual Mark of the Beast. Even though it will change one's DNA and manipulate it and then pass that on to one's prodigy, one cannot lose one's salvation by taking it. Consider that if this is the case, then 'One Saved, Always Saved' cannot be true. This means that one can lose one's salvation by taking a mere shot that might or will alter some DNA messaging. At this point in time, this cannot be the actual Mark of the Beast. Although one understands the dread and fear of many that it will or might be. Realize that the 'grid' has to first be in place, which is why the need for a continual lockdown as they have been frantically building and preparing during this time.

The 5G towers are practically now all in place. Then Elon Musk has been launching all types of satellites to have their Luciferian 'Star Link' grid operational that will scan all the world and incorporate and integrate all the vaccinated into this grid. This is the stuff of the Terminator movies with SkyNet. It has all been predicatively programmed and told beforehand so Humanity 'has been warned'. This is their mode of operation that they have to tell the masses what they will be doing. Also realize that they have to also published that this plandemic has been a falsity. But it will not be allowed to be vetted through the mainstream media to convey it in mass. Such publications are buried but nonetheless reaches the level of being absolved from their own sense of accountability and liability. It is for no reason that men like Musk, Bezos, Gates, Zuckerberg, and the like have been allowed to do what they are doing? They are just the front men.

There is yet a bit more time needed for most to be vaccinated and they will have to deal with the many dissenters. And most likely, those objecting will be the ones that will be rounded-up and forced quarantined as is now occurring in Australia. It will be in those nice 'concentration camps' that have been built in years past. The Rapture will surely be what will help facilitate the last few pieces and details to implement their grid. But the point is that even then, it will not be until the halfway mark of the 7-Year Tribulation Period where the Mark of the Beast will be rolled-out. Consider, at first, the COVID-19 vaccine roll-out will be 'voluntary' but the pressure to take it will nullify any objections. One will probably not be able to hold a job, travel, congregate, go to school without it.

As it is, many are having to wear a mask to keep their jobs now. Millions have no jobs that were lost and may never come back. They will be using food and essential services to threaten people to comply. One can understand these situations and is not passing judgment on those that have to wear a mask to feed their family or if they will eventually have to take this mandatory COVID-19 vaccine. But realize that it will not be a 1-shot deal, but subsequent ones will also be needed. In contrast, nations like Sweden did not succumb to the contrived hysteria and achieved a herd immunity. Due to mass media censorship, any credible doctors, nurses, police that have come out and not gone along with the scam-demic have been threatened, fired, or silenced. As to people not knowing and getting the vaccine that might 'damn them to hell', and how Jesus would allow this without any warning or take His People out first by way of the Rapture?

The Image of GOD

Consider this, YHVH will warn the whole world when that time comes. That vaccine or 'Mark' will totally, without a doubt change one's DNA to the point that one will no longer be human nor redeemable by Jesus' blood atonement. When will that time come? First, realize that when the Mark of the Beast is to be announced and implemented on the penalty of death if rejected, that will occur at the 3.5-year time marker of the 7-year Tribulation Period as noted. So, understand that even this will take time and obviously if one subscribes to the pre-Tribulation Rapture timeframe, the Bride of Christ will not even have to deal with this issue, thank the LORD. Second, YHVH will indeed warn all the world of this danger, this damnable condition that at that point, whomever takes this 'Mark' onto their bodies will be condemned to Hell because they become un-redeemable. Perhaps it will be at that time, that the Nephilim 3rd strand of DNA will be incorporated into one's DNA to totally change the 'Image of YHVH' in humans.

In contrast to now, the coming forced COVID-19 vaccine will only dabble with certain proteins within the DNA code but not enough to efface or erase the 'Image of YHVH' of a human, enough so to make that person no longer 'human'. As it clearly states in the book of Revelation, YHVH will specifically dispatch an Angel that will fly around the world and pronounce, announce that, 'whomever takes the Mark of the Beast' will be damned to Hell and be un-redeemable. Amazing, but such a time and place will be of the kind that Moses and Elijah lived through, Signs and Wonders. People will clearly see and hear and understand in their own language the dire warning so, it will not be a case that, 'well, no one told me so'. Now as to Christ taking up His Bride in the Rapture before all this? Consider that He will when it will involve the pouring out of His Wrath upon a Christ rejecting, rebellious and evil world.

This will correspond with the breaking of the 7-fold Seal Judgments of the Lamb. It is believed by some that the Bride will be in Heaven by this time and will actually be the required 'Witness' to this judgment that is to befall the 'inhabitants of the Earth for 1 Hour', etc. But also realize that the time may very well come in which the Church will still be here on Earth and overlap with the time that the forced COVID-19 vaccines are to be issued. And realize that Jesus has not spared severe persecution of His Bride on this side of Eternity during the Church Age. The story and history of the Church Age has been nothing but martyrdom and persecution from the very beginning. Consider the Spiritual Law that the 'end will be as the beginning and the beginning as the end'.

So, it is no wonder that it has been determined that more Believers of Jesus have been and are being currently persecuted and murdered for their Faith in Jesus now like no other century in the past. Many are perhaps fearful and asking, 'why would not Christ take out His Bride before all this calamity is to occur?' Realize that if one is an American Christian, such have been living in what many call 'Christian Easy-ism'. In the USA and the western hemisphere, since the founding of the many nations of the New World Americas, Christianity has flourished and has enjoyed amazing peace, prosperity, and growth. Many liken this time to the Church Age segment of the Philadelphian Church that by the way is the type of the ones to be escaping or 'raptured' through an Open Door before 'all Hell breaks loose' as they say on Earth.

Persecution Prescribed

Suffice to say though that his prosperity and peace has led to apathy and complacency to the point that the Church Body knows no measure of what true persecution is or has been. And thus, it is not spiritually and psychologically prepared to face adequately. In fact, the last rendition of the Church Age will be that of the Laodicean kind, one in which Jesus has been evicted out from their midst. No doubt now, in the West, persecution has begun, though subtle. It has started with the forced closure of Churches, which should have been only temporary. But with such ridiculous restrictions that one cannot even sing, pray, or even have family Bible Studies at one's own home. It is sickening but one can see the hidden agenda to silence the Church. Why? There is power in the Blood, Praise and Prayer of a congregated assembly of Followers of Jesus.

Jesus gave the Church spiritual authority over the forces and spells of the Wicked One and all his minions. The Pastors over the decades have not equipped nor warned their Flocks of this time that has arrived. One would naturally like to be exempt from the coming persecution in the USA and the West but what of the Brethren in the Old World that have had no rest, nor peace, nor prosperity but are hunted down, lose their jobs? Such Followers of Christ pay the cost that is very high and hard for them to do. They get beheaded, shot, raped, sold into sex slavery even as this is written. Do they not hope nor expect or ask, 'Jesus, why would you allow your Bride to go through this?' Remember that Jesus did warn His Church from the very beginning in the book of Revelation of exactly what was to befall those that would follow Him and not deny His Name; it would amount to persecution, abandonment, imprisonment, and death.

So, if the USA is to experience now a little of the persecution the rest of the Body has been living with since the 1st century, it will only serve to refine the line; to burn the dross and purify the Faith of the Faithful. Such a time is dividing the Wheat from the Tares and exposing who are really the Followers of Jesus or not. And if it might be that the times will call for some to choose death, starvation, or imprisonment for not taking this coming forced COVID-19 vaccine, that will be a conscious choice. It is not or should be not an issue of fellowship of or losing one's Salvation. Now, given the current geo-political and prophetic events occurring fast, one is of the belief that the extraction, the 'Falling Away' as in a retreat is to first come way before the actual Mark of the Beast by at least 3.5 years. The Rapture event will most certainly play a key role in knowing the timing of when the 'Reset' the Luciferian Globalist are espousing is to take place.

Also realize that the Luciferian Globalists are also waiting and anticipating their day to come when the Restraint will be set aside. They are more prepared and aware than most Followers of Jesus are or should be, to one's shame. If not, then it stands to reason that a subsequent yearly cycle is to be anticipated and watched then and one is to continue to persevere in the Faith still. This is not the time to quit or not watch. As many have stated, 'prophecy is jumping off the pages of the Bible'. And as others state, 'prophecy has a shelf life.' This is true and why it is down to the wire, to the year and perhaps months now. This is why, again, now that the COVID-19 'virus' has fizzled-out and 'flattened', there will now be a need for an 'event' to come. It might be an event or series of events that will then force a doubling-down of the 'lockdown normalcy' now.

The Luciferian magic spell must continue that has been cast upon the whole world that has been preparing a 'New Humanity' to transform into their New World Order. However, there has been another transition and transformation initiation occurring as well. It has been the completion of the Bride of Christ that will soon 'harvested' to also be ushered into a better New World Order and better Christ, Heaven and the true Christ Himself. And the Followers of Jesus will be receiving their promised Glorified Body that does not need any DNA Nephilim upgrades to enhance as it will be indestructible, and eternal, like Jesus'. As to the calculation based on the end of the Summer Wheat Harvest, will the Rapture event coincide finally with this year, that perhaps one has until the September 20th as the astronomical deadline of when the Summer Harvest ends? That would be wonderful.
