

Health Consulting

You may have been suffering and frustrated with your health for a long time. You feel something not right but nobody knows why. You may have been looking for professional perspective and solutions about your health concerns for a while but do not know where. Our knowledgeable and experienced acupuncturist can help you.

What are special?

- Formal Western and Chinese Medical training;
- Over 30 years medical and acupuncture experience;
- Professional insight with oriental background.

What are involved?

You are encouraged to really discuss your health concerns with our acupuncturist and having her really listen to you:

- Medical history;
- Injury history;
- Family medical history;
- Lifestyle;
- More others ...

What are expected?

Once our acupuncturist has gathered enough information, you'll receive:

- ✓ Comprehensive diagnosis;
- ✓ professional perspective and profile;
- ✓ Underlying health issues and causes;
- ✓ Suggestion of further medical tests and / or exams;
- ✓ Short and long term personal health care plan;
- ✓ Lifestyle recommendation;
- ✓ Strategy of working with medical professional.

60 - minute session.
