And Now.....

THE BAD NEWS

Fellow players. There will NOT be a meeting on 4/26. Historic Grant St is closed until further notice. Cross your fingers for May and SPAH. We may have yet to practice distancing in June for our picnic. I think once the manufacturers catch up on the safety masks and clothing for the health industry things will get better more quickly.

I just saw a new test that gives results in 2 minutes for COVID-19. Also dogs are being trained to find coronavirus carriers, hopefully will recognize Asymptomatic patients. This will help in stopping the spread of the virus. Perhaps our country will be better prepared in the future. Dyson, the vacuum cleaner company, has designed and begun building ventilators with expected delivery of 15,000 by 4/30. Maybe at a cost of 1/3 of other machines.

I am trying to get on Zoom, maybe we can have a virtual meeting there. As for me I am studying more bass and getting practice too. I am trying to be more versatile with rhythms.

We will restart duets with someone you usually don't play with for a later meeting, to be announced.

Do any of you teachers do Skype or some other method electronically? Let me know as I have a beginner looking to start then come to meetings once we resume.

Everyone please be safe. Keep on Harpin'.

APRIL CLUB SCHEDULE

NO MEETINGS

Dues are Due —

It's that time of year, when we ask you to support the club by getting your dues in. Just think of what you get for only \$24 - good comradery with people who enjoy playing or just listening to harmonica music; a summer picnic and a holiday party; and classes taught by experienced players.

What a bargain.....

Since there are no April Meetings, I thought that "We Need a Little Christmas Right Now," I thought I might print some of our Christmas pictures from past years:
