

100% For You

I felt strongly to remind you that “He is for you.” Always has been and always will be. There are no ifs, ands or buts about it, He is 100% for you!

The Bible is full of absolute truths. Today’s message comes straight from Heaven for you. God wants to remind you that He is for you,. “What shall we then say to these things? If God be for us, who can be against us” (Romans 8:31).

Think about what “God is for you” means for you personally. God has a purpose. There is purpose for your life. What may seem to be a meaningless jumble of events in truth is not meaningless at all. If God be for you, who can be against you?

There is purpose to every event because God is for you! He sees the beginning, middle and end. He knows every place your foot will step. It may appear as if the enemy is gaining ground against you, but don’t look at what you see- look at what God says, “God is on your side and if God is for you, who can be against you?”

God has a plan and a purpose for you. God’s love for each one of us isn’t based on what is happening in our life or even on what we do. God’s love is eternal and His love is forever. Throughout the Bible, God has repeatedly expressed His love towards you in a millions of different ways and each of those ways says, “He is for you.”

No matter what is happening around you, God loves you and calls you His own child. The Spirit of God testifies with our spirit that we are God’s children (Romans 8:16).

God has plan for your life and with each circumstance that surrounds your days He is with you. The Lord planned this since the foundation of the world. You belong to Jesus. Nothing can separate you from Him. God’s promises are eternal.

“For I know the plans I have for you, says the Lord. They are plans for good and not for disaster, to give you a future and a hope” (Jeremiah 29:11).

God is all-powerful and all-knowing. He is never been surprised by circumstances. God has shown and given you a part of Himself that walks with you every step of the way. There is nothing in this world that can stop Heaven from operating in your life. God is for you and He is always walking with you!
