Minutes from September 17, 2023

The meeting was called to order at 2:17 by Pat. The Pledge of Allegiance by then lead by Gene Szura. Pat thanked Paul Dorn and Julie for hosting. Pat reintroduced Irene our new member who has a 1957 bird.

The meeting was turned over to Arlene who announced Anniversaries and birthdays for the month of September. There were no minutes to approve since last month was the picnic.

Treasurer's report was given by Steve Handy. Opening balance was \$24, 799.00 and closing balance was \$24, 175. The expense this month was the picnic and total for that was just under \$1,000.00. Steve has some extra issues of the Early Bird Magazine in case anyone wanted one.

It was reported that the car show that Rich Martin and Local 102 was held in Parsippany. A few of our members participated and said it was really nice.

Committee Chairs gave reports:

Arlene spoke about the picnic. Joyce was her co-chair but could not be there because her dog was sick. It was stated that there no longer needs to be a co-chair for the picnic due to everyone's help with set up and clean up. Everyone pitches in. It was a nice event with good food and games. Thank you to Steve Handy for the ice cream and to Arlene for all her hard work. Next year she is thinking of doing wedding pictures for the guessing picture game.

Pat read a thank you letter from the Mike LeStrange Foundation's car show that helped to raise \$3,300.00. Our club was the sponsor for the trophy. Monies that were raised were then donated to local cancer care and research, hospice and bereavement groups.

Several of our members attended the car shows at Lead East and Dead Man's Curve. They said that both shows were very nice. They had perfect weather that weekend.

Members were reminded to PLEASE RSVP to the hosts of meetings whether or not you are attending. It is a courtesy so that hosts can get an accurate count to plan for food.

Tom Mirro's article that was emailed to everyone was again acknowledged.
