Best wishes for a quick recovery to Josh James, Jenks Football Senior, who suffered a severely fractured leg during the final day of the Summer Team Camp. Josh is recovering at home following successful surgery in repairing his leg. Coach Trimble stated in his June Newsletter how proud he is of Josh for the way he has handled this setback with a great attitude and heart of a champion.

From the Trojan Coaching Staff

June 2005, Coach's Corner...

Dear Trojans:

It's hard to believe that team camp has already come and gone and we are in the middle of summer pride workouts. I was very pleased with our team's progress during team camp. We have so many new faces battling for positions, and the competition has been very beneficial for our players.

Thanks a bunch to everyone who organized and worked on our June booster meeting and picnic. I really appreciate the great turnout and support of this event. Please plan on joining us again in July for the introduction of our juniors.

We are hosting Tuesday night passing leagues again here at the stadium at 5:30pm for all of our quarterbacks, running backs, receivers, tight ends, linebackers and defensive backs. Sapulpa, Booker T Washington and Glenpool are joining us this summer for some great competition while working on our passing offense and defense. All freshmen through varsity players need to be there so come join us in the stands and watch our players improve in these important areas.

In this modern day of instant gratification, many young men struggle with the idea of having to dedicate a year or two of their athletic careers in order to become a "starter". High school football is the first time many players are subjected to intense competition for playing time and it is vital that they approach this competition with the correct attitude and plan. The life lessons of dedication, patience, teamwork and "stick-to-it ness" are invaluable to our young men. Please encourage them to stick with it and see the big picture, the picture of something much bigger than themselves, a picture of being an important part of a team. Rarely in this life is something worth having simply handed to you without hard work and dedication. There have been countless Trojan players who worked hard and waited their time only to become starters later in their career and have the opportunity to be a part of a football championship. Ask any of them and they will let you know all the hard work and early mornings was worth it. I truly believe working hard for a common cause and "sticking with it," teaches our players life lessons they will need later on in their adult lives.

Finally, lend your prayers to senior Josh James and his family. Josh suffered a severely fractured leg on the last day of our team camp and is recovering at home from a successful surgery. I am so proud of him for the way he has handled this setback with a great attitude and heart of a champion. Don't be surprised if Josh is not back and working with the team in a couple of months. Keep up the good work Josh; I'm glad you're on our team!

See you at our July meeting.

Giving Back to Football Jenk's Scott Kempenich & Coweta's Rick Bryant University of Oklahoma Alumni

Many players and parents did not realize they were seeing a part of Sooner football history during the 2005 Team Camp. Jenk's, [Scott Kempenich](#), Co-Offensive Line Coach and Coweta's, [Rick Bryant](#), coaching their positions during the 2005 Team Camp. Both Kempenich and Bryant played football at the University of Oklahoma. Kempenich graduated from Wagoner High School and Bryant from Coweta High School. While there may be almost 20 years between their playing time at OU, both coaches played an important role in the history of Sooner football. Rick Bryant was a 1982 and 1983 All American and Academic All American. Rick and brother Steve Bryant are both storied players at OU and legends in Coweta football history. Kempenich, also an Academic All American, helped bring OU back to national prominence playing offensive line on the 2000 National Championship team and is a great representative of Wagoner football.

Trojan Football Booster Club Update...

June 2005, Chairman's Corner....

This is the time of year that is crunch time for our [Booster Club](#) fundraising efforts. This is when we sell our sponsorships, hold our golf tournament and plan the Trojan Preview. If our fundraising goes according to plan at this point, we can sit back and enjoy football in the fall.

We are proud of the financial support that we are able to provide to our team. It takes a lot of money to maintain our football program as one of the premier high school football programs in the nation. The Booster Club helps provide many of the essential items that are necessary for the continued success of our program. What are those items? Here are a few: lots of food (Thursday night team dinners, post game meals and donuts for Saturday films); pre-season and post-season banquets; father-son pancake breakfast; uniforms and team apparel; donations to Special Olympics and FCA; game film equipment and supplies; player trophies and awards; transportation; coaching support; weight room and locker room equipment and improvements; and spirit support such as locker room decorations.

We need the help of our Booster Club members to meet our fundraising goals. First, please renew your membership for the 2005 season. Second, if your business would be willing to be a sponsor for the upcoming season, or if you are aware of someone that may be willing to be a sponsor, please let us know. Third, please support our events such as the [Car Wash](#) on June 25, the [Golf Tournament](#) on July 15 and the [Trojan Preview](#) on August 26. Thanks to all you loyal Trojan fans for your assistance with these efforts.

Trojan Football Updates...

2005 All-State Games

Andrew Brewer and Zach Casey have been selected to the starting line-up of the 2005 Oklahoma All State games to be held July 29th, 8:00, at Union Tuttle Stadium. Brewer, who is headed to Northwestern, will share quarterback duties with Broken Arrow's Carter Whitson. Casey, who is headed for national juco powerhouse, Northeast A&M College, will play on the defensive line. Congratulations, Andrew and Zach, for your continued outstanding representation of Jenks Trojan football excellence.
