May/June 2021  
MISSIONS TRIP  
KENYA, AFRICA

Bob & Ruby Nell Hoke

Dear Partners,

Because of COVID we have all seen or heard the words “Welcome to the new norm.” It’s all too obvious that the world is being aggressively invaded and manipulated by satan and the powers of darkness. Hell is never full enough to satisfy him and he knows his time is short.

But, it is also obvious that Jesus who said; “I will build my church and the gates of hell will not prevail against it” is also at work putting together an end time church straight out of the book of Acts. A church that goes from defense to offense. A church that “resists the devil and watches him flee.” A church that “puts on the armor of God” and wields with authority the weapons of our warfare ie: the Word, the Blood and the Name. A church that stands on scriptural absolutes without compromise. I could go on and on but you get the picture. Lets all be sure we’re with Him like never before and do our part to cause new names to be written in the Lambs book of life. So get excited and be encouraged, “we can do all things through Christ who strengthens us.”

So now here’s what happened in Kenya East Africa with *MERCY IN ACTION* ministries.

### MATHARE CHILD DEVELOPMENT CENTRE (MCDC)

Lori Loomis brought in a team of 10 people to join us in a week long ministry to the students and staff at MCDC. After the school was allowed to re-open by the Kenya government on May 11, there were 729 students, minus grades 4, 8 and 12. 84 of these boys and girls are in the dormitories.

These are all high school students who were divided up into small groups of 8 - 10 with different team members leading each group, each day. Wonderful ministry happened just by talking, sharing and encouraging one another. The kids really got built up on their most holy faith in Jesus in brand new life changing ways.

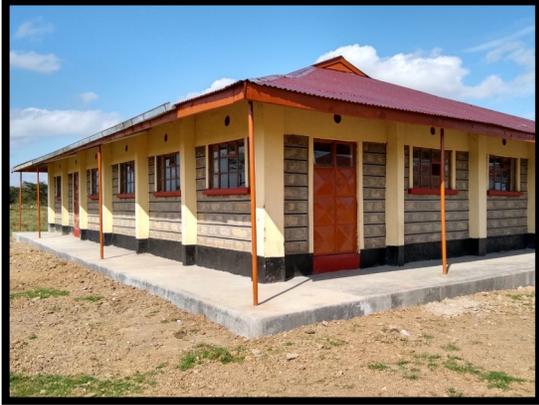

Here Ruby and I are presenting some of the 1747 washable face masks that were handmade by several ladies at the New Hope Fellowship Church in Sun City West, AZ. Kenya government requires each student to have two each day. A big thank you to these ladies for their hard work.

## MAASAI BUSH MINISTRY

One of the highlights of the *MERCY IN ACTION* Maasai bush ministry was to see the progress made on the “Ruth Hoke Maasai Girls’ School” which is scheduled to open on July 26, 2021 with the first 40 girls ages about 9 - 13. This is a Christian boarding school designed to save young Maasai girls from the traditional FGM experience plus it will give them a Kenya accredited education. Some Maasai are already calling the school the “TASARU” which in Maasai means to “rescue” ie: THE RESCUE CENTER! Its been a God thing pure and simple for them to embrace such a cultural change as this.

**This is the main building (40' x 60') of the new Maasai girls' school.**

**One half of this building houses the kitchen, dining hall and study hall (shown below) and the other half is the dorm side designed to hold up to 100 girls. Furnishings are being bought as we speak.**

**Dormitory side.**

**This covered walkway leads from the dorm side to the toilets and showers. All of this sits on 20 acres.**

**Plus two cows are being bought to provide the milk these girls are accustomed to having.**

**Our thanks goes out to Mike Cheshier with "FireWind Ministries" for overseeing the construction. The local Maasai will be hiring new teachers and staff and will be overseeing the operation of the new school.**

**Thanks to you partners we were able to purchase  
1580 Good News bibles in English to be used in  
Maasai schools, crusades, conferences and churches.**

**These Maasai came forward in an open  
field to pray the prayer of salvation and  
receive Jesus Christ as Lord and savior.**

**Thank you again, partners, for touching these many lives for Jesus. As always, we and  
all our team members pay for 100% of our travel expenses so your dollar goes to the  
ministry.**

**In Him,**

**Bob and Ruby Nell**

***P.S.—To you partners that sponsor one or more students at MCDC, just a reminder:
