

40 Hour HAZWOPER Technician Course

University College
of the North

In partnership with HAZ-MATTERS Emergency Management Inc. we are pleased to offer:

This 4-day HAZWOPER training falls within the recently approved Essential Services mandate across Canada and substantially improves employee hazard understanding at the worksite, while empowering a Technician level of response competency for employees exposed to any form of chemical hazard. This specific course unifies internationally used “Best Practice” techniques employed by Industry, Fire Services, First Responders and CBRN technicians and provides a clear understanding of the entire process. *There is some expectation of students doing homework during the training week.*

Registrants are eligible to claim 3 Professional Development credits towards maintaining their EP designation with ECO Canada.

THIS TRAINING IS BEING SUPPORTED MANITOBA ENVIRONMENTAL INDUSTRIES ASSOCIATION (MEIA)

Courses: Students must register for all 4 courses below and will receive certification in:

- ✓ EXT.1207 TH31 40-hour HAZWOPER Environmental Technician and Incident Command System, ICS 100
- ✓ EXT.0249 TH31 Transportation of Dangerous Goods (TDG)
- ✓ EXT.0066 TH32 WHMIS 2015

UCN acknowledges that we are on the traditional territories and homelands of many Indigenous peoples, who have existed here since time immemorial. The First Nations in the area that UCN serves entered into treaty relationships with the Crown and the territory has also become home to other Indigenous peoples. We uphold the treaties and collaborate with all Indigenous peoples to share truth, reconciliation and learning.
