

2019 Nomination for Board Membership

A volunteer Board of Directors provides oversight for the Early Care and Learning Council (ECLC). In order to secure the best possible leadership for the Council we intend to keep a current list of people interested in Board service. We are soliciting nominations for Board service.

Board Members establish goals and initiate policies that further the mission of the ECLC. Board Members are expected to attend quarterly Board meetings in person or by conference call and to be active on at least one Board committee. Committee meetings are held as needed usually by conference call. A monetary donation is expected at least one time per year, as 100% Board giving is required by some funders. Board Members' terms are for three years.
