

SELAH

By John Lipinski

Selah, Selah, Selah, tell me, what do you think about that?
Hey, stop and think about that!
Selah, Selah, Selah, measure up, weigh-in wisely
Stop and think about that, hey, what do you think about that?

When you read your Bible, you've seen this word before
Over 70 times, in the Book of Psalms, I need to know a little bit more
What does it mean, this Selah, another way to say Amen
She say worship, he say forever, others say again and again,
Say again and again

Selah, Selah, Selah, tell me, what do you think about that?
Hey, stop and think about that!
Selah, Selah, Selah, measure up, weigh-in wisely
Stop and think about that, hey, what do you think about that?

Go one and read your Bible, read Psalms a hundred times
So many Psalms, so many messages, most of them don't even rhyme
Over and over, see Selah, every time I read
Personal meaning from David, the king, trusted His Lord, indeed,
Power was in his belief

Selah, Selah, Selah, tell me, what do you think about that?
Hey, stop and think about that!
Selah, Selah, Selah, measure up, weigh-in wisely
Stop and think about that, hey, what do you think about that?

Repeat chorus twice more – 1st, a capella, then with music
