**Availability of Individual Producer Appointment Renewals**

This notice is to inform you that appointment renewal invoices for Louisiana individual producers have posted today to the National Insurance Producer Registry (NIPR) website. The invoice includes all individual producer appointments active as of November 29, 2022. Please note that the invoice will not include any appointments for individual producers that do not have an active license. Payment is due by **January 3, 2023**. Failure to pay the invoice by this date will result in the expiration of the individual producer appointments.

This notice was sent by the Louisiana Department of Insurance (LDI) via e-mail to individuals identified as Primary Contacts, Regulatory Compliance Contacts and Producer Licensing Contacts in LDI records. If a change is needed in contact notifications, the procedures for doing so can be found on our website at <http://www.ldi.la.gov/industry/company-licensing/application-forms/ucaa/change-of-address-contact>
