Back Cover: \$600

Square Ad: \$50

We are currently accepting ads for the 2019 program insert which will be available at each and every home match. There are only 12 ad spaces available, 2.5" square, and one full-size back page ad. If you'd like to be one of the 13 advertisers in this publication, please return the attached form, with payment, as soon as possible.

Exclusive Team sponsorship opportunities are also available where you can enjoy "your own Polo team," entertaining from a reserved spot at midfield, with your Jerseys worn by the team! This is a great venue for company picnics, outings with clients, and an afternoon spent with family and friends. As a Team Sponsor, you will also enjoy up close and personal interaction with players throughout the game and much more! Other corporate sponsorships are available as well, and all information is provided in the attached document.

If you have any questions, please do not hesitate to contact Torie Front. [All ads, including payment made out to the Cincinnati Polo Club and artwork in a jpg file, are due by May 25, 2019.](#)
