

November 8-10 | A ship without a captain can drift aimlessly on the sea but a ship with God at the helm can become an epic love story. All married couples, priests and religious are invited to depart on a 44-hour adventure to explore self, spouse, and love of neighbor. We will take excursions to identify high sea perils and add great communication tools. With God as our captain we can learn to love and support one another as Christ commanded. We can learn the art of forgiving and the how to correct faulty coordinates we come across so we avoid floundering in rough seas.

This weekend is for ships (priests, religious, married couples) with solid foundations willing to do a little maintenance work to obtain an even stronger sea worthy vessel. Weekends can be repeated as all compasses need adjustment from time to time. There is no required public sharing necessary. The format is easily used by both men and women, the reserved and outgoing. WWME has provided weekends for over 50 years!

A 75.00 fee is required at the time of your application with a donation requested on the weekend to cover expenses. Worldwide Marriage Encounter is a nonprofit accepting cash, checks, credit, debit and small monthly donations. Your stay includes a private room, meals and all weekend materials. Business sponsors welcome!
