CACAGNY President in "2021 Education Power 100"

CACAGNY congratulates president Phil Wong on his selection to *City & State New York's* "2021 Education Power 100." Phil was selected as number 75 in this list of the most powerful education leaders in 2021. The announcement reads as follows:

As the leader of the Chinese American Citizens Alliance of Greater New York with a mission of empowering Chinese American students, Phil Wong can frequently be found on the front lines of educational battles. His organization recently joined in a lawsuit against New York City Mayor Bill de Blasio, the Department of Education, city schools Chancellor Richard Carranza and other entities over alleged discrimination against Asian American applicants to the city's elite high schools.

Phil Wong says: "CACAGNY thanks members, friends, and other parent leaders, in CACAGNY and in other organizations, for their passionate and selfless work in our fight together, for equal rights for everyone in education."
