Additional dates to remember on page 5

April Birthdays - Happy Birthday!

8th - Frank Layne
 16th - Cathie Sevila
 18th - Casey Jones
 20th - Ward Sevila
 26th - Kathy Harrison

The following members are serving refreshments for this year's meetings. If there is a conflict of some type, be sure to have someone take over for you:

April - Gloria Sydnor	Sept. - Open
May - Ron Cook	Oct. - Gattons
June - Sevilas	Nov. - P. & M Guest
July - Harrisons	Dec. - Open
Aug. - Schnakenbergs	

Northern Neck Region

President's Report "My Turn"

By Ward Sevila

Well I want you to know that I am writing this under duress as Sherry has let me know that it will be **my fault** if the newsletter is late getting out this month. Just kidding Sherry, but I am a little late doing my article, as I have been busy with personal matters the past few days. At any rate I will try to be brief this month (I'm sure I heard a sigh of relieve out there) and get my part of the newsletter to Sherry as quickly as I can.

Member news – April is a popular month for birthdays, especially in our family with no less than 8 celebrations and in fact 3 of us share April the 20th. Happy birthday wishes go out to: Frank Layne – April 8th, Cathie Sevila - 16th, Casey Jones - April 18th, Ward Sevila - 20th, Kathy Harrison - 26th. Happy birthday everybody – me too. Got to mention this too – that cute little couple, Earl and Judy Beauchamp, who fortunate for us founded this club so many years ago, will celebrate their wedding anniversary on April 12.

We had a great turn out (26 members) to see *Getting Away with Murder* on March 16 at the Westmoreland Players Theater in Callao. Got to say I was a little surprised as the play was really all about what the title suggests. None-the-less the acting was superb and I really enjoyed it, as well as the food at Luna's. I believe everyone went out to enjoy the fine food and great prices we have come to expect there. Thanks to everyone for making it a wonderful outing and sure hope we can grow this group. The theatre actually introduced/announced our attendance just before the curtain call

At last months meeting we discussed the cruise to Madison, VA to visit and tour James Madison's Montpelier along with a visit to Skyline Restorations and a stop for a bite to eat at Inwood Restaurant in Gordonsville. The date we approved for the tour is June 21 and most at the meeting agreed to participate. While I still need to work out the details I would appreciate a response, either by phone - 804-580-4177 or email – wsevila@msn.com to let me know if you are interested attending, to include the number that would accompany you. As mentioned previously there are 2 levels of tours for the mansion priced at \$18 & \$20. I do not yet have a menu for the restaurant but will attempt to get one shortly. The trip to Madison is approximately 2hrs 15 minutes from Warsaw.

We have a lot going on in the next few months and we are calling on all volunteers to help out with the car show and the Eastern Divisional tour. Please contact Wayne Burgess for the tour and Brent Gatton for the car show to help out in any way you can. I am sure there is something you can do to help and no matter how small the task seems, they are all-important and help in bigger ways than you can imagine.

Reminder, the Roma cruise-in is the 27th from 2:00 – 4:00 PM – this is our last winter cruise time and May will begin the summer tour times coupled with getting meal deals for driving our cars. Hope to see you at the membership meeting, April 10 at 7:30 in Callao.

Minutes 3/13 /14

By: Sherry Gatton

Member News

- Birthdays recognized. Brent Gatton was the only birthday person present. Everyone said "Happy Birthday".
- Sick – Paul Stosch is the only known individual to be sick this month. He has a sinus infection.
- Sherry Gatton received compliments on the newsletter from Chip Rohr. Wayne asked Sherry if she received the application from National, to enter the Newsletter Contest. I replied yes. Everyone encouraged her to fill the form out and send it in.
- Banner from National – Ward had it on display at the meeting.

Minutes – approved.

Treasurer's report – read and approved.

Old Business

- Web page** is now up and running. Ward asked for comments regarding this. There was a conversation about links to the old page and from National. He will look into that.
- Ward brought up the **Tucker Gallery** contribution letter requesting \$25, \$50, \$100, or other. Wayne Burgess suggested maybe our club purchasing a brick and the money goes to National for whatever they want to spend it on. Wayne said a brick is usually \$100.00 It was concluded to hold off on the brick until Wayne finds out exactly what the brick costs and what the money goes for, i.e. can we specify it goes to the Tucker Gallery.
- Mae Lynne revisited the Car Show Charity possibly being "**The Wounded Warrior**". Mary Jean Inscoe said she has info regarding that and she will put it in the mail. Ward said we should table this discussion until next month when we have more info.
- Car Show** – Brent Gatton said we have got to pick a car for the dash plaques for the car show. We forgot to do it at the Annual Banquet. It was discussed to put names in the hat who were present for the annual dinner and even if they don't want their car on the dash plaque, to let that person pick someone else's car. Peyton submitted a list of past cars that have been honored in the past, so as to not repeat them. The trophy invoice was submitted and paid for. Brent also stated that according to Kathy Harrison's inventory of left over window cards, we will need to order more. Kathy also stated that she will copy the needed people's choice sheets but, she needs the original updated and Sherry said she would email that to her. Bob Sydnor had checked into our

doing the raffle sales again at the Mechanicsville VFW and we are a go for that on May 3rd 8-12 near the BJs.

(Minutes continued from pg 3)

-Eastern Divisional Tour – Wayne Burgess updated with info and showed funny or neat awards that he had received from other tours he has been on and suggested we come up with some to give out. Sherry Gatton said she has one more boot left to do another “lead foot” award if the club wants to use it. He mentioned award ideas like “oldest driver”, “youngest driver”, “longest traveled”, “best car”, etc. Wayne then went over what events or days our club could participate in beyond working the tour. He said Wednesday was fine and there is a box lunch for \$12 and no other cost. Thursday a.m. was not good when the tour group is in Richmond Co. for the Sabine Hall and Mt. Airy tours due to limited visitors allowed for those homes. The museum in Warsaw would be OK. Friday is the boat tour and again there is a limit of 100 persons, which is filled. The walking tour in the afternoon would be OK for us, but a \$5 donation per person would be fair for the docent. As far as helpers needed for this tour, Wayne went over this day by day. Wednesday 6 parkers needed. Thursday, again 6 parkers and 1 ticket taker. Friday 2 parkers needed in the a.m. and later 4 parkers. He will have more details worked out before the next meeting. Wayne showed us samples of tour books and said that we could incorporate pictures of club member’s cars who work the tour, as a way to thank them. He said the tour books sell for \$15 each. He said that he would like to see us go to Lowery’s and join the tour group and socialize with them. We can have OUR meal elsewhere or in the main part of Lowery’s restaurant (the banquet room only has room for the tour – as far as the meal). He said 6:00 would be a good time to go. Sherry said it would be nice to have a board that showed pins where everyone is from i.e. people who came from Florida and Michigan. So, now Sherry is to put that together. Cheryl Melton suggested our club maybe could contribute to baskets. Brent Gatton will be putting an ad in the tour book, should someone need assistance with their antique vehicle.

New Business

-The Montpelier Tour Ward mentioned last month is of the James Madison plantation which was restored to it’s 1700’s glory. Also part of the tour will be the Skyline Restoration Shop. And it was suggested that we try the Inwood Restaurant. The date decided is June 21. The plantation tickets range from \$18-\$20 per person.

-Gities – We are welcome to join the Colonial Beach Cruisers April 12th at Gities 10-2 . Rain date the 13th. Free hamburgers and hot dogs for those who bring their antique cars.

-Evening with the Tucker Family – Ward showed us an invitation that we may have gotten in the mail from the

AACA to see cars such as the Tin Goose. Cost is \$225 single \$400 couple.

-Donation idea – from Duane Schnakenberg who has a Tucker die cast model he would like donate to the museum on behalf of our club. Ward is to check out if the museum would accept something like this.

-Getting Away With Murder Play reminder – is Sunday 3:00 and Lunas restaurant afterwards.

-Sugarloaf Mt. Flea Market – 3/28 and 29 . Ward has the flyer for more info.

-Car Show Benefit at 9414 Attery St. in Mechanicsville is this Saturday. They have 400 cars registered so far.

-Wayne stated that the **75th anniversary book** that had been priced higher before, is now \$20

-The AACA Magazine cover was shown to show us the female President. And, it was noted that our own Earl Beauchamp is in this issue as well.

-Old Dominion Late Great Show – May 10th 8-3 at the NAPA in Richmond. Rain date 11th.

Q: What car was the first to have its radio antenna embedded in the windshield?

A: The 1969 Pontiac Grand Prix.

Trivia

Q: What car was reportedly designed on the back of a Northwest Airlines airsickness bag and released on April Fool's Day, 1970? Answer on page 11

Carrington Place Cruise In - June 6th 2:00

Going into Tappahannock after having crossed the Rappahannock River, turn right at the light and left at the store with all the flags for sale. If you can bring your antique car to this cruise-in for the residents of Carrington Place to admire them, YOU will be the one blessed for having done it. Our club tries to do several of these charitable cruises a year. Any questions, contact a board member and please try to

Mae Lynne's mom Bernice Brooks, Mae Lynne & Mr. Lucky Charms who say
"It's magically delicious"!

Even Aunt Beth cannot keep a straight face around Mr. Lucky Charms (Left) & Dr. Devious Smedley (Right)

Dates To Remember

April 12th - Cruise-In 10-2 with our friends of Colonial Beach Car Club @ Gities on the corner of Route 205 and Route 218. Gities providing hamburger & hot dogs for those that show their cars. Refreshments available. Rain date the 13th.

April 26th - Easter Hunt Fun Run. After items are found, we meet at Stan's Roller Rink for Lunch and select a winner. See page 8 for more info on this event.

May 10th—Car Cruise & Raffle Sales @ Grand Opening of Northern Neck Chevrolet in Montross 9-2 . Refreshments available.

June 6th - 2 p.m. Carrington Place Cruise (see page 4 for details)

June 7th The 25th Orphan Car Tour (see page 11 for more details)

Correction - Apology.

My apology to Margaret Stosch who I did not acknowledge as the TRUE owner of the 32 Chevy I showcased in last month's newsletter. We have to give credit where credit is due and Margaret (not Paul) owns that car. Paul says, he may own the rest of the stable, but the 32 has been claimed by Margaret. You go girl! It's the best car anyways. Right Margaret?

Overheard in the body shop . . . Bill Lewis is getting a new rear. Yeagh, he is trading for a younger model. Say what?

Trivia Answer from Page 2

Introduced in 1969, the K5 Blazer was the smallest full size SUV version of the General Motors C/K Trucks family. The K5 Blazer and Jimmy had "full convertible" removable tops until 1975. In 1976, GM introduced a half-cab design that was less prone to leaks and slightly safer in a roll-over. These half cabs are convertible starting at a few inches behind the driver/passenger doors all the way back to the tailgate. In 1992, the Blazer was redesigned completely and no longer had a removable top.

Easter Hunt Fun Run April 26th

This is like an Easter egg hunt with cars, except that you will be hunting something else along the roadways between your home and a predetermined meeting and gathering spot. At the gathering spot, we will go over a map, and determine the routes everyone took and it will be fun to see how much of the map we have covered. Also, with the items I have chosen to be hunted, we should learn something that we usually don't take the time to investigate. Everyone will turn in a list of how many of these items they saw, and it's location. The details will not be given out until the night before so no trial runs can be made. The details will be given out by a recorded message like "Mission Impossible". The message example here is fictitious - just for example. **"Your mission, should you choose to accept it, will be to drive from your home to Stan's Roller Rink (our secret agents hideout). On the route you choose, you are to spot as many purple elephants, their name & location, as you can. You should be able to just slow down when you see your target, get just the name, and continue driving without getting out and parking. Be careful, enjoy the countryside, and report to headquarters by Noon. This tape will self-destruct in 5 seconds."** You are to listen to the message by calling 804-472-7080 between 6 p.m. - 10 p.m. on April 25th (the night before the Fun Run). After you hear the message, you will know what to search for the next morning and then meet at the meeting place you heard in the tape. You can select the route from your home, that you think will lead you to find the most secret items. If you have any questions, call 1-410-231-8322 (Sherry's cell). Happy Hunting! See you at the Secret Agent's Head-quarters April 26th at Noon.

*The Race That **SHOULD** Happen*

By: Sherry Gatton for Brent

Brent used to race his black & silver 57 Chevy. A guy he knew from high school, (Cary Ring) had a red 57 Chevy. Everyone in high school knew about this spot on Riverview road (in Fort Washington, MD) to go street racing on Friday & Saturday nights. Maybe some ladies out there don't realize that when these young guys would race on the streets, a lot of things came into play. You had to have people to make sure the coast was clear, and you had to make sure you either had money for a tow truck or friends to take you home, if your car broke down because of the racing.

Brent ran into Cary at McDonalds where everyone used to hang out. Cary told Brent "Bring your 57 here tomorrow night because some guys from Colonial Beach are bringing a Camaro to race me (Cary) & maybe you can get a race too." Between Friday & Saturday, everyone from school heard about this race. There was a big crowd of people. The Camaro showed up & everybody gave each other's car - the once over. Cary's 57 was real nice. But, he was a rich kid and not much of a mechanic. I on the other hand, had built my 57 from the ground up and had been racing for a while. Cary would never race me.

Riverview road, was a long straight road. One house at the very beginning and a subdivision, way down at the end. Cary raced the Camaro and lost. Everybody went back to McDonalds & then Brent asked the guy in the Camaro if he wanted to try him? They went down to Riverview road and lined up ready to go. They were right in front of this one house. Brent looked over at the house & there was about a dozen people standing in the yard. Several years later, Brent found out that those people had just moved in that house **THAT DAY**, and were thinking "what did we get ourselves into?" A guy started the race with a flashlight. Brent never saw the Camaro again, except in his mirror. Needless to say, Brent won. They went back to McDonalds and Brent collected his \$20.00 that they put up on the race. The guy in the Camaro said he would be back the next weekend to try again, but he never showed up.

About 25 years later in life, both racers went about their life. One day, Brent was scanning both sides of the roads (as he usually does) for any possible old cars as he is driving somewhere. He spots this 57 Chevy and says to me "I have a funny feeling that I know that car & I have to stop and check it out". We stopped and got out and the car was pretty rough. Brent figured out that the car indeed was Cary's car that he had long ago sold. Brent had no idea where Cary was now to tell him we had found his childhood car. We were able to buy it, and bring it home, in hopes of a project for Brent & his son to work on. More time went on and we decided that his son lived too far away to be able to really work on this project. So, we put the car up for sale on a busy highway. Within a day, a man stopped in the shop where Brent was working and said "I have to buy that car." Brent recognized him and said "Cary?" and the guy said "Brent?" Cary bought his car back and they both said, "we will **BOTH** have to bring our cars back to life and finally have that race between our 57s."

“Getting To Know You” Series

Remember that I told you that since I have asked, begged, pleaded, reminded and threatened, that I wanted articles for the newsletters? And that if people didn't start sending stuff in, that I was going to corner you one by one and do interviews to “Get To Know You”? Well here are my first victims and I want to thank them for being my guinea pig for the first interview. Bob & Gloria have always pitched in and helped with every activity and attends most every function. They are a great asset to this club

Bob

Bob's first car was a 1956 Mercury but, his first “old” car was a 1965 Mustang that he got from under a tree. He says “what a money pit!” So, naturally when asked what his first love was, it was not the mustang, but the 56 Merc. When I asked him “what car did you dream of having when you got your license?”, he surprised me and didn't say the Merc, but rather “anything with 4 wheels, I just wanted to drive”. He told me that once he started driving, he skipped 20 out of the 30 days of school. His father punished him by making Bob put the car up on block, take all of the wheels off and put them in the trunk and hand the keys over to his father for the rest of the school year. He told me that if one of the guys had a car, they would pull up behind the school bus and bump the horn and the friends would get off the bus at the next stop. Nobody wanted to ride the bus when they could catch a ride in a car. I asked Bob if anyone had a car that he lusted for. He said “No, I had the fastest car in the group. I had a 312 c.u. Ford and they had Chevys with 327 c.u., but I still beat them.” Bob said that his first influence around old cars was his dad. His dad helped him work on his car and lots of things around the farm.

Bob is from Scotchtown. He actually stored hay in Patrick Henry's home (before it was restored of course). Some of you may remember the tour we did of Patrick Henry's home. It was especially meaningful for Bob, for it had been 50 years since he had been there. Bob was born in Farmville while his dad served in the service in Hawaii after the bombing in Pearl Harbor. Bob now lives just 5 miles outside of Tappahannock where his son and Gloria's daughter live nearby.

I asked Bob how he got interested in our club and he told me how Peyton Guest tracked him down. I had no idea (but I should have known) that Peyton was so persistent to acquire new members. It almost borders on stalking (haha). I'm going to tell it, because Peyton would never brag. Peyton saw Bob's truck parked at an up holster's shop. He inquired to the upholster as to who owned a truck like Peyton's. The upholster said Bob has a 7-11 and where it was. Peyton then went to the 7-11 and spoke to Bob's son who connected the two trucks (& their owners). Wow.

Bob met Gloria where they worked together for the same company. I asked Bob if he wanted to add anything to the interview and he said “Yes. I want everyone who has made Gloria and I feel welcome, to know how much we appreciate it. We have gotten some very good friends and enjoy the club very much.”

Gloria

Gloria's first car was a 66 Mustang convertible and she wants another one to this day! I asked her what was her first love. She said “the car” (66 Mustang). See guys, girls can love cars too! I asked her if she ever dreamed about a certain car and she admitted dreaming about a 67 Corvette. However, the car she (started to) learn to drive on, was her father's 53 4 door Ford with a gear shift on the column and a mean old clutch. Gloria lamented over how she had to learn with the entire family in the car with her and endure the snickers. Can you imagine the pressure? Well needless to say, she bucked the clutch at the railroad tracks and her father told her to get out of the driver's seat. She ended up having to take driver's ed at school.

Later she drove her boyfriend's 56 Chevy until one day when she went to a high school play and was to drive her boyfriend's car home. The drive normally would have taken 10 minutes, but it took her 45 minutes. She found that she had no brakes and had to use the hand brake through town. She ended up leaving the car when she had trouble at a hill, and she walked home.

Gloria's influences regarding cars, was her uncles who worked for car dealers and her neighbor and her father. Gloria was born and raised in Richmond and now lives with husband Bob just outside of Tappahannock where her next door neighbor is her sister and brother-in-law. Gloria's daughter and grandson aren't far away in Montross.

Gloria has experience in another club, the Shriners Women's Auxiliary. She says that she liked taking little princess in convertibles at parades. Gloria's other hobbies are reading and going to Curves.

[Note from Scoop - Thanks Bob & Gloria for being in the club. I'm sure everyone feels the same way about you two as well.](#)

The Sydnor Collection
 (This is just a partial representation of their collection)

65 Ford Econoline Pick-up, 46 Ford Truck & 56 Mercury

56 Mercury
 The rest of the Sydnor collection is listed in the roster

ATTENTION MEMBERS !

Our car show is coming up fast on May 31st. Please help out and volunteer for the many different jobs available. Contact Brent at 804-493-8657 during business hours or his cell after hours at 410-231-8321.

Raffle Sales !

Hey Guys & Gals, we sure could use help with the raffle sales for our car show. Remember that this helps us support charities. Please pick some raffle tickets up at the next meeting or from Brent or Sherry Gatton. If you don't sell them, you can always turn them back in.

Thanks so much, & remember we are in this together.

Drivers Education Exam Q: Who has the right of way when four cars approach a four-way stop at the same time? A: The pick-up truck with the gun rack and the bumper sticker saying, "Guns don't kill people. I do." Q: When driving through fog, what should you use? A: Your steering wheel.

Trivia Answer from page 3

A: 1970 Gremlin, (AMC)

The 25th Orphan Car Tour

The 25th Orphan Car Tour will be held on Saturday, June 7. It will begin in Maryland Line, Maryland, proceed southeast to the Have de Grace area over scenic back roads, and will include stops at several places of interest along the way. The afternoon will end with an outdoor barbecue near the Havre de Grace waterfront. The Tour is held yearly in the interest of promoting driving enjoyment of "orphan" (discontinued-make) vehicles. Turnout has topped sixty vehicles in recent years. Complete information is posted at the Tour's web page, www.orphancartour.org. For further information contact Jon Battle, (540) 364-1770 or e-mail TourDirector@orphancartour.org.

Gas Station of the past

Q: True or False?

The 1953 Corvette came in white, red and black.

A: False.

The 1953 'Vettes' were available in one color, Polo White.

Things You WON'T Hear Down South

I'll take Shakespeare for 1000, Alex.
Duct tape won't fix that.
Honey, I think we should sell the pickup and buy a family sedan.
I'll have grapefruit and grapes instead of biscuits and gravy.
We don't keep firearms in this house.
Who cares who won the Civil War?
You can't feed that to the dog.
Too many deer heads detract from the decor.
Spittin' is such a nasty habit.
I just couldn't find a thing at Wal-Mart today.
Trim the fat off that steak.
Cappuccino tastes better than espresso.
Has anybody seen the sideburns trimmer?
I thought Graceland was tacky.
No kids in the back of the pickup, it's just not safe.
Honey, we don't need another dog.
Would you like your fish poached or broiled?
Honey, did you mail that donation to Greenpeace?
Wrestling is fake.
Little Debbie snack cakes have too many fat grams.
The tires on that truck are too big.
Does the salad bar have bean sprouts, and would you please bring my salad dressing on the side?
Hey, here's an episode of "Hee Haw" that we haven't seen
I don't have a favorite college team.

The man pulled over to the side of the road when he saw the police lights in his rear view mirror. "How long have you been riding around without a tail light?" asked the officer. "Oh, no!" screamed the man, jumping out of the car. "Calm down, it isn't that serious." said the officer. "Wait'll my family finds out." "Where's your family?" "They're in the trailer that was hitched to the car!"

A real estate agent bought a new sports car and had the engine revamped so that it would go even faster. I asked him why he needed a car that goes 150 m.p.h.? He chuckled and replied, "I advertise this one house as being 5 minutes from shopping and I don't want to lie!"

Paula was having a hard time selling her car because it had 250,000 miles on it. She told her friend, so her friend told her about Jay the mechanic that could turn back the mileage for a couple of bucks. A few days later she met that friend and the friend asked her, "well, did you sell the car?" "Are you crazy?" Paula replied. "It only has 50,000 miles on it why would I sell It?!"

There are these two guys driving a car. When the guy driving blows right through the red light. "Man, you just ran that red light!" the passenger said. "Don't worry, my brother does it all the time," said the driver. Well, they continue to drive when the guy went flying through another stop light. "You ran ANOTHER stop light. You are going to get us killed!!" exclaimed the passenger. "Don't worry, my brother does it all the time!" the driver said. After a while they came to a green light when the guy

New Hagerty Usage and Mileage Program

Vehicles insured in our program must be used on a limited basis consistent with the operation of something valuable, such as club functions, exhibitions, organized meets, tours and limited pleasure driving. Hagerty has no strict mileage limitation for collector vehicles used in this manner. We want customers to feel comfortable driving their collector cars on a limited basis without watching the odometer. Limited use does

NOT mean that vehicles will be used for normal or backup daily transportation, such as driving to and from work, or school, or for daily errands. We will not insure vehicles used for high-speed racing, or high-speed rallying, or for the commercial transportation of goods and passengers (such as rentals, commercial hauling, etc.).

Club T-Shirts, Hats, and Car Medallions are on sale now

Shirts and hats are embroidered with the club logo. Shirts \$15.00 each, Hats \$10.00 each. Medallions \$15.00 each.

A woman & man get into a car accident. Crawling from the wreckage, the woman says, "Wow, this must be a sign from Him that we should be friends & not try to pin the blame on each other." The man replies, "Oh yes, I agree." The woman points to a liquor bottle on the ground and says, "God wants us to drink this Scotch & celebrate our good fortune." She hands the bottle to the man. The man opens it, & chugs about a third of the bottle to calm his nerves. The woman takes the bottle, puts the cap on & hands it back to the man. The man says "Aren't you having any?" The woman says "No, I think I'll just wait for the police, YOU DRUNK!"
