**From the Prez- Chuck Smith**

Hello everyone, and welcome to the February edition of the 'Vairfax. The first month of 2022 is history. This means that Springfest and the Convention is that much closer. Hard to believe that the seeds for the Convention being hosted in Peachtree City were planted two years ago, at the Chicago Convention. Now the trees are about to bear fruit.

A lunch meeting was attended by the Springfest committee chairpersons at the new home of Clay and Leslie Grant. There were some changes made for this year. The registration form for this show is included in this month's newsletter. Some prices had to be increased this year; please refer to the form to see the new fees. Also, there will not be an autocross this year, as there will be no CORSA insurance to cover it. Instead, there will be a Funkhana. A course is laid out on a parking lot with pylons, indicating various feats of skill that must be accomplished. Such as tossing a fanbelt out of the driver's window, attempting to ring a pylon. Backing into a tight space, weaving through cones, all while trying to keep a cup of water on your hood without spilling it. This a timed event, but not high speed. It is a lot of fun.

Please be aware that our February meeting will be held at Old Time Buffet at the Centerville Mall, on the 12th, at 12:00. We are supposed to have the meeting room this time.

Hope to see everyone at the meeting,  
Take care!  
Chuck
