This Month at Preschool

It is hard to believe the school year will be winding down soon. Looking back over the past eight months, the changes in our students have been immeasurable, and they should all be proud of their accomplishments. They have had many exciting challenges and discoveries and have all grown and flourished in new ways.

We'll be exploring Mother's Day for the first part of May and then talking about Spring. We'll look at the first signs of plants and flowers emerging outside and inside our classroom.

Ask your child about what is at the sand bins, playdoh table and toys as we incorporate Spring all over the classroom.

" We are a non-profit organization that is governed by parents and depends on parental involvement in our Parent Advisory Committee (PAC) to effectively manage preschool-related matters. Engaging in these PAC volunteer roles allows us to offer our services at significantly reduced rates while providing our community with a high-quality early learning and child care preschool program. Your participation is essential to our mission and greatly enhances the educational experience we offer."

Outdoor Playtime Reminder...

Spring is here, and this means more opportunities for outdoor playtime at preschool! Our students will be spending a portion of their class outside any time the weather permits, so please make sure your child comes prepared. **Sunglasses are highly recommended! Please send your child with a sun hat, and appropriate footwear.** Please do not send your child in sandals. As well, if you wish your child to wear sunscreen, please apply it **before** coming to preschool.
