

Leadership/Arizona Mission Training

September 2025

Congratulations to all of the award- winning members, Units and Department. And a reminder that you are all WINNERS as we continue to work the programs for the American Legion Auxiliary. Let us follow President Dolores's theme and be "Angels in the Outfield" in the Leadership program.

We can empower our members and really get that energy going with new plans for the year. Would you like to schedule a Mission Training? If your District has not had one in the last couple of years, I strongly recommend that you do so. It is a good idea to schedule early as events start piling up and you may not get the date you request.

The training will be a learning experience for everyone, there is so much information involved and new items each year. Comments I have received are: interesting topics delivered so that we can understand, excellent information and easy to follow. If you attended department convention in June you are aware that there were a lot of resolutions introduced and passed. You can have instructors go over them and explain if needed. Attending a training is EMPOWERING yourself and your unit. Let's do it! Another way to do this is to take one or more of the seminars/courses available on the national website alaforveterans.org. They have such a variety of topics and usually 30-40 minutes. More information will be forthcoming in future bulletins. If you wish to start no, give me a call and I will do my best to help you. Have a great year!

Here is my contact information: I ask that you leave a message and I will return your call. Email is fine. Karen Smith
