

**OFFICIAL PROCEEDINGS OF THE BOARD OF COUNTY COMMISSIONERS
OF EMMONS COUNTY, NORTH DAKOTA
AT IT'S REGULAR MEETING
FEBRUARY 4, 2025**

Chairman Dan Materi called the meeting to order at 9:00 A.M. with Commissioners James Gartner, Erin Magrum, Dan Materi, Craig Miller and James Vander Vorst being present. Also present was States Attorney, Joseph M. Hanson.

The Pledge of Allegiance was recited.

Commissioner Magrum motioned to approve the minutes of the January 7, 2025 regular meeting. Seconded by Commissioner Miller. Roll Call "YES": Gartner, Magrum, Materi, Miller and Vander Vorst. Motion carried.

Commissioner Vander Vorst motioned to approve the agenda with the addition of section line discussion. Seconded by Commissioner Gartner. Roll Call "YES": Gartner, Magrum, Materi, Miller and Vander Vorst. Motion carried.

Old and Unfinished Business:

Further discussion was held regarding county employees being able to volunteer for local organizations, (such as Fire Department, EMS, etc.). Commissioner Magrum motioned that Emmons County allow for county employees to have eight hours of annual volunteer time, approved by the department head, with any modifications being at the discretion of the board of county commissioners. Seconded by Commissioner Gartner. Roll Call "YES": Gartner, Magrum, Materi, Miller and Vander Vorst. Motion carried.

Reported was the NDIRF insurance claim is still open regarding the farm equipment damage from a road project (rock and ruts in field); therefore, no action was taken.

Discussion was held on updating the Zoning Ordinance Manual where the board agreed to work through a chapter every month with States Attorney Joseph M. Hanson. The commission decided to add zoning ordinance update – general provisions in chapter one on the March agenda.

Chairman Materi and Commissioner Miller looked into the section line matter located on the NW ¼ of Section 7, Township 136, Range 78, 55th St. SW tabled from the December 3, 2024 meeting. Chairman Materi reported that the section line is not drifted in as previously described; instead, there's a 15 – 20-foot embankment and ravine grown over with trees. Citizens are driving on a trail south of the section line. There's a small pile (wheelbarrow size) of cement pieces on the section line. GIS Coordinator, Josh Odden, stated that he found a photo dated back in the 1950's where citizens were driving around the section line. State's Attorney, Joseph M. Hanson, provided an opinion that the county could grant permission to Mr. Woodland to improve the section line using his own equipment to build up the road so that it's drivable; but, the county has no obligation to this road. The board concluded that this is not a county matter.

New Business:

Commissioner Vander Vorst inquired about the section line located in between Sections 4 and 9 in Township 131, Range 74, asking if the county would be responsible if something would happen if the section line gets washed out and impossible to cross. States Attorney, Joseph M. Hanson, stated that this section line is not part of the county's road system, and if the section line becomes dangerous, the county could close access to the road.

Commissioner Gartner motioned to enter into a Limited Services Agreement with Tanya Wieler of Dakota Dynamics, Human Resource Consulting for Local Government, for providing general Human Resource assistance and guidance to Emmons County. Seconded by Commissioner Miller. Roll Call "YES": Gartner, Magrum, Materi, Miller and Vander Vorst. Motion carried.

Commissioner Magrum motioned to terminate Easement No. DACW45-2-70-6059 within Section 6, Township 135, Range 78, and release it to the U.S. Army Corp. of Engineers. Seconded by Commissioner Vander Vorst. Roll Call "YES": Gartner, Magrum, Materi, Miller and Vander Vorst. Motion carried.

Director of Tax Equalization, Christina Seppanen, appeared to present the 2025 agricultural land valuations provided by the Agribusiness and Applied Economics Department of the North Dakota State University. NDSU calculated the statewide average values per acre with the following results:

Cropland	\$910.51
Non-cropland	\$163.09
All agricultural land	\$676.46

Emmons County's average value per acre for the year 2025 is as follows:

Cropland	\$924.38
Non-cropland	\$165.55
All agricultural land	\$675.89

North Dakota Century Code ruling requires County's to be within a tolerance level of 90% - 100% on their agricultural land values determined by the North Dakota State University Agricultural Economics Department.

Commissioner Gartner motioned to maintain a 92% tolerance level to keep the county average in compliance with state requirements. Seconded by Commissioner Magrum. Roll Call “YES”: Gartner, Magrum, Materi, Miller and Vander Vorst. Motion carried.

NextEra Energy Resources Representatives, Clint Scherb and Evan Shea, appeared and presented information on a proposed Emmons-Logan Energy Storage Project. The project would be located on a 15-acre parcel adjacent to the substation in Emmons County. The project includes a 140-megawatt, four-hour battery energy storage project (560 megawatt hours), and is aimed to start construction in 2025 with commercial operation targeted for December 2026. The project has a lifespan of 30-35 years.

Tony Holzer and Becky Thatcher-Keller provided an update on the Emmons County Senior Food Services. The State Director for Council on Aging for Senior Services called for a Kidder County Commission meeting to be held to discuss issues with the KESS (Kidder Emmons Senior Services). There were problems with financial reports, releasing money belonging to Emmons Seniors, and bad business decisions with closing down meal sites. After a heated discussion between the State Director, board members, and guests, the Kidder County Commissioners ordered the Secretary/Treasurer with KESS to pay Emmons County Senior Food Service \$39,002.90 from a savings account for Emmons County Senior Food Services. The State Director ordered an audit so it's unclear whether the Emmons County Senior Food Services will be receiving more funding. The Kidder County Commissioners asked all the KESS board members and the director to resign effective February 1, 2025. The Commissioners complimented Tony Holzer for the excellent job that he's doing with the Emmons County Senior Food Services. Tony Holzer stated that they are very thankful for the community contributions that they received. Noted was meals on wheels will begin delivery to Strasburg.

Francis Krumm appeared and provided a correction to the public record and comments made at the January 7, 2025 meeting regarding frost boils to the county roads at the time he was the county road superintendent. Mr. Krumm stated that when he was road superintendent, he had a conversation with Emergency Manager, Mary Senger, who recommended that the county supply all the road department employees with county owned cell phones in case of open record requests that their personal information would not be jeopardized. With the help from Mary Senger and FEMA, all grade operators were trained to locate and measure each of the frost boil sites accurately. The employees did an excellent job of locating the frost boils and provided all the paperwork requested by FEMA. After the paperwork was completed, it was turned in to Mary Senger who then filed the paperwork with FEMA. According to the conversation held with Mary Senger, FEMA did not cover the frost boils in Emmons County during that time period, and the denial had nothing to do with the paperwork process. She filed the paperwork the second time and was denied again. There were 309 frost boils, but only 109 needed to be repaired for a cost of \$518,159.82. The other frost boils only needed grading. Before Francis Krumm was road superintendent, there was no paperwork or time cards kept by the employees. The Commission agreed that the road department needed to have paperwork and documentation, so they hired Kelly Krumm to do the paperwork. Every hour of every work day over the course of 2020 and 2021 was documented by each employee. The time cards listed what each employee was doing, what piece of equipment was used and the hours spent on each task. This information was used to provide the cost of each road repair project. Books were compiled that contained all the annual road projects completed. Each Commissioner was provided with one of these books that should be handed down to the next commissioner.

Russell Lawler, Road Superintendent, provided a monthly update stating that the department has been blading on warmer days, riprapping out by Larry Leier's and Gefroh's on the federal aid road, doing maintenance in the shop, building fenders on the Low Boy trailer, building racks for outside, and a couple of employees are working on some packers in Strasburg. There was some discussion on various roads that need culvert work, blading and graveling.

Commissioner Gartner reported that he's waiting on a quote from Verizon Wireless for tracking graders and possibly trucks and pickups as a tool to protect the employees.

Commissioner Magrum motioned to amend the 2024 appropriations for prairie dog road by \$184,108.10, LATCF by \$9,267.12, police contract by \$33,971.41, and ARPA by \$75,874.92. Seconded by Commissioner Vander Vorst. Roll Call “YES”: Gartner, Magrum, Materi, Miller and Vander Vorst. Motion carried.

Commissioner Magrum motioned to approve the plat for the west 47' of the N ½ of lot 9 of the NE ¼ of the SE ¼ of Section 17, Township 132, Range 79. Seconded by Commissioner Miller. Roll Call “YES”: Gartner, Magrum, Materi, Miller and Vander Vorst. Motion carried.

Commissioner Magrum motioned to approve the plat for Lot C of the SE ¼ of Section 18, Township 132, Range 76. Seconded by Commissioner Gartner. Roll Call “YES”: Gartner, Magrum, Materi, Miller and Vander Vorst. Motion carried.

Clerk of Court/Recorder, Robin Mosset, introduced Wayne Ehley, newly hired Deputy Clerk of Court and Myckea Gross, newly hired Deputy Recorder.

Commissioner Gartner motioned to approve the application for abatement or refund of taxes for parcel #15-5426-10 for tax year 2024 and to approve the application for abatement or refund of taxes for parcel #22-0000-04698-000 for tax year 2024. Seconded by Commissioner Miller. Roll Call “YES”: Gartner, Magrum, Materi, Miller and Vander Vorst. Motion carried.

Approved: March 4, 2025

Daniel Materi, Chairman
Board of County Commissioners

Marlys Ohlhauser
Emmons County Auditor

**OFFICIAL PROCEEDINGS OF THE BOARD OF COUNTY COMMISSIONERS
OF EMMONS COUNTY, NORTH DAKOTA
AT IT'S REGULAR MEETING
JANUARY 7, 2025**

County Auditor, Marlys Ohlhauser, called the reorganizational meeting to order at 9:00 A.M., with Commissioners James Gartner, Erin Magrum, Dan Materi, Craig Miller and James Vander Vorst being present.

The Pledge of Allegiance was recited.

County Auditor, Marlys Ohlhauser, opened nominations for the 2025 Chairman. Commissioner Magrum nominated Commissioner Materi. Commissioner Materi nominated Commissioner Gartner. Commissioner Vander Vorst nominated Commissioner Miller. The Commission voted by paper ballot and Commissioner Materi, receiving the highest number of votes, was declared Chairman for 2025.

Chairman Materi opened nominations for the 2025 Vice Chairman. Commissioner Magrum nominated Commissioner Miller. Chairman Materi nominated Commissioner Gartner. The Commission voted by paper ballot and Commissioner Miller, receiving the highest number of votes, was declared Vice Chairman for 2025.

Commissioner Vander Vorst motioned to approve the minutes of the December 3, 2024 regular meeting. Seconded by Commissioner Miller. Roll Call "YES": Gartner, Magrum, Materi, Miller and Vander Vorst. Motion carried.

Commissioner Gartner motioned to approve the agenda with the addition of zoning ordinance update, Morton County Road Committee, culverts and blading. Seconded by Commissioner Magrum. Roll Call "YES": Gartner, Magrum, Materi, Miller and Vander Vorst. Motion carried.

Old and Unfinished Business:

Further discussion was held regarding policy and procedures in the county's employee handbook for employees who are active volunteer firefighters/EMS, and whether permission be granted to these employees to respond to calls during regular working hours. The commission agree that employees should be able to volunteer as firefighters/EMS with approval from their supervisor with some compensation, and will work on a rough draft on amending the employee handbook with States Attorney Joseph M. Hanson. Further discussion will be held at the February 4, 2025 meeting.

Tabled was the farm equipment damage from road project (rock and ruts in field) pending information from the NDIRF Insurance adjuster.

New Business:

Commissioner Magrum motioned to appoint or re-appoint the following board members:

County Park Board – Andrew J. Reis
County Park Board – Dean Weiss
Weed Board – Sterling Larson
Weed Board – James Nagel
Water Board – Richard Keller
Public Health Board – Erin Magrum
Emmons County Housing Authority – David Moch
County Committee – Steven Nieuwsma

Seconded by Commissioner Miller. Roll Call "YES": Gartner, Magrum, Materi, Miller and Vander Vorst. Motion carried.

Commissioner Magrum motioned to re-appoint Marlys Ohlhauser to the South Country Human Services Board. Seconded by Commissioner Gartner. Roll Call "YES": Gartner, Magrum, Materi, Miller and Vander Vorst. Motion carried.

Commissioner Vander Vorst motioned to appoint or re-appoint the following officers:

Director of Tax Equalization – Christina Seppanen
VA Officer – Brad Huber
Risk Manager – Marlys Ohlhauser
911 Coordinator – Gary Sanders

Seconded by Commissioner Miller. Roll Call "YES": Gartner, Magrum, Materi, Miller and Vander Vorst. Motion carried.

Acacia Stuckle and Nancy Deis, Extension Agents, provided a quarterly narrative report. Commissioner Vander Vorst volunteered to be assigned the portfolio for the Emmons County Extension Agents, and will participate in their performance reviews.

Eric Hoberg, Napoleon Economic Development, and Jim Guler, Moore Engineering, Inc., appeared and presented information regarding a potential Irrigation project that they've been working with the Department of Water Resources on that would bring water out of the Missouri River into Logan County for Irrigation. Hoberg stated that Logan County currently has about 6,000 acres that could be productive with the use of irrigation. If a

pipeline is run through Emmons County from the Missouri River, Logan County could increase that acreage to 66,000.

In order to make a request for the irrigation to become a project that the state would consider was to form an Irrigation District which meant that you need a comprehensive study, and you need 51% of the potential landowners to sign a petition. Eric Hoberg collected the signatures for the petition identifying the area on lands that would be good for irrigation. A draft study conducted by Moore Engineering, Inc. was submitted to the state. The cost of the study is approximately \$200,000. There is a cost share program with the state for 75% of the cost with a local cost share of 25% if partnered with a county.

During discussion, it was noted that the Horsehead Irrigation District that was formed years ago has become active again where two meetings were held. Eric Hoberg will be reaching out to the district.

Jim Guler approached the Commission about a joint effort or to team up in some capacity as the pipeline project would run straight through Emmons County. Commissioner Magrum asked if there was a preliminary design or a rough draft? Also, having a rough pipeline size and knowing a rough depth of the pipeline are questions that are going to be asked by the landowners.

Commissioner Magrum questioned whether the water moving through the pipeline would be considered potable due to recent updated zoning ordinances. Another question asked by Commissioner Magrum was are there plans on adding outlets to the pipe with the idea that you could add irrigation for Emmons County? Eric Hoberg stated that he's hoping to design this project so that they can service all of the land in Emmons County and Logan County that's irrigable.

VA Officer, Brad Huber, appeared and gave his quarterly report.

Commissioner Gartner motioned authorizing the Chairman and the County Auditor to sign the County Deeds conveying the county's interest in tax deed property as follows:

Anthony J.P. LaFond and Samantha A. Fond – Lots Ten (10), Eleven (11) and Twelve (12), Block Two (2), Dillman's Addition to Strasburg City, Emmons County, North Dakota.

City of Strasburg – Lots One (1) and Two (2), Block Fifteen (15), Milwaukee Land Company's Second Addition to Strasburg City, Emmons County, North Dakota.

City of Strasburg – Lots Three (3) and Four (4), Block Fifteen (15), Milwaukee Land Company's Second Addition to Strasburg City, Emmons County, North Dakota.

Seconded by Commissioner Magrum. Roll Call "YES": Gartner, Magrum, Materi, Miller and Vander Vorst. Motion carried.

Commissioner Gartner motioned to remove Kathleen Dosch and add Robin Mosset to have authorization to sign on the Clerk of Court/Recorder checking account at BNC National Bank. Seconded by Commissioner Miller. Roll Call "YES": Gartner, Magrum, Materi, Miller and Vander Vorst. Motion carried.

The Commission directed Auditor, Marlys Ohlhauser, to reach out to Tanya Wieler, to propose a limited contract for Human Resource Consulting.

Russell Lawler, Road Superintendent, reported on activities for the county road department.

Time card processing discussion was held. Equipment is being moved to repair the bridge in the SE ¼ of the NE ¼ of Section 28 of Township 133, Range 75, approximately 5.5 miles east and 2 miles north of Linton, ND. The Commission noted positive comments received from the public on the recent blading done to the roads. Discussion was held regarding the tar tank owned by the county and if they would sell tar to cities where Russ Lawler commented that he will do some research and report back.

Commissioner Vander Vorst, Commissioner Miller and Road Superintendent, Russell Lawler, attended a meeting at Morton County and reported that they have a good system where two commissioners, road supervisor and a couple of citizens from the community meet to discuss road matters/projects, and bring their ideas and recommendations before the commission at their regular meeting. Chairman Materi and Commissioner Gartner will be attending the next meeting at Morton County on January 15, 2025.

Commissioner Gartner motioned to approve the building permit for Orville Dykema to erect a 34 X 30 residence with a 54 X 30 attached garage on the SW ¼ SW ¼ of Section 21, Township 129, Range 77. Seconded by Commissioner Vander Vorst. Roll Call "YES": Gartner, Materi, Miller and Vander Vorst. Magrum abstained from voting due to conflict of interest.

Commissioner Magrum motioned to approve the application for abatement or refund of taxes for parcel #52-0006-00523-000 for tax year 2024. Seconded by Commissioner Miller. Roll Call "YES": Gartner, Magrum, Materi, Miller and Vander Vorst. Motion carried.

Commissioner Magrum motioned to adopt the following Resolution:

WHEREAS, the bid in the amount of \$1,182,691.99 from Industrial Builders, Inc. received in the bid opening of December 13, 2024 for Project BRJ-0015(021) was the low bid received.

WHEREAS, this bid is considered reasonable.

NOW, THEREFORE, be it resolved by the Board of County Commissioners of Emmons County will award to Industrial Builders, Inc. the contract for Project BRJ-0015(021) and hereby authorizes the Chairman of the Board to sign said contract.

It is further understood that the County shall reimburse the North Dakota Department of Transportation for any payments made under this contract, which are not collectible from the Federal Highway Administration.

DATED at Linton, North Dakota this 7th day of January, 2025.

ATTEST:
s/s Marlys Ohlhauser
Emmons County Auditor

APPROVED:
s/s Daniel Materi
Emmons County Chairman

Seconded by Commissioner Gartner. Roll Call “YES”: Gartner, Magrum, Materi, Miller and Vander Vorst. Motion carried.

Commissioner Magrum motioned to hire Wold Engineering, P.C to perform construction engineering for road project BRJ-0015(021) PCN 23706, replacement of structure No. 15-131-31.1, located 3 miles north and 9 miles east of Strasburg, ND on Section 4 and 5, Township 131, Range 74. Seconded by Commissioner Vander Vorst. Roll Call “YES”: Gartner, Magrum, Materi, Miller and Vander Vorst. Motion carried.

Commissioner Vander Vorst commented that the stinger bits on the blades have really improved the roads. Also mentioned was the culvert on 14th Ave SE near Dennis Haan’s needs to be repaired.

Commissioner Miller brought forward the Zoning Ordinance Manual that needs to be updated. Further discussion will be held at the February regular meeting with States Attorney, Joseph M. Hanson.

The Commission reviewed a letter from the office of State Tax Commissioner congratulating Director of Tax Equalization, Christina Seppanen, on a successful review of the Emmons County agricultural land valuation methods. Emmons County is fully compliant with North Dakota Century Code #57-02-27.2(8).

Commissioner Magrum motioned to appoint Commissioner Gartner as a member to the Community Action Program Region VII Board of Directors. Seconded by Commissioner Miller. Roll Call “YES”: Gartner, Magrum, Materi, Miller and Vander Vorst. Motion carried.
