February 2025

We are truly excited to be opening our gates to members on Memorial Day Weekend in 2025! This year represents our 70th season and the Board of Directors and staff are preparing for another great year!

Your Board of Governors has been working during the off-season to balance the Club's budget and determine costs. Over the last couple of seasons, we have had to raise salaries for lifeguards and staff, and adjust for increased general costs and maintenance of the pool. These costs are still increasing, but not quite at the same level. However, in 2025 we are installing starting blocks adjacent to the diving area for safety purposes and repainting the surface of the pool. To offset the increased costs mentioned, the Board of Governors has voted to increase the maintenance fee this season by \$20 per family.

Please take a moment to review this entire document to ensure a successful 2025 summer at the SSC.
